Oregon

Kate Brown, Governor

Oregon Transportation Commission

Office of the Director, MS 11

355 Capitol St NE

Salem, OR 97301-3871

DATE: February 2, 2017

TO: Oregon Transportation Commission

[Original signature on file]

FROM: Matthew L. Garrett
Director

SUBJECT: **Agenda H** – Oregon Department of Transportation Seismic Resilience Triage Strategy

Requested Action:

Receive an informational presentation on proposed strategies to improve the seismic resilience of:

- (1) The Oregon Department of Transportation (ODOT) lifeline routes in Southern Oregon and along the Oregon Coast,
- (2) Coastal maintenance facilities, and
- (3) Other key ODOT and local transportation facilities in western Oregon.

Background:

Over the past few years, ODOT has worked to understand the potential impacts of a major earthquake in the Cascadia Subduction Zone. Such an earthquake will cause an unparalleled economic and human catastrophe for the state.

The Oregon Highways Seismic **PLUS** Report (ODOT, 2014) outlined a statewide program to address seismic vulnerability and mitigate structural deficiencies. The report identified long-term mitigation strategies (over multiple decades) on state highways. However, shorter-term strategies are needed to ensure the seismic resilience of:

- (1) ODOT lifeline routes in Southern Oregon and along the Oregon Coast and
- (2) Other key ODOT and local transportation facilities in western Oregon.

Key components of the proposed Seismic Resilience Triage Strategy include:

- Seismic triage approach for critical highway lifeline routes (Interstate 5 and Oregon 140) in the Rogue Valley;
- Location and composition of new coastal maintenance facilities and forward supplies; and
- Coordination with local jurisdictions regarding key transportation facilities in western Oregon that need to be addressed in the short-term.

Public comment 9-27-18

Good morning Chair Kafoury and Commissioners. It's great to see you again! My name is Scott Reeves. I came to talk about engaging voters for the midterm elections. Research says that people are more likely to vote when there are exciting candidates or ballot measures. What will motivate voters, increase turnout and support campaigns for ballot measures and candidates up and down the ballot in Oregon?

For several reasons, I think it will be Measure 105. Measure 105 seeks to strip away protections under Oregon's sanctuary law and put our immigrant communities at risk. As you know, Andrea Williams is the director of CAUSA. She also leads the No on 105 campaign.

It is not often that our immigrant communities and their leaders ask for our help. I ask you to take action to help defeat Measure 105. Back in 2016, Commissioner Smith and Chair Kafoury and the previous commission passed a sanctuary resolution. Under this current commission, you and Sheriff Reese have taken many steps, large and small, to protect and support immigrants.

I would like to thank Sheriff Reese, Commissioner Stegmann and Chair Kafoury for endorsing No on 105. The No on 105 website must not be updated, because I don't see other Commissioners on the list. Please consider a resolution and a public statement. I especially ask Sheriff Reese and the four Commissioners who are not running for office what else you can do.

You probably know that CAUSA's Dreamer Awards event is next Thursday at 530 pm. Last year many electeds and grassroots groups came. It was a blast. Tickets are available on the CAUSA website.

Thank you and all County staff for so many things you do to protect vulnerable people.
