In the twelfth year of sustained combat operations by US Armed Forces in Afghanistan, Commissioner McKeel and the Veterans Employee Resource Group feel it is important to ensure Multnomah County recognize Veterans Day on November 11th, 2013. The duty and sacrifice of veterans throughout the history of the United States has been tremendous and significantly impactful on not only service members themselves but their families and friends. When troops deploy, life changes for so many people both at home and abroad. Recognition of our veterans and continued understanding of their experiences is important and recognized on Veterans Day each year.
