Re: Vacancy in State Senate District 19

Effective January 1, 2018, there is a vacancy in State Senate District 19 due to the resignation of Senator Richard Devlin.

Pursuant to ORS 171.060(1) and OAR 165-010-0060, you are hereby notified of the vacancy. The Democratic Party precinct committee persons of State Senate District 19 met and chose nominees to fill the vacancy. The nominees chosen are:

- **Robert A. Wagner**
- **Claudia M Black**
- **Daphne N Wysham**

The Clackamas, Multnomah, and Washington County Board of Commissioners must meet to appoint one person from the list of nominees. The vacancy must be filled **no later than January 31, 2018**. Pursuant to ORS 171.060(2), the Secretary of State shall set a time and place for the meeting, and name a chair. When naming a chair for this purpose the Secretary will 1) select a Commissioner or Judge of the same political party as the party of the nominees. If there are no commissioners or judges who are registered as members of that party, the Secretary will 2) select a Commissioner or Judge that is registered to vote as not affiliated with a party. If there are no commissioners that meet criteria 1 or 2, the Secretary will select 3) the Chair of the Board of Commissioners or County Court of the county that has the most registered voters in the district of the vacancy. Commissioner Jim Bernard has been selected to chair the joint meeting.

The time and location of the meeting are as follows:

Date: January 29, 2018
Time: 1:30 p.m.
Location: Marylhurst University
Flavia Hall
17600 Pacific Highway
Marylhurst, OR 97036

In accordance with ORS 171.062 when a vacancy occurs in a legislative district encompassing two or more counties, each county is entitled to one vote for each 1,000 of its electors or major fraction of 1,000 (more than 500 registered electors, but less than 1,000) residing within the district at the time the vacancy occurred. Based on the number of registered electors on the date the resignation became binding, each county commissioner is allotted the following number of votes:

County	Number of Registered Electors	Votes per County	Number of Commissioners	Votes per Commissioner
Clackamas	55,449	55	5	11
Multnomah	22,340	22	5	4.4
Washington	18,287	18	5	3.6

These votes are apportioned to each county commissioner. If for any reason a county commissioner is unable to attend the meeting on January 29, 2018, that county commissioner's vote would not be cast. The votes are not reapportioned for the remaining county commissioners to cast.

Enclosed is a copy of OAR 165-010-0060 outlining the procedures to conduct a meeting to fill a vacancy in the Legislative Assembly. Also enclosed is a Statement for use in notifying the Secretary of State of the appointment including signature and vote tabulation sheets. Please complete and return the completed Statement and Signature and Tabulation sheet not later than January 31, 2018, at 5 p.m. You may email it to elections.sos@oregon.gov.

Please contact me at (503) 986-1518 if you have any questions about this process.

Sincerely,

Alma Whalen

Procedure for Conduct of Meeting to Fill Vacancy in Legislative Assembly

The following procedures govern the conduct of a meeting of a county court or board of commissioners (hereafter, county governing body(ies)) to fill a vacancy in the Legislative Assembly. These meeting procedures apply to appointments made under either ORS 171.060(1) (vacancy to be filled by nominee affiliated with a major political party) or ORS 171.060(2) (vacancy need not be filled by member of a particular major political party).

(1) A meeting of the members of the county governing body(ies) shall convene at the time designated by the Secretary of State. If the legislative district includes more than one county, the Secretary of State shall also name the temporary chairperson for the meeting and designate its location, which shall be within the legislative district. The Secretary of State shall also notify the county governing body(ies) of the nominees and of the number of votes apportioned to each member of the county governing body(ies) under ORS 171.062 and 171.064.

(2) The chairperson conducting the meeting shall open the meeting at the time designated by the Secretary of State. The chairperson shall announce that the purpose of the meeting is to appoint a person to fill the vacancy in the Legislative Assembly. If applicable, the appointment will be made from the list of nominees from the major political party as furnished by the Secretary of State.

(3) Members of the county governing body eligible to vote on the selection are those physically or electronically present at the meeting, who are currently holding office by election or appointment.

(4) The county governing body(ies), in making its determination, may allot time for interviewing nominees or applicants and for other pertinent deliberations prior to voting.

(5) The vote shall be taken in a manner specified by a majority of those present and eligible to vote on the selection. The person receiving the highest number of votes shall be the appointee. However, in any case, the vote of each member of the governing body(ies) shall be recorded and included in the written statement required by ORS 171.060(3).

(6) The Secretary of State hereby adopts form SEL 145, Statement of Nominee's Willingness to Serve, as the form to be used to accept a nomination to fill a legislative vacancy. The form shall contain:

- (a) Nominee's name;
- (b) Office and district number, if any, for which candidate would accept appointment;
- (c) Candidate's residence address;
- (d) Candidate's home and work telephone numbers;
- (e) Mailing address where all correspondence will be sent;
- (f) Statement that candidate will accept appointment; and
- (g) Candidate's signature and date signed.

In the matter of
Filling the Vacancy in the Legislative Assembly,
State Senate District 19

WHEREAS, pursuant to state law, the Democratic Party Precinct Committeepersons in State Senate District 19 made nominations to fill the vacancy; and

WHEREAS, in accordance with procedures established by the Secretary of State, the Clackamas County Board of Commissioners, Multnomah County Board of Commissioners and the Washington County Board of Commissioners considered the nominations at a public meeting on January 29, 2018; and

WHEREAS, at the conclusion of the public meeting the appointing authority voted to appoint _____ (nominee) to fill the vacancy, said nominee having received the highest number of votes as indicated on the vote tabulation attached as Exhibit A,

NOW, THEREFORE, _____ is selected as the appointee to fill the vacancy in the Legislative Assembly, State Senate District 19;

This Statement shall promptly be forwarded to the Secretary of State as required by ORS 171.060(3).

Dear Commissioner Fischer: As PCPs we have had the opportunity to meet and hear all of the candidates running for appointment to District 19 Senate seat and rank them for submission to Commissioners for final selection.

Dennis and I are in agreement that Rob Wagner and Claudia Black are both highly qualified to be our next Senator. You will be participating in the final choice of the appointee. I personally would like to see another

woman to take the seat for the purpose of realigning the current ratio of men and women in the Oregon Senate. But on the other hand I would also be fully supportive of Rob Wagner as appointee.

Both candidates bring a wealth of experience in legislative and policy work while neither has held office other than Rob on the Lake Oswego School board. In both cases high energy and devotion to our state and its citizens quality of life drive their platform.

You have a tough decision in choosing which of these excellent candidates will serve but at the same time an enviable choice.

We look forward to hearing the outcome of the joint meeting of Commissioners on the 29th and a final choice of either Rob Wagner or Claudia Black.

Thank you for all you do in behalf of Clackamas County residents

Warm Personal Regards,
Charlotte and Dennis Duncan

Attention: Clackamas County Commissioners:

Jim Bernard, Sonya Fisher, Ken Humbertson, Martha Schrader

and Paul Savas:

I encourage you to appoint Claudia Black to succeed Richard Devlin and finish the remainder of his term in Senate District 19.

Claudia's extensive work experience, multiple connections in government and many important endorsements indicate to me that she can make a difference immediately in the 2018 short legislative session.

Her husband Carl Hosticka's experience as a former state representative will be helpful as well as she will have to run for reelection this year.

Ms. Black says "I am a persistent and tenacious person who will not give up until the job is done. I have spent my entire career working to improve the lives of Oregonians. I want to continue to put my energy and experience working on their behalf."

Thank you for considering Claudia Black for Senate District 19.

Greetings to Jim Bernard, Chair; Sonya Fisher, Ken Humbertson, Martha Schrader and Paul Savas,

I am a PCC from HD 37 and participated in the Convention. You folks have a tough job choosing between such well qualified candidates. I think Claudia Black is the best qualified candidate for this position. She has the inside knowledge (good and not so good) of the workings of the Senate and the skill to negotiate with challenging personalities. Although this may not be a factor you consider, she is at a time in her life (family grown) to devote herself to our best interests and it would make our choice reflect the value of gender equality.

Chair Bernard and Clackamas County Commissioners:

I am pleased to endorse Claudia Black for the appointment to State Senate District # 19.

I have known and worked with Claudia for over 20 years in several capacities, including her role as Public Affairs Director for the Oregon Department of Corrections, her role in Governor Kulongoski's office, and her current position as Director of Government Affairs for Multnomah County.

Claudia is a public servant dedicated to balanced, rational public policy. I have found Claudia to be a very good listener, and an excellent public policy thinker. She will bring this insight and balanced approach to the Oregon Senate if appointed to Senate District 19.

She is the right choice for the Senate District 19 appointment. I hope you will select Claudia Black to serve in the Oregon Senate, I believe she will serve the people of Clackamas County with dedication and excellence.

