Good Afternoon Courtney:

Attached is the APR for the Ordinance Amending MCC Ch. 7. It has been reviewed and approved by Sally and Becky. We understand you may freely edit. We did have one question about the deletion of the personal property sale. Since that is not administered through our program, we cannot answer any questions as to its elimination. Is there a statutory basis?

#2, last sentence:

Finally, the Ordinance amends Section 7.460–461 to eliminate dated references to seizure and sale of personal property through mechanisms not administered by the Program.

When approved and coupled with the Ordinance you are finalizing, we will initiate Departmental approvals. Also, we will prepare an APR for a Second Reading.

THANKS! mike
