

BEFORE THE BOARD OF COUNTY COMMISSIONERS  
FOR MULTNOMAH COUNTY OREGON

**PROCLAMATION NO. 05-059**

Proclaiming the Accomplishments of the Multnomah Education Service District's  
2005 Academic All-Stars

**The Multnomah County Board of Commissioners Finds:**

- a. Each year the Multnomah Education Service District's (MESD) Academic All-Stars program, in collaboration with the County's 19 public high schools, honors outstanding students who have attained the highest levels of academic and community achievement.
- b. The Academic All-Stars program began 22 years ago and has stayed true to its original purpose of recognizing and rewarding academically outstanding high school students who compete in nine categories.
- c. This year, 238 students from all 19 Multnomah County public high schools applied on-line by submitting a summary of their academic achievements, writing a 750-word essay and providing letters of recommendation. Judges from MESD invited 129 students to submit a comprehensive portfolio of their academic work and extracurricular activities. A group of 45 volunteer judges from the local community reviewed 71 portfolios and conducted personal interviews.
- d. This year 71 students, listed on the following pages, representing 16 of Multnomah County's 19 public high schools, have been named as MESD's 2005 Academic All-Stars.
- e. These finalists will be honored and awarded college scholarships at the Academic All-Stars Awards Ceremony on April 25, 2005.

**The Multnomah County Board of Commissioners Proclaims:**

These 71 distinguished young scholars and citizens represent a model of excellence for us all. The Board of County Commissioners, and all of Multnomah County, applauds their outstanding personal and scholastic achievements.

ADOPTED this 21st day of April, 2005.