I recently heard that Claudia Black is running for the Senate vacancy in Dist 19. Since my retirement from the Senate a decade ago, I have been very quiet on public issues. Over the decades, I have realized that there are two kinds of candidates for office. One kind is where the candidate needs the office, and there is nothing wrong with that. I myself was such a candidate, as are a majority of office holders today.

But on rare occasions a candidate comes along where the **office needs the candidate!** Once in awhile, during some trying times someone who's already had a full and very productive career, either says "Ya know, I think I can help out here", or many people who know such a person, work to convince them to run. I'm guessing both things happened in this case. Claudia has nothing left to prove and it seems that she's enjoying retirement, but she has a wealth of experience and judgement... and the office of Senator, Dist 19 needs her!

I've known Claudia for over 25 years and her background gives me a real reason to write. In the early '90's She was a legislative aide for Sen Frank Roberts, my esteemed colleague. She developed a passion for child safety as you likely all know. But I watched her closely as she worked "her" children's Bicycle helmet bill. She was unstoppable! She was convincing. I'm convinced "her" bill has saved lives! I saw like talent in her approach to many issues!

You likely know the more recent parts of Claudia's story: numerous accomplishments in Clackamas Co., Multnomah Co., The Governor's office, human services offices, etc. Few have her gifts! She has the skill, knowledge and temperament for the job.

As you make your decision, I hope you will chose Claudia Black for an office that really needs her.
Feel free to call me if you have questions at 503-267-0302

Thank you for your time!

Dear Commissioner:

I am writing on behalf of the Oregon Trial Lawyers Association to register our support for Claudia Black and Rob Wagner for State Senate. As you can see from the two letters in the attachment, we feel they have different skill sets and approaches, both of which will serve our state well.

On a personal note, over my 18 years in Oregon politics, I have been through really difficult, high-stakes fights working alongside both Rob and Claudia. I have tremendous confidence in both of them to do a great job.

Regardless of how you decide, Oregonians in Senate District 19 will be represented by one of the most talented, energetic, and principled legislators in our state. We cannot wait to work with your selection in the February session and for many years to come. Thank you in advance for considering our thoughts. Thank you also for all you do for our communities. We feel completely blessed and fortunate that we do not have to be the ones making this difficult choice. Best of luck next week!!

Subject: candidates for SD19 appointment

Dear Commissioners,

As a precinct committee person, I had the honor of participating in the selection of a slate for the interim appointment to SD19 position vacated by Richard Devlin.

To be honest, I was pleased with every candidate that made it to the list, and think that each one of them would do a fine job.

In the first round I split my votes into 75-75 for Rob Wagner and Claudia Black, with 60 for Daphne Wysham. Since Rob was ahead, I was all in for Claudia, then all in for Daphne in the subsequent rounds.

This reflects my views still. Daphne was the strong favorite among progressives, of which I count myself as a member. Her environmental credentials are impeccable, she has a long career in policy, and has won drawn out battles with major institutions. The World Bank's recent withdrawal from fossil fuel investments is an outcome of her past efforts. In the Fall, there will be an election for the seat, and this is where my confidence in Daphne weakens. We don't know who she will have to go up against, and the candidate will have to connect with SD19 residents from a variety of backgrounds and levels of political awareness. That means the candidate must be able to communicate warmly and with broad appeal.

Once elected, he or she must be able to be influential in the legislature. That means raising key issues, proposing legislation, negotiating within our own party and across the aisle, and at the same time not caving to committee pressures when it isn't in the best interests of Oregon to let proposed legislation die without a vote.

The questions of electability and effectively navigating the legislature are why I favor both Rob Wagner and Claudia Black.

I have communicated extensively with both of them.

Rob visited with me at my house; we had an hour's conversation covering many topics; he took detailed notes and followed up with a communication tailored to our conversation. Rob is extremely personable, connects very well with whoever he is speaking to, listens, and is broadly knowledgeable. He has a sophisticated understanding of issues, experience in state politics, does the work required of a candidate in terms of door-to-door, and appears to leave no stone unturned. His energy is outstanding. He has committed to represent values

and issues I care about, and specifically said that he will not allow potential legislation to die in committee rather than be taken to a floor vote.

Claudia has made that same commitment. I was impressed with her roots in Central Oregon, her law enforcement background which will likely appeal to a broader base, and her experience working within the legislature to negotiate and make things happen. She also has strong environmental roots through her upbringing and family. I would certainly like to see more women in the Senate.

I think the choice between Rob and Claudia is a hard one. It depends on what the commissioners want from the candidate. If it is political longevity and personal charisma, Rob is the obvious choice. It is not hard to picture him as a US Senator in time.

If it is broad appeal to all types of constituents and proven ability to deal with legislators, then Claudia fits that profile. There is no doubt that she will work hard and build on her existing relationships to get legislation passed.

I realize this note may not make the choice easier, but I did want to share my assessments.

Dear Commissioner:

I am writing to express our support for Claudia Black for State Senator.

As you know, the Oregon Trial Lawyers Association represents more than 1,000 attorneys across the state who fight for underdogs. Our members represent workers who face on the job injury, discrimination, or whistleblower retaliation. We represent victims of severe injuries who cannot get their medical bills and lost wages paid by insurance companies who have collected their premiums for years. We help survivors of child abuse, elder abuse, and sex abuse get proper compensation from the predator for the lifelong trauma associated with abuse.

We feel strongly that Claudia Black will do tremendous work on behalf of ordinary Oregonians across the state.

Her varied background on issues ranging from health care to transportation to public safety will be very valuable in a Senate that too often seems replete with policy experts siloed in narrow issue areas.

Urban and suburban counties provide such a tremendous variety of services that having someone in the capitol with insight into county government will be invaluable.

Perhaps most importantly, Claudia is at a point in her career when she has less to fear from the political repercussions of difficult decisions. I have watched her navigate the trickiest of political waters with tremendous success. She will successfully and zealously advocate for the interests of her district and the needs of the state.

Salem is often gridlocked. Claudia has the trust and respect of many people in the building. She will have the gravitas to improve the quality of the Senate and to reduce the institutional dysfunction found on both sides of the aisle.

We recognize that you have a difficult decision to make. I know we do not make it any easier because we are recommending two of the three candidates before you. That said, we are thrilled to recommend Claudia Black to you for State Senator.

Sincerely,

Arthur Towers
Political Director

Hello commissioners,

I want to take time to reach out to you and express my support for these ladies. I know only one person can be chosen; I sincerely hope it's either Ms. Wysham or Ms. Black.

Both of these women have impressed me with the depth and breadth of their knowledge on the issues facing Oregon, each bringing their own unique perspective, thus making it difficult for me to choose to support one over the other. I can say that I feel strongly that either would be an excellent choice. I also feel strongly that we need more women in these positions, so I am urging you to consider choosing one of these extraordinarily qualified and strong women for the Senate District 19 position.

Subject: For All Commissioners - District 19 State Senator

January 24, 2018

Dear Commissioners -

I am writing to you today urge you to select Claudia Black as the new Oregon state senator for District 19.

I am a physician and a recently appointed precinct delegate for Washington county. It is imperative to me that we place more women into positions of power, both at the local and national level, and in every area of our society. Claudia Black has impressed me with her articulation and commitment to her district as well as her thought processes. It is clear that among the three candidates for district 19 senator, Claudia has the superior cognizant capability to listen effectively, evaluate needs and execute the wishes of her constituents. In addition, her views are the most mature and well-rounded of the three candidates selected.

It is worth pointing out that although a man was chosen first among the candidates, two out of the three women were chosen (from seven candidates in total). The two women combined represent over twice as many votes as the first candidate received, indicating that a female candidate has twice the amount of support.

As a physician and a delegate, my primary concern is protecting and improving health care for all Oregonians. Claudia Black is the best candidate to support this issue because the reasons listed above.

Thank you for your consideration, and please select Claudia Black for Oregon state senator in District 19.

Hello,

I am writing this in support of Claudia Black for the open Oregon Senate position (Devlin).

I have attended several all candidate forums and found Claudia was my top choice from amongst the candidates. I will also say that there were three candidates which were very close.

I very much liked Claudia's emphasis on cleaning up Salem and his repeated call for changing the culture in Salem to support a more effective government and helping to clean up the tax system and the environment.

I would be glad to support Claudia in any way in a general election and believe that she will do a great job in the Oregon Senate.

Thanks

Hello Commissioner Schrader,

The NW Oregon Labor Council Delegates voted unanimously to support Rob Wagner in the appointment process to replace Oregon Senator Richard Devlin, SD 19. After the vote Monday night by the Delegates I sent a recommendation of endorsement to the Oregon AFL-CIO which will be acted on Monday, December 4th at our Executive Committee and Committee on Political Education (COPE) meetings, where I expect he will also be endorsed by the Affiliates of the Oregon AFL-CIO.

We would really appreciate vote for Rob Wagner when the opportunity to vote for a replacement of the Senate District 19 seat comes up.

