Presenter Name(s) & Title(s):	Kenneth Martin, Local Government Boundary Change Consultant & Tom Hansell, District Administrator		
I/O Address:	425/2		

General Information

1. What action are you requesting from the Board?

Convene as the Governing Body of the Dunthorpe-Riverdale Sanitary Service District No. 1 and endorse annexation petition.

Reconvene as the Multnomah County Board of County Commissioners and open a Public Hearing to consider the annexation petition and adopt an order approving annexation of territory to Dunthorpe-Riverdale Sanitary Service District No. 1.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

See attached Boundary Consultant Report.

3. Explain the fiscal impact (current year and ongoing).

Annexation provides the District with the taxing authority to assess properties the necessary fees to meet the District's operational requirements.

4. Explain any legal and/or policy issues involved.

The Dunthorpe-Riverdale County Sanitary Service District is a County service district for sewer service for which the Multnomah County Board of County Commissioners serve as the District Board of Directors. As required by statute, the Board of the District will endorse the annexation prior to the hearing.

The property is located in unincorporated Clackamas County and falls inside the City of Lake Oswego's Urban Service Boundary. The petitioner entered into an annexation contract with the City of Lake Oswego to obtain the City's approval. The annexation contract recognizes the City is unable to provide sewer service to this property at this time. At such time the City can provide public sewer, the property will disconnect from the District, and annexation into the City shall take effect.

5. Explain any citizen and/or other government participation that has or will take place.

Prescribed noticing for this public hearing was completed per statute. Noticing includes a mailing to affected local governments and the petitioner.
