RE: Appointments to the Citizen Involvement Committee

The following Multnomah County citizen is recommended for appointment to the Citizen Involvement Committee (CIC): Amy Ihly. If appointed, this new member would serve a three year term, effective through June of 2014.

We are pleased with the range of geographical, personal and occupational experience that Amy brings to the CIC. She has been active in the community and is eager to serve on the CIC. Amy has successfully met the appointment criteria used by the CIC for membership on the Committee which includes discussion with committee members and staff. She has also participated at CIC meetings. The prospective appointee's interest form is attached.