Thank you in advance,

Bob

Dear Commission Chair Bernard,

On behalf of the 300,000 working Oregonians represented by the Oregon AFL-CIO I am writing to recommend the appointment of Mr. Rob Wagner for Oregon State Senate District 19. Our membership includes workers from every facet of Oregon's workforce and every part of our state: from grocery clerks and steelworkers to nurses, corrections officers and teachers. Our endorsement process reflects the wide range of interests of our membership and of our affiliated unions.

On Monday, December 4, the Oregon AFL-CIO's Committee on Political Education (COPE) approved the endorsement of Mr. Wagner for Oregon State Senate District 19 by a strong majority vote of affiliated unions present. The vote follows a review of Mr. Wagner's completed legislative candidate questionnaire which we found to be exemplary of our organization's values.

Mr. Wagner has a strong history of advocating for working people, especially within our educational system. His priorities, values and experience make him an ideal candidate for our legislature; he understands the struggles working Oregonians face and possesses the skills to find policy solutions which will benefit our state's workforce and in turn, our communities. That is why we are proud to both endorse and recommend him to the Clackamas, Multnomah, and Washington County Commissions for appointment to State Senate District 19.

Please take our endorsement and recommendation of Mr. Wagner into consideration in your appointment process for State Senate District 19.

Sincerely,

Tom Chamberlain

Dear Commissioner Fischer: As PCPs we have had the opportunity to meet and hear all of the candidates running for appointment to District 19 Senate seat and rank them for submission to Commissioners for final selection.

Dennis and I are in agreement that Rob Wagner and Claudia Black are both highly qualified to be our next Senator. You will be participating in the final choice of the appointee. I personally would like to see another

woman to take the seat for the purpose of realigning the current ratio of men and women in the Oregon Senate. But on the other hand I would also be fully supportive of Rob Wagner as appointee.

Both candidates bring a wealth of experience in legislative and policy work while neither has held office other than Rob on the Lake Oswego School board. In both cases high energy and devotion to our state and its citizens quality of life drive their platform.

You have a tough decision in choosing which of these excellent candidates will serve but at the same time an enviable choice.

We look forward to hearing the outcome of the joint meeting of Commissioners on the 29th and a final choice of either Rob Wagner or Claudia Black.

Thank you for all you do in behalf of Clackamas County residents

Warm Personal Regards,
Charlotte and Dennis Duncan

RE: Appointment of Rob Wagner in Senate District 19

Dear Commissioners,

As one of the largest affiliates of the Oregon AFL-CIO, AFT-Oregon represents approximately 15,000 education professionals from Pre-K through post-secondary. Hundreds of AFT-Oregon members live in Lake Oswego, West Linn, Tualatin, and Southwest Portland – and thousands more live in the combined area of Clackamas, Washington, and Multnomah Counties. In the appointment process for Senate District 19, our members have spoken loud and clear: **Rob Wagner is the best person for the job.**

AFT-Oregon was the first labor organization to endorse Rob because he has been on the front-lines fighting for education funding and student supports for nearly two decades. In his time advocating on behalf of AFT-Oregon members, Rob helped pass legislation in Salem to improve working conditions for part-time faculty and K-12 classified employees, increase funding for K-12 and higher education, and provide tuition-free community college.

Like our members, Rob is also passionate about health care. He knows we can't stop fighting until all Oregonians have universal, affordable access to quality health care, including mental health care, substance abuse treatment, and reproductive health care.

Last, but not least, Rob is also an outspoken advocate for racial, gender, and economic justice. Rob got his start in advocacy as a neighbor-to-neighbor organizer taking on Lon Mabon and his attacks on the LGBTQ community. In a time when our DREAMER students have been under attack, Rob has been a leader in finding resources and supports for our DACA students. He wants to develop more policies to support diversity, equity, and inclusion in Oregon. And Rob also believes that we must work to end sexual violence and support survivors.

Rob has been a champion for education, health care, and equality his entire career. We are confident that he will take his experience, passion, and knowledge to the State Senate and improve the lives of families across Oregon. We strongly hope you will appoint him to Senate District 19.

Sincerely,

Marcus Swift

Commissioner X/ County Commissioners,

After careful consideration, the Oregon Nurses Association (ONA) has endorsed Rob Wagner to fill Senator Richard Devlin's Oregon Senate seat, and we respectfully encourage you to appoint him to represent Senate District 19.

ONA represents nearly 15,000 Oregon nurses in a variety of settings, including large hospitals, small local clinics, corrections, school-based health centers, and community-based public health. As both a professional association and labor union, ONA works to advocate for nurses and to promote quality health care for all Oregonians.

ONA conducted a thorough interview process with five of the candidates seeking appointment to the Senate seat and spoke with several ONA nurses who live in district 19. As a result of these discussions, ONA nurse leaders made the decision to support Rob. We believe he will be a staunch advocate for Oregon's working families and a champion for nurses on issues affecting hospital care, advanced nursing practice and public health, where ONA nurses work directly with some of Oregon's most vulnerable populations.

Throughout his experience as a labor and education advocate, Rob has been an unequivocal, progressive voice for working families and underserved communities in our state. Rob has clearly communicated he will continue to lead and support policies that make our communities healthier: including helping ensure access to paid leave, investing in public education, and expanding access to affordable health care. Oregon's nurses fight for these issues because we understand that health outcomes are influenced by much more than what occurs in a clinical setting.

Rob will fight to protect nurses and advocate on the issues that will improve the lives of our members and the health of our communities; from expanding access to care by ensuring payment parity for advanced practice nurses, to improving patients' quality of care by protecting health care workers' rest breaks, and reducing the growing threat of violence in health care settings.

Senator Devlin has left a remarkable legacy of integrity and success during his time serving his constituents. We believe Rob Wagner is the candidate best-suited to take up this mantle and continue to advance a progressive vision for Oregon.

We hope you will take our recommendation into consideration and appoint Rob Wagner as state senator for Oregon Senate District 19.

Sincerely,

Re: OSEA Endorsement

Dear Rob,

It gives me great pleasure to inform you that the Oregon School Employees Association (OSEA) Board of Directors on Nov. 4, 2017, endorsed your candidacy for the Senate District (SD) 19 appointment.

The citizens of SD 19 deserve to have a vigorous advocate that will be a champion for those issues and concerns that matter most to its residents.

OSEA believes that Oregon needs legislators that will work hard and be strong advocates for education funding, clean air and water, transportation, and keeping Oregon great place to live and raise children.

For those reasons and many more, OSEA supports your appointment to serve as SD 19 State Senator.

Sincerely,

Tim Stoelb, State President

Dear Mr. Wagner,

The Oregon Building Trades Council (OBTC) represents more than 30,000 Oregonians and their families. On behalf of these skilled tradesmen and tradeswomen, I would like to congratulate you on receiving OBTC's endorsement for appointment to Oregon Senate District 19.

Your career has demonstrated a commitment to organized labor. As a 10-year member and former political director of Local 3809 of the American Federation of Teachers, you were a dedicated advocate for Oregon workers. Furthermore, your support for publicly-financed infrastructure projects shows you are willing to stand with workers on the important issues facing our state. We hope to partner with you to expand Oregon's prevailing wage laws and project labor agreements for public works.

Thank you again for your willingness to serve Oregon and address its many challenges. As issues arise that concern the construction industry in Oregon, please do not hesitate to contact either Ryan Tribbett (503-851-1783) or myself (503-847-6377). We look forward to working with you as you serve the people of Oregon.

Letter of support for Rob Wagner, candidate for Oregon Senate District 19

By Portland Community College Federation of Faculty and Academic Professionals (PCCFFAP),
local 2277, American Federation of Teachers.

Rob Wagner has spent more than 20 years working in progressive politics, especially in Oregon for Oregonians. Rob had a great impact representing AFT-Oregon in the Capitol as the Director of Political and Legislative Affairs for 10 years. In that work, he worked to protect collective bargaining rights for faculty, academic professionals, and classified employees. He also helped in the work to raise the minimum wage, to take on Bill Sizemore and his attacks on public employees, for tax fairness, and to expand access to affordable health care. Rob was the point person in the FACE (Faculty And College Excellence) campaign, working to gain equitable pay and assignment rights for adjunct/part-time faculty. His working knowledge of the State Government procedures and people was, and is, invaluable.

At Portland Community College, most of Rob's work was focused on the PCC Foundation - raising scholarship money for students. One of his many accomplishments was partnering with the student group to start the PCC Legislative Internship Program.

Without hesitation, our local strongly recommends Rob Wagner for Senator.

Regards,

Frank Goulard, Portland Community College Mathematics Faculty
President, PCCFFAP

To whom it may concern:

PCCFCE is a union of classified employees consisting of the personnel that keeps the college running! Nearly 800 professionals, from food service personnel to administrative assistants, public safety officers to groundskeepers, custodial staff to computer technicians, class, faculty, and room schedulers are all part of this collective unit. The diversity of the classified employee group mirrors that of our district and the many communities within it.

