LOT 31&32, BLOCK 1

A. Purchase Price.

Purchasers agree to pay the sum of \$12,841.97, to be paid \$1,284.20 in cash upon the execution of this agreement, receipt whereof is hereby acknowledged, and the balance of said purchase price in equal monthly installments of not less than \$124.25 over a term of 180 months. Payment to include interest at the rate of 10 percent per annum on the entire unpaid balance of the purchase price remaining at the time of payment of each installment. Each payment shall first be applied to interest to date of payment; the balance to principal. First of said installments to be paid on March 15, 1993 and a like payment on the 15th of each and every month thereafter until the entire purchase price, both principal and interest, shall have been paid. Purchasers shall have the privilege of prepayment without penalty.

B. Terms and Conditions.

1. In addition to payment of installments hereinabove provided, Purchasers agree to pay, before delinquency, all taxes lawfully assessed and levied against said property during the life of this agreement and to pay and discharge, before delinquency, all municipal liens and assessments of any kind and nature lawfully assessed against said property.

2. Purchasers will keep all improvements on the property in at least as good condition and repair as they were on the date of possession by purchasers and shall not permit any waste or removal of all or part of the improvement.

3. Purchasers will not use or permit others to use any of the property for any "prohibited conduct" as that term is defined in 1989 Or Law Ch 791, § 1-14 and 22, or any "nuisance" as defined in ORS 105.555, as those statutes may now or hereafter be amended, supplemented or superseded, or otherwise do or allow any act or omission on or about the property that could subject the property or the County's or Purchasers' interest therein to forfeiture or the risk of forfeiture.

4. Purchasers will promptly comply with and cause all other persons to comply with all laws, ordinances, regulations, directions, rules and other requirements of all governmental authorities applicable to the use or occupancy of the property. In this connection, purchasers shall promptly make all required repairs, alterations and additions. These include, without limitation, any required alteration of the property because of the purchasers' specific use alterations or repairs necessary to comply with, and all applicable federal, state, local laws, regulations, or ordinances pertaining to air and water quality, hazardous materials as defined herein and other environmental zoning, and other land use statutes, ordinances and regulations.

5. Purchasers will not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the property by Purchasers or their agents, employees, contractors, or invitees without the prior written consent of the County, which shall not be unreasonably withheld as long as Purchasers demonstrate to County's reasonable satisfaction that such Hazardous Material is necessary to Purchasers' business and will be used, kept, and stored in a manner that complies with all laws regulating any such Hazardous Materials brought upon or used or kept in or about the property;

6. As used in this Agreement, the term Hazardous Material means any hazardous or toxic substance, material, or waste, including, but not limited to, those substances, materials, and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 CFR § 172.101), or by the United States Environmental Protection Agency as hazardous substances (40 CFR pt 302) and amendments thereto, petroleum products, or other such substances, materials, and wastes that are or become regulated under any applicable local, state, or federal law.

7a. Purchasers will indemnify, defend, and hold harmless the County, its elected officials, officers, and employees from and against any claims, loss or liability of any kind arising out of or related to any activity on the property occurring while purchasers are entitled to occupy the property under this or any predecessor agreement, whether or not the property is leased to others.

7b. This indemnification of the County by Purchasers includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or groundwater or under the property. Without limiting the foregoing, if the presence of any Hazardous Material on property caused or permitted by purchasers or purchasers' agents or contractors results in any contamination of the property, Purchasers shall promptly take all actions at Purchasers' sole expense as are necessary to return the property to the condition existing prior to the release of any such Hazardous Material onto the property, provided that the County's approval of such action shall first be obtained, and approval shall not be unreasonably withheld, as long as such actions would not potentially have any material adverse long-term or short-term effect on the property. This indemnification by Purchasers includes, without limitation, reimbursement for any diminution in the value of the property and reimbursement for sums paid in settlement of claims, attorney fees, consultant fees, and expert fees. The obligations of paragraph B7a. and B7b. shall survive any termination or cancellation of this agreement for any reason.

8. Purchasers will keep all improvements now existing or which shall hereafter be placed on the property insured against fire and other casualties covered by a standard policy of fire insurance with extended coverage endorsements. The policy shall be written to the full replacement value and loss payable to County and Purchasers as their respective interests may appear, and certificates evidencing the policy shall be delivered to County and shall contain a stipulation providing that coverage will not be canceled or diminished without a minimum of ten days' written notice to the County. In the event of a loss, Purchasers shall give immediate notice to County. County may make proof of loss if Purchasers fail to do so within fifteen days of casualty.

C. Default

Time is the essence of the Agreement; a default shall occur if:

1. Purchasers fail to make any payment within ten days after it is due;
2. Purchasers fail to perform or comply with any condition and do not commence corrective action within ten days after written notice from the County specifying the nature of the default, or, if the default cannot be cured within that time, fail to commence and pursue curative action with reasonable diligence.
3. Purchasers become insolvent; a receiver, trustee or custodian is appointed to take possession of all or a substantial part of Purchasers' property or properties; Purchasers make an assignment for the benefit of creditors or file a voluntary petition in bankruptcy; or Purchasers are subject to an involuntary bankruptcy which is not dismissed within ninety days.
4. Purchasers make or allow to be made a fraudulent transfer under applicable federal or state law, conceal any of their property from creditors; make or allow to be made a preference within the meaning of the federal bankruptcy laws; or allow a lien or distraint upon any of their property.

9463 N. RICHMOND AVE PORTLAND, OR 97203

This contract cannot be assigned.

Upon complete performance by Purchasers of all the terms and conditions of this contract, County agrees to convey to Purchasers the title to the aforesaid property by good and sufficient deed of conveyance.

IN WITNESS WHEREOF, Purchasers have set their hand the year and day first above written, and County has caused these presents to be executed by the Chair of the Multnomah Board of County Commissioners heretofore entered of record.
