Brian,

The attached IGA has been reviewed, and the issues with it have been noted in the series of email relating to the form of agreement. This form of IGA is an ODOT standard boilerplate, with language that doesn't always apply in every instance. We negotiated some changes with ODOT, but not as many as we first sought.

Anyway with all that said, the attached IGA is approved for submission to the BCC for its consideration. Thanks.

Matthew O. Ryan