Rob Wagner has been a force for good at Portland Community College, as he is wherever he goes.

PCC Federation of Classified Employees was proud to endorse Rob in his recent campaign for School Board, and we are 100% behind him to fill the vacancy in Senate District 19.

Whether standing up for worker's rights, Equity & Inclusion, education/student policy or the next step beyond - workforce & jobs, Rob has the best interests of the people in mind.

Rob has an important ability to bring people together, to ask the right questions and listen to all sides and collaborate to find the solutions which work best for everyone.

Sincerely,

Jeff Grider

President of PCCFCE 3922

Dear County Commissioners,

The United Food and Commercial Workers Union Local 555 represents over 24,000 workers in Oregon and Southwestern Washington. Our membership is comprised of workers in retail, manufacturing, health care, and many other industries. We are a diverse group of workers that have grown into being the largest private sector labor union in Oregon.

UFCW Local 555 is endorsing Rob Wagner to replace Senator Richard Devlin in Senate District 19. Rob Wagner has a history of supporting working families in Oregon. He understands the relationship between education, fair workplace laws and support for working families. As an elected school board member, Rob's has deep connections to his community and his demonstrated leadership in the Oregon legislature make him the best choice in this replacement.

We ask for your support of Rob Wagner for State Senate.

Sincerely,

Kevin Billman

Congresswoman Darlene Hooley:

*"I am so proud to support **Rob Wagner for State Senate**. He's the progressive voice we need."*

I am so proud to support Rob Wagner for State Senate District 19 in Southwest Portland, Lake Oswego, West Linn, and Tualatin.

As an education advocate and school board member, Rob Wagner has dedicated his life to children. He supports providing access to a high quality education to children of all ages, as well as workforce training opportunities, and providing hands up for families in poverty.

Rob has been on the front lines fixing Oregon's broken tax system, and supports universal access to quality health care.

Rob is the progressive voice and the change we need in the state legislature.

Rob Wagner is my choice to replace State Senator Richard Devlin.

Darlene

January 15, 2018

Dear Commissioners,

I encourage you to appoint Rob Wagner to the vacated State Senate seat in Clackamas, Multnomah, and Washington Counties.

I represented a portion of Senate District 19 as a State Representative years ago; and for a biennium, Rob served as my primary legislative aide during the legislative session and oversaw my campaign. Rob assisted me at a time when Salem was even further divided than today—the “ungovernable” years, as suitably described by Governor Kitzhaber. During this time, Rob maintained a remarkable level of optimism and good humor. I was grateful for his daily presence as the state continued its march to undermine public education. I have enjoyed following Rob's career, where at every stage he proves his worth and continues to inspire confidence with the people he is around.

When faced with other capable applicants for this position, I imagine making a decision is not simple. As you consider Rob, I suggest weighing the value of a handful of important qualities that might distinguish Rob from the crowd;

1. Generational perspective. Salem desperately needs younger people. The Oregon Senate is filled with seasoned veterans of the legislative process. Rob would bring fresh perspective as a parent to four children who are in the public school system, and he is tuned into all of the dramatic changes and approaches that younger people—Millenials and Generation Xers—take in modern society. If you share a goal of attracting younger citizens to engage with the state's legislative and civic processes, i know few other people who would be better able to make the work of Salem relevant to younger generations.

2. District knowledge and alignment with priorities. As a lifelong resident of his Senate District 19, Rob brings keen perspective to the issues of the day and how priorities have evolved over the years. His constituents prioritize both education and environmental quality, and these issues are in Rob's blood. As a Lake Oswego High School and PSU alum, as well as an Associate Vice President at Portland Community College and more recently, a Lake Oswego School Board member, there is no doubt that he will be in the trenches on the array of challenges facing our long-aggrieved public education system. And on the environment, Rob has a passion for our parks and will work to protect Oregon's natural resources.

3. Positive personality. While it is tempting to focus solely on one's resume, in the affairs of politics, personality matters. And in Rob's case, his gregarious, positive approach in life—that, too, seems in his blood—will stead him well in the Senate. He finds the best in people. He can laugh at situations and help others do the same, which sometimes helps people gain proper perspective to move forward. In a building where building relationships across ideologies and

geographies is essential, I am confident Rob will be the Metro-area guy people like working with.

Lastly, Rob will bring humility to his work. While he is younger than most current Senators, he is old enough to have had setbacks, licked some wounds, and marched forward. And having worked in Salem, he surely knows how ego excess have doomed countless people in authority positions. Rob knows his weaknesses, and there is an entire community of longtime friends in his district who will come a callin' should any chinks develop in his humility armor.

Rob is ready and will empower the citizens of Southwest Portland, Lake Oswego, Tualatin, and West Linn mightily.

Sincerely,
Chris Beck, Former State Representative

Dear Washington County Commissioners,

I am pleased to write this letter of support for Mr. Rob Wagner. My name is Joseph Gallegos. My address is 2082 NE Sundown Ct., Hillsboro, Oregon, 97124 in Washington County. I presently serve the state as a commissioner on the Oregon Commission on Hispanic Affairs. I am a small business owner doing business as a consultant in my own firm, Western Research Associates, providing social research and program development services.

To understand my qualifications to evaluate Rob Wagner, I will present my background. I am a former state representative (HD-30 Hillsboro) and served two terms in the state legislature (2013-2016). As an academic in higher education, a teacher, researcher, and administrator, I studied and published in areas of diversity, aging, education, and mental health issues. While in the State legislature, I was Vice-Chair of the House Committee on Higher Education. Significant legislation passed by my office while I was in Salem; the legislation included bills related to cultural competence in higher education and in K-12 schools. Additionally, my office successfully passed a bill to assess English Language Learner (ELL) programs in the state. Mr. Wagner was particularly helpful to my office in the passing of legislation to support low-income and first-generation community-college students who would be served by the "Aspirations to College" bills.

I am supporting Rob because I believe he is the best candidate for the role of Senator for the state of Oregon. Rob understands the critical role that education plays in all aspects of the success and wellbeing of our communities. Rob realizes that we must have a healthy citizenry to have a productive workforce and economy. He knows that education and training are the paths out of poverty for individuals and the gateway to economic growth for our communities. Finally, he is quite competent in his knowledge and skills regarding the legislative process.

Please support Rob Wagner for State Senate.

Respectfully,

Joseph Gallegos

Andrea Salinas -

Dear Friends and Neighbors,

I want to say thank you for all your support. I am honored to be serving as the State Representative for House District 38 in Southwest Portland and Lake Oswego. I am passionate about the future of our region including universal access to health care, fighting for the environment, expanding reproductive health care and equity in our schools.

I'm reaching out today to share the reasons for my endorsement of Rob Wagner to the Oregon State Senate.

In my experience in the Oregon legislature, it's about both the head and the heart. Rob Wagner has the experience we need to lead, and the energy and progressive values to address needed change in the Oregon State Senate. I'm supporting Rob because he shares our community's values and would do an outstanding job of serving to bring those progressive values to the Oregon State Senate.

With deep roots in our community, Rob has nearly 20 years of experience working side-by-side our public school janitors, secretaries and support staff to improve education for our kids and improve workplace conditions for our valued public employees. Rob has an intimate knowledge of the state budget in Pre-K through post-secondary education (?) and will fight to bring solutions to an education funding shortfall in Oregon.

I worked directly with Rob and then State Senator Suzanne Bonamici on crafting legislation to stop the use of toxic pesticides around schools. I've worked directly with Rob on legislation and ballot measures that would require corporations to pay their fair share of taxes. I've worked directly with Rob on advocacy around pay equity legislation and reproductive health. Rob knows how to get things done and he does it with a great mind and a sincere heart.

I hope you will join me in supporting Rob Wagner at the Precinct Committee Convention.

January 15, 2018

Dear County Commissioners,

I first met Rob years ago when I was a Hillsboro public school principal and serving on the Hillsboro City Council. We met at a STEM workshop and it was there I learned of our shared commitment to public service and shared passion for educational opportunities for students.

As the current Mayor of Hillsboro, I've heard employers say we need skilled and qualified workers. Rob knows this and understands the needs of the region. He has relationships with employers, private sector support, and is helping to meet the needs of workforce development for the entire region. Rob has an uncanny ability to bring partners together to fund job training. His style will serve him well in Salem because collaboration and relationships are the best way to serve constituents and work across the aisle.

As a Lake Oswego School Board member he understands the importance of being a careful and wise decision maker with budgets and public funds. With his higher education background Rob understands the needs of local community.

While only a relatively small portion of Washington County is in the Senate District his integrity, experience and background will serve his entire District well.

Please join me in supporting Rob Wagner!

Sincerely,

Letter from John Wallin, Chair, Lake Oswego School Board

November 14, 2017

Dear Neighbors,

I want to ask you in joining me in supporting Rob Wagner for State Senate in District 19.

