General Information

1. What action are you requesting from the Board?

Hear an informational briefing on how information systems may need to change as a result of health care transformation activities.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Information sharing to improve care coordination across the continuum of care is necessary to achieve the triple aim of improved health, better care for patients, and lower cost. Clinical data aggregation is necessary to support health system transformation efforts including performance metrics and alternative payment methodologies. The County, as a member of Health Share of Oregon (HSO), and as an important provider of health care, will be impacted by the state's efforts in this regard and needs to be providing input and following these efforts.

3. Explain the fiscal impact (current year and ongoing).

N/A – Informational briefing only

4. Explain any legal and/or policy issues involved.

N/A – Informational briefing only

5. Explain any citizen and/or other government participation that has or will take place.

The County coordinates with state efforts based out of the Oregon Health Authority's Office of Health Information Technology. The County also participates as a member of Health Share of Oregon (HSO), Coordinated Care Organization in it's IT Oversight Committee.
