

EXHIBIT B

Exhibit B to Agreement between Metro and Multnomah County

PRINCIPLES FOR CONCEPT PLANNING OF URBAN RESERVES

1. Concept planning for specific, enumerated Urban Reserves on the Urban and Rural Reserves map may occur separately and at different times.
2. A concept plan for any Urban Reserve area must be approved by the county, the city or cities who will govern the area, and by Metro.
3. The City of Gresham shall be invited to participate in concept planning of Urban Reserve in the area south of Lusted Road and west of SE 302nd, identified as Area 1C (Clackanomah) on the regional reserve map.
4. Concept plans shall provide that any area added to the UGB shall be governed by an existing city, or by a new city.
5. Concept planning for Urban Reserve areas that are suitable for industrial and other employment uses – such as portions of Clackanomah - will recognize the opportunity to provide jobs in this part of the region.
6. Concept planning for Urban Reserve areas that are suitable for a mix of urban uses – such as Area 1C – will recognize the opportunity to provide employment and mixed- use centers with housing at higher densities and employment at higher floor-to-area ratios, and will include designs for a walkable, transit-supportive development pattern.
7. Concept planning shall recognize environmental and topographic constraints and habitat areas and will reduce housing and employment capacity expectations accordingly.