As the current Chair of the Lake Oswego School Board, I've seen Rob hit the ground running with his school board service. Rob led the charge in ensuring that the very first item on our three-year strategic plan was diversity, equity and inclusion, as well as access for all children to higher education and workforce training opportunities.

Rob Wagner came through our local public schools and has been an active volunteer in our community for years. He served on a Lake Oswego Citizen's Advisory Committee, the Lake Oswego Schools Foundation board, and on the School Advisory Committee for Forest Hills Elementary School. Rob has led statewide coalitions in support of civic education, and through his work at PCC, has a deep knowledge of programs around career technical education.

Rob doesn't just talk, he rolls up his sleeves and leads. He is always available to the community, which I know will not change if he is appointed to the State Senate.

I have heard concerns that Rob would not be able to adequately serve on our school board and be effective in the legislature. Working on a volunteer board and the legislature is certainly well within Rob's capabilities, and I know that all five board members believe having Rob in the Senate would be an incredible benefit to the children of our district. In addition, I think the Senate would benefit strongly from hearing from the boots on the ground as critical issues around schools and school funding must be decided by our legislature.

I hope you will join me and the many voices of school board members, teachers, and parents in supporting Rob Wagner as the education champion for Senate District 19.

Sincerely,

John Wallin
Chair, Lake Oswego School Board

David Williams
Lake Oswego Resident, PCP-HD38

"Let me tell you why I think Rob Wagner is the best choice to represent our community in the Oregon State Senate. Rob is a good friend of mine that I have had the privilege to know personally and professionally for the past 15+ years. I have spent my adult working life as an advocate for public education in Oregon. I have dedicated my career to advancing the cause of public education as a way of making life better for all Oregonians and Rob has been in the fight with me every step of the way.

Residents of Senate District 19 live in our community for a variety of reasons, but consistently one of the most important is the top quality education that our families have access to and as such we know the value of this work. Oregon is at a crossroads with public education, we have a chance to change the conversation and take a bold step toward making our education system statewide one of the best in the country and Rob's experience and passion will be central any success.

As an education advocate for K-12 education and now higher education Rob's professional experience will be critical to his work representing us in the legislature. But Rob's personal experience as a father of 4 and member of the Lake Oswego School Board is even more critical to that work. Most state legislators don't see the final impact of their actions, not so with Rob, he will live the impact of his decisions.

Some have asked if there is a conflict in serving on both the school board and the legislature, I argue it should be a requirement. The largest portion of the state budget is the State School Fund (primary funding for K-12 school) and Rob's first hand knowledge as a school board member will make him the very best advocate we could ask for.

This wonderful mix of professional and personal experience will make him a go-to legislator on education (preK through higher education) and one that will truly represent the vital interests of Senate District 19."

November 16, 2017

Dear Neighbors,

I am proud to support Rob Wagner for Senate District 19. I met Rob as a Lake Oswego School Board candidate and was immediately impressed with his true passion and deep commitment to reproductive health education and access for all students. In that race, he sought out the endorsement of NARAL Pro-Choice Oregon as a way to uplift the importance of healthcare access and comprehensive sexuality education in his campaign, and has proven to be a strong leader on these issues in his role as a School Board member.

Rob is someone who is constantly coming up with innovative ideas about how to promote equity and strengthen the communities that he serves and is a part of. Rarely have I met someone with such a strong commitment to public service, who leads with his values and acts as an ally and champion for those most in need of a voice in public policy decisions. As Senator, I know that Rob will bring his same dedication, tireless work ethic, and desire to represent what is best about Oregon to his office.

I am pleased to call Rob my friend as well as a true champion for women's health and abortion rights. I look forward to working with him in his new role in the state Senate and hope you will join me in supporting his appointment to this esteemed office.

I am pleased to offer my strong endorsement of Rob Wagner for State Senate District 19.

Sincerely,
Grayson Dempsey

Dear Commissioners,

I am writing to express my strong support for Rob Wagner for appointment to Senate District 19.

I have lived in this district since 2008. As a co-founder of LO for LOve, a grassroots community group promoting diversity, inclusion, and equity in Lake Oswego, I have gotten to know Rob over the past year. Hearing the passion in his voice when he spoke in unwavering terms about racial justice as a core personal value - and about his desire to affect positive change in this arena - actually brought a tear to my eye the first time I met him. I've since watched him work to advance this cause at every opportunity. He has offered invaluable insights as we developed strategy. He and his family walked behind our diversity banner at the LO 4th of July Parade. He has been a strong voice for equity on the LOSD School Board. Most notably, he successfully championed having diversity and inclusion named as the number one goal in the current strategic plan. This was no small feat given the word diversity was completely absent from the previous strategic plan.

Rob brings a deep passion for a progressive agenda. He brings a lifetime of experience in the political realm. What sets Rob apart is his ability to collaborate, to influence, and to truly lead. To inspire. I would be honored to have Rob Wagner representing me and our district in the Oregon legislature, and am pleased to whole-heartedly endorse his appointment.

Sincerely,

Dear Commissioners,

My name is Andrew Davidson, and I am writing to support my friend Rob Wagner as the next state senator in District 19. I got to know Rob through our advocacy for Oregon's kids, where he proved to be a steadfast advocate for those who are unable to advocate for themselves. For the nearly the last 150 years, my family have called Portland home - I take our representation very seriously. To me, Rob represents what I want in a legislator - someone who has proved himself in our community to be someone who fights tirelessly for what's right. He was recently selected as the first choice for SD 19 by myself and over a hundred of my neighbors from across three counties. That vote says what everyone who knows Rob knows: we NEED him in Salem. We need someone who knows and cares about our community. We need someone with the energy and knowledge to get things done in Salem on behalf of our most at-risk neighbors. We need Rob Wagner, and we need you to support him with us.

Thank you,

Andrew Davidson, PCP

To: Clackamas County Commissioners
Multnomah County Commissioners
Washington County Commissioners

I am writing to you in support of Rob Wagner for appointment to the Senate District 19 seat being vacated by Richard Devlin. As a 28-year resident of Clackamas County and a life-long political activist, I am extremely pleased to see a candidate come forward with the energy, experience, compassion and dedication that Rob brings to the political arena. Rob has been an advocate for working families, children and women throughout his career. With experience in both education and government, Rob is uniquely qualified to address the funding challenges that the Oregon legislature will face in the coming years while also working hard to protect and improve the public services that so many Oregonians rely on.

I hope you will take into account the great enthusiasm for Rob's candidacy that was evidenced at the Nominating Convention held on January 6th. That Rob was the clear first choice of the majority of precinct committee persons demonstrates the strong support and connections that he has worked to create in the community and his commitment to serving the public good.

Thank you for your consideration.

Dear Commissioners,

As a Democratic Party Precinct Committee Person (PCP) living in Senate District 19, I chose Rob Wagner as my #1 choice on the list put forward for your consideration for the following reasons:

1. I am a disabled community activist who cares deeply about disability being understood as a minority group that should be included in all conversations about diversity, equity, and inclusion. Rob's views align with this viewpoint. His commitment to education, equal access to the built environment, and health care for all will have a positive impact on all Oregonians with disabilities.
2. Rob is the only candidate who asserts the importance of labor being involved in discussions about environmental issues, and that we should encourage a coalition to advocate for green jobs. He understands the needs of labor are not necessarily in conflict with environmental concerns, and he could help bring all parties together for the common good.
3. Rob is an excellent listener. This is a critical trait in an elected official.
4. Overall, Rob has the most well-rounded background and knowledge about a variety of policy issues important to the future of Oregon.
5. Rob was overwhelmingly voted #1 at the December 6th Democratic Convention, and it would behoove the Commission to honor the wishes of the PCPs.

Again, I urge the Commission to appoint Rob Wagner for State Senate District 19. Thank you.

Letter from Betty Reynolds, West Linn-Wilsonville School Board

November 8, 2017

Dear Neighbors,

I wanted to let you know why I'm supporting Rob Wagner for State Senate in District 19.

I have had the opportunity to serve for 6 years on the West Linn-Wilsonville School District Board of Directors, I have been active with the statewide Oregon PTA, I currently serve as President of the Oregon School Boards Association. Rob Wagner is the education champion our children need at this time.

I have had the opportunity to watch Rob's passion for children in practice. He has been an advocate and ally for early childhood, K-12 and higher education and he will make supporting our children the number one focus of his legislative service. Rob Wagner's knowledge of higher education policy is unmatched in this race, and he has an established record of leadership on advocating for education budgets.

Some have asked me, "how can you serve on a school board and still be in the legislature?" Well, Oregon's School Boards are 100% volunteer, and unlike city council since there is no compensation it's not a job. Oregon has a strong history of supporting school board member volunteers who served in other civic rolls including Earl Blumenauer, Barbara Roberts, and currently Rep. Diego Hernandez and Rep. Carla Piluso.

