General Information

1. What action are you requesting from the Board?

The Department of County Human Services (DCHS) is requesting approval of budget modification DCHS13-15, authorizing the reclassification of a full time Administrative Services Officer position to a Program Manager 1 in the Aging & Disability Services Division (ADSD), as determined by the Class/Comp unit of Central Human Resources, Reclassification Request #2083.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This budget modification reflects an HR Class/Comp decision on a classification request initiated by management in Program Offer 25027 – ADS Administration. ADSD has centralized specific program manager duties for better work flow efficiency of the management team and assigned these duties to this position. These duties have been gradually assigned over the past several years, starting in 2007. Duties include providing highly professional administrative support to the Division Director in all aspects of

leadership, planning, direction and managing the functions of the Division, including budget, planning, program evaluation, policy development and implementation, division communication and training. In addition, this position will manage and direct the work of professional and administrative staff and will act on behalf of the Division Director in his/her absence. HR Class/Comp agreed that the duties and responsibilities of this position warrant a reclassification to Program Manager 1.

3. Explain the fiscal impact (current year and ongoing)

The Program Manager 1 position has a higher pay scale than the budgeted Administrative Services Officer position. The effective date of the reclassification is July 24, 2012. The current fiscal year personnel cost for the position will increase by \$8,097. This increase will be offset with a decrease in the ADSD budget for Supplies and Travel & Training of \$7,854 and \$243, respectively. Subsequent fiscal year personnel costs will be higher by an estimated \$8,614, excluding any approved merit and COLA increases.

A department amendment will be submitted to reflect this reclassification in the FY14 budget.

4. Explain any legal and/or policy issues involved.

5. Explain any citizen and/or other government participation that has or will take place.
