## General Information

### 1. What action are you requesting from the Board?

Recognition and appropriation of additional Fed/State funding of \$75,139 in Child Abuse Multidisciplinary Intervention (CAMI) revenue from the State of Oregon Department of Justice (OR-DOJ).

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

During the FY2016 budget process, CAMI revenue was forecasted at \$881,086 and included in the FY2016 adopted budget. This budget modification requests an increase in appropriation of \$75,139 from three sources:

1) In the Spring of 2015, the District Attorney's Office worked with CAMI representatives at the State of Oregon Department of Justice to finalize a 2-year grant budget of \$1,764,272 for the upcoming biennium (\$882,136 in FY 2016 and FY 2017), which is \$1,050 more than the amount included in the FY2016 adopted budget.

2) In June of 2015, the OR-DOJ announced that they would allow to carry over unspent funds of \$5,495, from previous biennium grant to the FY 2016 and FY 2017 grant.

3) Following the legislative session, the state-wide CAMI allocation was increased by the OR-DOJ, resulting in an additional \$135,914 for the Multnomah County District Attorney's Office for the FY 2016 and FY 2017 biennium, \$68,594 in Fiscal Year 2016 and \$67,320 in FY 2017.

In summary, the requested increase in CAMI grant funding of \$75,139 is the result of 1) the initial revenue forecasting error of \$1,050, plus 2) the carry over of unspent FY2015 funds of \$5,495, plus 3) an additional CAMI fund allocation from the OR-DOJ of \$68,594.

### **3. Explain the fiscal impact (current year and ongoing).**

The additional CAMI revenue will increase the District Attorney's Fed/State fund 1505 in program offer 15103-16 by \$75,139. The District Attorney's CAMI allocation will be \$956,225 for Fiscal Year 2016.

The CAMI Executive Committee has approved the proposed distribution of the additional funding:

Pass through to CAMI partners of \$54,706;  
CARES Northwest will receive an additional \$49,706 to perform medical assessments related to child abuse cases. Law enforcement partners (Portland Police Bureau & Gresham Police Department) will receive an additional \$5,000 to cover overtime costs associated with child abuse cases. In this budget modification, an existing \$5,000 was redirected from GPD to PPB due to changes in forecasted police overtime needs.

MCDA travel & training, \$16,855;  
Training funds will allow MCDA staff to attend Child & Family Maltreatment training.

Central and Departmental Indirect cost, \$3,578.

### **4. Explain any legal and/or policy issues involved.**

ORS 418.747 - "The district attorney in each county shall be responsible for developing county multidisciplinary child abuse teams to consist of but not be limited to law enforcement personnel, Department of Human Services child protective service workers, school officials, county health department personnel, county mental health department personnel who have experience with children and family mental health issues, child abuse intervention center workers, if available, and juvenile department representatives, as well as others specially trained in child abuse, child sexual abuse and rape of children investigation."

### **5. Explain any citizen or other government participation.**

The District Attorney's Office participates on the Multnomah County CAMI Executive Committee with other CAMI partners including CARES Northwest, the Portland Police Bureau, the Gresham Police Department, and Oregon DHS.

The CAMI Executive Committee has approved the proposed distribution of the additional funding.