Personally, I feel it would be exceptional to have a State Senator from our area who understand the challenges our schools face and could help advocate directly for the students in our districts.

I hope you will join the many voices of school board members, teachers, and parents in supporting Rob Wagner as the education champion for Senate District 19.

Your truly,

January 13, 2018

To whom it may concern:

I'm proud to endorse Rob Wagner for appointment to Oregon Senate District 19. I serve with Rob on the Lake Oswego School Board and feel confident he has the temperament and skills we need in the Oregon Senate.

My wife and I own a chain of service stations in Oregon and I believe Rob's career dedicated to education will be a very valuable asset. I understand first hand the importance of education and especially career technical training. Rob's time at Portland Community College will be a big asset as our State develops programs to promote education for everyone especially the underserved.

I'm a lifelong republican and am sure I won't agree with every position Rob takes but I do believe he will listen and be thoughtful and represent all voices in District 19. I have seen him successfully forge compromise on very difficult issues within our District. I think those skills are sorely needed at the State level and Rob has that ability and capacity to bring us together.

Sincerely

To Whom it May Concern:

The Northwest Oregon Labor Council, AFL-CIO is proud to support Rob Wagner for the appointment to the Oregon Senate District 19 seat. The Northwest Oregon Labor Council is the largest Labor Council in the state representing approximately 50,000 members in Clackamas, Multnomah, Washington and Columbia Counties.

We believe Rob can hit the ground running and will earn the support needed to keep the seat in the general election. He is the right person to replace a champion like Senator Devlin and be an effective legislator for years to come.

We are proud to offer our endorsement to Rob Wagner for Oregon Senate District 19.

Dear Commissioners -

I am writing to support Rob Wagner for appointment to Senate District 19. I live and work in Lake Oswego and have 3 children who all attend Lake Oswego public schools.

I've known Rob for several years – we have children in the same schools. Although I have not worked with Rob, I have observed him in his new role on the Lake Oswego School Board. At times, school board meetings can be a place of contentious verbal combat. I've been impressed with Rob's ability to sincerely listen to parents and community members, and to strategically assist in devising an outcome that both sides can agree upon. I appreciate Rob's dedication to current affairs and his willingness to publicly announce his desire to devote himself to helping others. He is a role model to his children, my children, and to the people of our community.

I support Rob Wagner for appointment to Senate District 19 and I hope you will, too.

Thank you for your consideration.

Dear Commissioners Bernard, Schrader, Savas, and Fisher:

I am respectfully asking for your vote for Rob Wagner as the next Oregon Senator for District 19 on January 29th.

As a small business owner in the technology industry I'm always mindful that public access to quality education is critical to staffing an industry which provides high wage jobs with excellent benefits.

As an advocate for both business and women's rights, equal pay and reproductive health is crucial to a healthy and happy workforce. These are some of the reasons I support Rob Wagner for SD 19.

Rob is school board member in Lake Oswego and an education advocate. He has always advocated for equal access to education and has repeatedly demonstrated his dedication to his community. Rob has been deeply involved in policy and legislation on the use of toxic pesticides around schools. He worked on the ballot measure to require that large corporations pay their fair share. Rob also supported legislation for pay equity and for women to have access to reproductive health.

Rob has demonstrated his commitment and his skills in public service for years and would be an excellent replacement for Senator Richard Devlin.

Thank you for your time and consideration!

Dear Commissioners,

I am a District 38 PCP and attended the convention on January 6th to select a ranked slate of candidates for the appointment to Richard Devlin's seat in the Oregon Senate.

There were 7 candidates, 6 of whom I deemed were qualified. The candidates needed 20,425 (50% plus 1) votes to win the majority. That is a heavy lift in a room full of PCPs from all 3 counties.

BALLOT 1 POSITION 1

ROB WAGNER 15,598

Claudia Black 7586

Greg Macpherson 7142

Daphne Wysham 6887

BALLOT 3 POSITION 1

ROB WAGNER 22835

Claudia Black 11009

Greg Macpherson 6783

As is evident, Rob had over **TWICE** as many votes from the PCPs from the first ballot to the third. Really, Rob Wagner got quite an impressive tally and show of support right from the start of voting. Rob went on to win the first position with over 56% of the votes, beating out other good candidates including Greg Macpherson a gentleman who once held a seat in the Oregon Senate.

The commissioners should ratify such a clear decision made by PCPs from all 3 counties and select Rob Wagner for the Senate seat.

Respectfully,

Colleen Northup

Dear Commissioners,

As a Precinct 19 Committee Person I am writing to support Rob Wagner for appointment to Senate District 19. I am a Lake Oswego resident and became acquainted with Rob when he was campaigning for the Lake Oswego School Board. As a retired elementary school teacher it was very important to me that someone be elected to the board with a wide range of knowledge and experience as well as having fresh energy and passion. I was very pleased that his campaign was successful. He is an excellent and much needed addition to the board.

As a Precinct 19 Committee Person I was able to attend the recent convention and chose Rob as my first choice. This choice was based partially on the reasons stated above concerning education. In addition, my decision to support Rob was based on several conversations I had with him in the weeks before the convention. I also reviewed more extensively his background beyond education and learned about his record of service in a variety of areas which I feel are important for a state senator to possess. He has clear progressive ideas, a record of service, and extensive experience in several areas which provide him with the knowledge and experience required for the senate position. His energy, passion and broad understanding of important issues facing our state in education, health care, revenue and tax reform, civil rights, equity, the environment, and affordable housing are very evident when listening to him share his ideas in a one-on-one situation as well as in front of a large group. These are all very important issues for me personally!

Rob's ability to communicate and connect with people will be very important in bringing the members of the senate together to work on important issues for our state. I strongly encourage the commissioners to follow the recommendation they have received from the Precinct Committee People from Multnomah, Washington, and Clackamas Counties by appointing our number one candidate, Rob Wagner, to the vacancy in House Senate District 19.

Best Regards,

Connie Bettencourt

Dear Commissioners:

I write in support of Rob Wagner for appointment to the Senate District 19 seat. Rob is an outstanding candidate who deserves your confirmation.

I am a former high school and middle school classroom instructor and counselor. I retired from Portland Public Schools as an elementary principal. I have lived in Clackamas County since 1979 and have a vested interest in the progress and development of strong county and state governments. I work to encourage all citizens to vote in all elections.

Because of my involvement with local and state issues, I can personally and highly recommend Rob Wagner for this Senate position. Rob has deep roots in the District where he currently lives with his wife and family. He promotes progressive ideas, listens intently and knows how to negotiate the political process. He has a demonstrated ability to make connections, to propose legislation that benefits all Oregonians and to commit to the work necessary for those proposals to become law.

I urge you to select Rob Wagner for this important position. He will serve District 19 well.

Sincerely,

Dear County Commissioners –

I participated in the voting for the Democratic Party PCPs to select the three candidates to send on for consideration for Senate District 19 to replace Richard Devlin. As you know Rob Wagner was the top vote getter and this followed a presentation by the candidates and a question and answer session where Rob showed a thoughtful, passionate and eminently reasonable grasp of the issues and a way forward without alienation of opponents but by working with them.

So I request that the results of this large convention be respected and I am sure that you will have the same impression of Rob as a worthy and strong replacement for Senator Devlin who represented us so well over the many years he acted as an accessible and budget-smart leader in the Senate.

Please appoint Rob Wagner as our State Senator for SD19. He will no doubt provide us with excellent leadership and diligence.

Dear Commissioners -

I'm writing to support Rob Wagner for appointment to the Oregon Senate District 19.

I have lived in Portland most of my adult life and currently work as a training developer at Portland Community College. I'm also a Vice President on the Executive Council of our Federation of Classified Employees and an ardent supporter of progressive, democratic processes.

I believe that Rob's experience, dedication and verve is much needed in the Oregon State Senate. His initiatives on education, affordable housing, healthcare, jobs and working families, equity and inclusion, environment and clean energy, revenue and tax reform align with mine and many others in our community! He would do an outstanding job of serving to advance these progressive values in our state government.

I'm asking you to appoint Rob as our new Senator to District 19 and also grateful for all your service to our citizenry.

Dear Commissioners,

I'm writing to support Rob Wagner who is seeking an appointment to the State Senate District 19. As a Sales Manager for Clif Bar & Co, and mother of two children in the Lake Oswego School District, I fully support Rob and believe he will do an outstanding job representing our district.

I support Rob because he values diversity, inclusion, and I believe his experience will make him very effective and successful as our State Senator. Rob is honest and really cares about the people in our community.

We would be lucky to have Rob as our representative.

Dear Commissioners,

I'm writing to support Rob Wagner for appointment to Senate District 19.

I have known Rob since our family moved to Lake Oswego 5 years ago. His wife, Laurie, was one of the first people I met in town and their family welcomed us with open arms. Our children are same ages and are in school together.

