**4. Explain any legal and/or policy issues involved.**

The Dunthorpe-Riverdale County Sanitary Service District is a county service district for sewer service for which the Multnomah County Board of County Commissioners serve as the District Board of Directors. As required by statute, the Board of the District will endorse the annexation prior to the hearing.

The property is located in unincorporated Clackamas County and falls inside the City of Lake Oswego's Urban Service Boundary. The petitioner entered into an annexation contract with the City of Lake Oswego to obtain the City's approval. The annexation contract recognizes the City is unable to provide sewer service to this property at this time. At such time the City can provide public sewer, the property will disconnect from the District, and annexation into the City shall take effect.

**5. Explain any citizen and/or other government participation that has or will take place.**

Prescribed noticing for this public hearing was completed per statute. Noticing includes a mailing to affected local governments and the petitioner.
