Madam Chair and Commissioners,

We would like to express our support for Tom Sincic to represent our district Oregon. Tom's professional work in health care and education has fired a passion for

Tom was the family nurse practitioner at Grant High school where our daughter encouraged students to focus on three positive choices to improve their own health: eat healthy, exercise, and get enough sleep.

Subject: Recommendation for Tom Sincic - Oregon House Candidate District 45

To: [mult.chair@multco.us](mailto:mult.chair@multco.us), [district2@multco.us](mailto:district2@multco.us), [district1@multco.us](mailto:district1@multco.us), [district4@multco.us](mailto:district4@multco.us)

Dear County Commissioners,

I am writing in support of Tom Sincic for the Oregon House District 45 position. I am a member of the community, and believe Tom would make a tremendously positive contribution to the community.

I know Tom from my 5+ years coaching soccer with NEU and participating in his work. I found this incredibly helpful when working with committees and preparing for the election.

On a personal level, Tom is a warm and funny, with a very down-to-earth view of life.

Tom would make an excellent choice, and I whole heartedly support him in his campaign.

Best regards,

Andreas Loeffler