When our family first arrived in Lake Oswego it was my mission to get to know the parents of my children's new friends as well as become involved in their educational institutions and athletic groups. Currently I sit on the Lake Oswego Junior High parent club as Treasurer and was Treasurer of our elementary PTA as well. Both my children are athletically active and I have served as team parent for a few teams. I have found that our athletic programs, local businesses, and school system are all supportive of each other. It's a gift to live in a town that is so cohesive with support. But with that great support comes many voices. And because there are many differing voices it has been very important that our town council members and school board members represent a fair spread of our communal interests.

Recently there was some community expression of a school program that many thought was not the right time to implement. Rob, being a member of the LOSD School Board, played a large roll in listening to many points of view and letting the community know they were being heard. He reacts fairly and with a level head. I know Rob has vast experience in politics at the college level at Portland Community College and knows many people in Oregon government. But to watch him in a more local setting and see how he worked really boosted my trust in Rob's ability to take the next step in his political interests. Rob's ability to be proactive for the greater cause has been admirable. I look forward to seeing what he can do at the State level.

I write this letter to ask for your support in appointing Rob Wagner for Senate District 19.

Sincerely,

Re: Endorsement of Rob Wagner for State Senate

Dear County Commissioners,

It has been my pleasure, while serving as a board member of the PCC Foundation, to have worked with Rob Wagner, the Associate Vice President for Advancement, over the past 5 and a half years.

Rob has impressed me as a capable, thoughtful, and passionate leader in higher education and improving the quality of life in our community. His energy on any subject is contagious and always moves the group in a positive direction.

I think Rob would be an excellent State Senator and represent the citizens of our communities with integrity and a commitment to making Oregon all it can be.

By way of my background for those who don't know me, I am retired after 22 years as the president & CEO of Tuality Healthcare. I am presently serving on various community boards, including: Vision Action Network of Washington County (current chair), PCC Foundation (past chair), Hillsboro Community Foundation (past chair), Oregon Zoo Bond Citizens' Oversight Committee, Intel Community Advisory Panel, Washington County Public Health Advisory Committee, Native American Rehab Association (treasurer), Pacific University Oak Tree Foundation, and the Tuality Healthcare Foundation.

I recommend Rob Wagner, without reservation, for the Oregon State Senate.

Sincerely,

Dear Commissioners,

I am writing to support Rob Wagner for appointment to the vacant Senate District 19 position. I am a Lake Oswego resident and have known Rob since his successful run for the Lake Oswego School Board. I was impressed with him during that campaign and was excited at his subsequent win. As I have gotten to know him and his work on the school board my admiration for him and his contributions to Lake Oswego Schools has grown.

Education has been a central part of my professional life for 50 years. I am retired from public schools having held positions as Teacher (at all levels primary through university), Principal (primary through high school), Central Office Administrator (Director of Curriculum and Instruction and several area director positions for Portland Public Schools), University Professor (at several universities) and Educational Consultant. Rob is definitely my choice based on his dedication and work in Education. However, that is not the only reason I support him.

Before the recent convention which made recommendations as to who should fill this position I talked personally on a variety of issues with several of the candidates. My decision to support Rob was based on the conversations I had with him as well as a review of his background beyond education and his record of service in a variety of areas. He has clear progressive values, a record of service, and extensive experience in areas which provide him with the knowledge and experience required for the job from day one. His understanding of issues facing Oregon in education, the environment, health care, affordable housing, revenue and tax reform and civil rights are evident when talking with him or listening to him share his ideas with others. He will bring this knowledge and expertise to his role in the State Senate.

Finally, Rob's energy, passion and ability to communicate and connect with people are strengths he demonstrates in all interactions with others. These are personal skills which are key to successful collaboration with colleagues and which will ensure his success as a member of the Oregon Senate. I encourage the commissioners to follow the recommendation they received from PCPs in Multnomah, Washington and Clackamas county by appointing their number one candidate, Rob Wagner, to the vacancy in House Senate District 19.

Sincerely, Edward M Bettencourt

To Whom It May Concern:

I freely give my endorsement to Rob Wagner in his effort to be appointed to the Oregon State Senate. I have known and worked with Rob for several years and view him to be an outstanding leader with an understanding of the educational and social issues and needs of the state. He would represent his area and the state well and would be an asset to Oregon.

Thank you.

Dear Commissioners -

I am writing to you to support Rob Wagner for appointment to Senate District 19. My family and I have lived and worked in the Portland metro area for 40 years. I have been a resident of West Linn for that entire time. My children attended the West Linn Public Schools and attended college in Oregon. I have great love and concern for our state. I believe we need a state senator that supports Oregon Values and is willing to work collaboratively to accomplish the many issues we have in our state.

I believe Rob both embodies Oregon values and is able to work collaboratively to accomplish them. He is a strong supporter of public education which is so important to continue growing our state. Education will help us create the jobs of the future and help us grow a 21st century economy here in Oregon. Rob recognizes the need for affordable housing, a strong civil rights platform and health care as a basic human right. Again, I see these as strong Oregon values.

His experience on local school boards, advocacy on civil rights issue and his experience with the Oregon Leagues of Conservation Voters make him a strong candidate to support these many issues and others that face our state now and in the future.

I am asking you to support Rob Wagner for the Senate position. For the above reasons, I feel he will be a great asset to our state.

Dear Commissioners

I am writing to support Rob Wagner for appointment to Senate District 19.

My name is Emilie Young. I'm a 6th generation Portlander, mother of three children in Portland Public Schools, homeowner in Lake Oswego, and an Administrative Assistant at Portland Community College for the past 10 years.

I have worked with Rob in various capacities over the past eight years, during my volunteer work with the American Federation of Teachers and later at Portland Community College. I support Rob Wagner to be our representative because I know he cares about the same issues that are important to me, my family, and friends; education, health care, climate change, and all of things that will make this state a healthy, safe, place for our children to grow and prosper. Everything I've seen Rob approach has been with great energy, humility, excitement, passion, and justice.

I sincerely hope that you consider Rob as the top candidate for senate seat 19. He has a large group of folks who are ready to hit the ground running for him in whatever capacity he'll need during his time in Salem.

Thank you for your consideration,

Emilie Young

Dear County Commissioners,

Thank you all for your continued service and dedication to making our communities in Clackamas County the beautiful places to live that they are.

I am a resident of West Linn, a mother, a small business owner, an active community member, and the local group leader of Moms Demand Action for Gun Sense in America in Tualatin, West Linn, and Lake Oswego.

Like many of my fellow Senate District 19 community members, I have a wide array of issues that I care about and follow — education, healthcare, transportation, sustainable economic growth, protecting our environment, etc. — but I am passionate about and donate my time and money to one particular issue more than the others: gun violence prevention.

When Rob Wagner asked me what was important to me as a PCP in the district I told him I wanted common sense gun legislation and he not only whole-heartedly agreed, but was familiar with past legislation that has helped to make Oregon a model of some very smart gun laws.

While all the candidates for Senator of district 19 are smart, progressive candidates, Rob stood out to me as the most qualified and competent of the candidates asking for this very important position. Rob has the know-how to navigate the politics of the Capital to put SD 19's needs ahead of political agendas. He has proven his ability to run winning campaigns and deliver on campaign promises. Most importantly, Rob understands our district like few do and will fight not just for the interests that are important to a vocal few, but for all constituents in our district.

Rob was the overwhelming favorite at the precinct committee persons conference on January 6th. I urge you all to listen to the voices of the people and appoint Rob Wagner to our State Senate.

Thank you,

Emily Teixeira

Re: Letter of Support

Dear Commissioners:

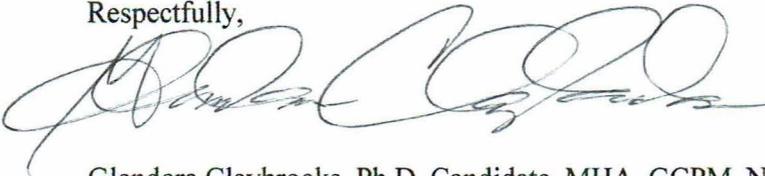

The purpose of this letter is to support Rob Wagner as your primary appointee to the seat of Senate District 19 of which I live. Mr. Wagner demonstrated an in-depth understanding of the multiple issues and challenges with which Oregon and Oregonians face. He showed strong competitor ship in communicating his background experience, leadership skills, knowledge and abilities.

I participated in the voting for the Democratic Party PCPs to select the three candidates to send on for consideration for Senate District 19 (SD19) to replace Richard Devlin. As you know Rob Wagner received over 16,000 votes on the first round of the voting process by the tri-counties PCPs as our primary choice candidate. This process entailed a presentation by the candidates and a question and answer session where Rob showed a thoughtful, passionate and eminently reasonable grasp of the issues and a way forward without alienation of opponents but by working with them.

