General Information

1. What action are you requesting from the Board?

The purpose of the session is to review the most recent Budget Notes and Board Budget Amendments .

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

After the Chair's Proposed Budget is approved for submission to the Tax Supervising and Conservation Commission (TSCC), the Board may begin deliberations on it. The Board will have the opportunity to edit or clarify their budget notes.

3. Explain the fiscal impact (current year and ongoing).

The work session provides information to assist the Board in reaching its final decisions regarding the FY 2017 budget. Adopting the budget will set the legal limits for spending during FY 2017 and is required to comply with Oregon Budget Law.

4. Explain any legal and/or policy issues involved.

The Board, acting in its capacity as budget committee, approved the Chair's Executive Budget on April 21st and submitted the Approved Budget to the Tax Supervising and Conservation Commission (TSCC). After the budget has been submitted, no Fund may be increased by more than 10% in total revenue, and no property tax greater than the amounts included in the Approved Budget may be levied.

5. Explain any citizen and/or other government participation that has or will take place.

Three evening public hearings were held: April 27th, May 4th, and May 11th to collect public input on the budget. Citizen Budget Advisory Committees have reviewed the program offers and made presentations with recommendations to the Board of County Commissioners. Transmitting the Executive Budget to the TSCC allows the public and Board further time to review the Chair's Budget before final adoption.
