## General Information

### 1. What action are you requesting from the Board?

Approval of an amendment to an Intergovernmental Agreement (IGA) with the Oregon Department of Transportation (ODOT) for improvements to NE 244<sup>th</sup> Ave in Wood Village at the Union Pacific Rail Crossing.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This amendment corrects several items in the original IGA. The original was presented and approved by the Board on Mar 6, 2014. The project costs (for the County) were underestimated and correction will enable to County to recover our costs. The State has re-assigned the project to a new project manager. Additionally there were some minor wording adjustments.

### 3. Explain the fiscal impact (current year and ongoing).

The IGA authorizes grant funding at 100% for all improvements. There is no County fiscal impact; all County staff and contract work will be paid from the grant.

### 4. Explain any legal and/or policy issues involved.

None

**5. Explain any citizen and/or other government participation that has or will take place.**

As part of the construction, there will be minor traffic delays while some of the roadside work is occurring. Appropriate advance notice will be provided to the Public and the City staff for both Wood Village and Troutdale. Advance project notification and updates will be provided to the respective City staffs.
