FOR TRAVIS GRAVES

We are here today to honor our Multnomah County employees, by recognizing the years of personal commitment and professional contributions, which they have given to the County.

I would like to start by saying thank you to County Chair Ted Wheeler, and to each of the Commissioners, for your support of our employees and for sponsoring this recognition ceremony here today. I believe Chair Wheeler would like to take a minute and recognize a few of the employees with us today.

[Chair Wheeler may acknowledge a few employees who have made major accomplishments to the County at this point]

These Multnomah County service awards represent one way of thanking our employees for making Multnomah County an excellent place to work, as well as an outstanding service provider. Every employee that is here today has played an equally essential role in making that happen. You have all been **KEY** to our success.

This year's ceremony begins an improved process to recognize employees during the year of their service anniversary. Today we will celebrate employees who have served the county for more than 15 years and in two weeks we will celebrate employees who have five and ten years of service with Multnomah County. Beginning in 2009 the Board of County Commissioners will continue to recognize employees with 15 or more years of service with Multnomah County during annual service awards ceremony in December of each year. Individuals with five and ten years of service will be recognized by their Department Directors during an annual celebration as well. In addition, Multnomah County will recognize employees during Public Service Recognition Week in May of each year honoring the men and women who serve America as local government employees. You will be hearing more about this initiative in the coming weeks.

In a moment, I will be reading the names of those employees who have reached the 15, 20, 25, 30, and 35 year milestones as employees of Multnomah County in 2008. If we add up the years that are represented here today in the **56** individuals being recognized, we have **1,095** years of service and dedication to Multnomah County.

Finally, before we recognize each of you individually, to ALL of you – on behalf of all of us here today, we say a collective THANK YOU and congratulations on a job well done. We will start with those with 15 years of service and move onward from there. When I read your name, please come up to the front to be congratulated by Chair Wheeler and our Commissioners and receive your certificate. If you are here for an award and I do not read your name, please come forward to be recognized.

Please join us after this presentation for a reception in the back of the room.