So I request that the results of this large convention be considered in your decision-making process with the complete understanding that he is the people's first elected choice to represent us as the next Senator of District 19. My hope is that you will reach the same conclusion, as did the PCPs, after listening to his concerns based on the public's interests and his approach in how he will meet these perceived needs. My hope is that you will discover that Rob is both a worthy, viable, and strong replacement for Senator Devlin who represented us so well over the many years he acted as an accessible and budget-smart leader in the Senate.

I, therefore, urge you all to please appoint Rob Wagner as our next State Senator for SD19. Based on his presentation, I believe that he will unequivocally provide us with excellent leadership and due diligence.

Respectfully,

Dear Commissioners,

I am writing to support Rob Wagner for appointment to Senate District 19. I have been part of Lake Oswego community for last five years and before that lived in Wilsonville, OR for over a decade. This community is very dear to me and I am very excited that someone like Rob Wagner is running for office.

As a professional and as a mother I feel that Rob understands the issues that are very important to this community like good jobs and great schools. I also love the fact that Rob is forward looking and embraces diversity of thought and people.

I kindly request your support for Rob Wagner's appointment to Senate District 19.

Best Regards,

Dear Commissioners -

We are writing to voice our support for Rob Wagner's appointment to the open Senate District 19 seat.

We have lived in the greater Portland area since 2001 and in Lake Oswego specifically since 2005. Gina is a practicing gynecologist at Women's Healthcare Associates in Tualatin and Jeff owns his own small product design consulting firm. We have 3 children ages: 13, 10 and 4.

Our son went to kindergarten with Rob's younger son and we have been friends with him and his wife Laurie ever since. In the time we've know Rob, we have witnessed his ongoing commitment to his family and community. Rob is an informed, energetic and ardent person who is anxious to share his latest passion with others. He genuinely wants to help improve our community and the world. Rob Wagner is the type of principled individual that can be counted on to work in the best interest of others. We urge you to select him to fill this post.

Dear County Commissioner,

I recently had the honor and privilege to cast votes as a Precinct Committee Person (PCP) in the preliminary selection of three contenders for your pool of nominees from which to select Senator Devlin's replacement. It was not an easy task as the depth and breadth of skills and experience were vast among the original seven. I do not envy your challenge to reduce the three to a final one.

I thought you might appreciate knowing why I voted for Rob Wagner as my number one choice. Perhaps my impressions are mirrored by other PCPs who cast their votes in a similar fashion.

I had the advantage of meeting one-on-one with Rob for a full and invigorating 90-minute discussion in a local coffee shop. He told me of his history, his focus, a bit of his goals, and more that's discussed later in this letter.

Three things stand out for me when assessing the merits of a Rob Wagner selection. They are:

- Depth of understanding and appreciation for local issues and concerns
- Community Connectedness
- Ability to listen for deeper wisdom

Depth of Understanding – Mr. Wagner grew up in our community and has been a public servant for his entire adult life and has focused on a plethora of local issues and concerns. This is not new news for you since you have access to his history. What impressed me is that this is a candidate who is not a single-issue guy. From his base of values for family-community-country has emerged a clear-eyed vision of the complexities that surround our greatest challenges. Nuances of solutions are not lost on him and he considers issues from many vantage points. Minority voices are not lost in the mix.

Community Connectedness – An odd coincidence happened to me lately. I got to chaperone my six-year-old granddaughter to a kindergarten field trip to Tryon Creek. The education center there impressed me and inspired these young minds. Later, I learned, Rob's mother was instrumental in starting this center, which helped form Rob's interest and concern for our parks, local environment, and our national climate change challenges. He knows our environment from a hiker's perspective. It has fed his soul.

From such seeds of insight planted in his youth, Rob Wagner expanded his vision to include the future for his children. Education is critical to him, exemplified by his leadership on the school board. He knows that college is critical, not just for our youth but for our future society. He is appropriately engaged in education. His heart-felt concern will shape our community's collective future.

Perhaps it's a small step from such involvement to consider other concerns but Rob has embraced several: jobs, health care, civil rights, affordable housing, diversity-equity-inclusion, and finances (both cost containment and revenue).

Such focus has rounded out his awareness such that I'm confident he will hit the ground running, as it were, if you select him as our next senator.

Speaking with Rob and his wife Laurie (at a subsequent meeting) I was impressed with his sensitivity to women's issues. This is especially concerning when you consider a senatorial replacement. You have two other candidates, both women, whose selection would help balance the senate from a male-female perspective. I would contend that while such choices would be worthwhile, it's vital that the male counterparts to female senators must also carry a mindset that welcomes such diversity and support for the women in our lives. Such support should not come from only one gender, giving an "us versus them" perspective. Rob will do much to approach all issues from a concern for everyone—a concern for us—a concern that holds women up to the station they so well deserve.

Listening – Finally, I want to address the best for last – that part I alluded to earlier in this letter.

I spent my career (well over 30 years) as a corporate trainer and over six years as an adjunct communications community college instructor. Listening is the key for success in that profession. No other skill comes close!

As I first sat with Rob in that coffee shop, his first words after "Hello!" was something like, "I want to hear your story." And he did! He took notes! He asked pressing questions. He wanted to know my past, my perspectives and what I hoped for in the local community. I've watched him network with others with tremendous success. He has a skill to rally people because he has taken the time to hear them, listen to them, and to really know them.

Listening is not just a pleasantry or a courtesy for Rob. He does so to gain information, to learn of diverse perspectives and to strive for solutions/approaches that best serve. I can honestly say that his skill is not a learned skill. You don't teach such of this caliber. It comes from within.

Given the above, you might surmise that my voting was an easy task. It wasn't. Claudia and Daphne bring a lot to the table and none of these candidates will fail the calling. But I urge you to consider Rob Wagner for Devlin's replacement. He'll work well with you, with our community, and with us.

Vote for Rob and be confident you voted correctly. I know I am.

Sincerely,

Jerry Spriggs

Commissioners;

We in Oregon have worked long and hard for many years since the 1960's to keep Oregon a livable productive state and by and large we have kept our state a place where people want to move to; work, live, raise their families and even move to after retirement.

We have been able to do protect most of our farm and forest lands while at the same time allowed our cities to grow within well thought out boundaries. It hasn't been an easy job for our city, county and state representatives, as pressure from land speculators and developers has been constant, and that won't change.

We have lost jobs in the timber industry as the timber companies sell their raw logs from their private forest lands overseas, putting pressure on our state and federal lands to furnish the logs to supply what few mills remain. We've lost jobs in the fishing industry due to the loss of salmon habitat and over fishing. We've been faced with budget shortfalls in our schools and programs that help the most at-risk citizens, all the while given huge tax breaks to those who benefit the most from doing business in our state, corporations.

In Senate District 19 we've been given the task of replacing a well-respected Senator and those of us in the Democratic party met on January 6th to select a group of three who we felt to be the best qualified to replace Senator Devlin. Going into the caucus I had not endorsed any of the candidates as I wanted to see how each would handle themselves under the pressure of a campaign, even though many looked to me for an endorsement early on.

As someone who has spent a life time watching and being active in Oregon politics since the 1960's I was looking for someone who wouldn't be afraid to take on the extremely challenging task that now lies ahead of our Oregon Legislature. Especially now with the Federal Government is being led by an ignorant, bigoted man with no moral compass and if given free reign will destroy all that we have worked so hard to preserve in Oregon.

Out of a pack of seven well qualified people I chose Rob Wagner. He not only has impressed me with his ability of running a well-organized campaign, put has a passion for Oregon and all that we love about it. Rob possesses one character that I felt the others don't have, the ability to listen first. All the others told me about their qualifications and what they've done while Rob wanted to know about me, and what my issues were, before telling me about where he's been and where he wants to go.

I have no doubt that he will be a very effective force in the Legislature to preserve our quality of life and work tirelessly for our Senate District and the people of Oregon.

RE: Rob Wagner for Senate District 19

Dear Commissioners,

My name is Kate Gonsalves and I am writing to recommend Rob Wagner for appointment to the Oregon Senate representing District 19.

For the last two decades, I have devoted my life to progressive change by working with community groups, political campaigns, nonprofits, and unions across the state including campaigns for tax fairness, social justice and education in Multnomah, Clackamas and Washington counties. I am deeply committed to confronting racial, gender and economic inequalities and to ensuring Oregon is an inclusive and welcoming place for all. Rob Wagner is a strong progressive who shares these values.

In 2011 Rob Wagner hired me to work for him at the American Federation of Teachers Oregon. Rob was an excellent supervisor. His deep understanding of legislative issues and expertise in management were clearly apparent. More importantly to me, on a personal note, there were numerous meetings when I was the only woman in a room of male labor leaders. In those situations Rob could have easily talked over me or taken credit for my ideas but he didn't. Instead Rob went out of his way to lift up my work. He made sure I had opportunities for mentorship and personal development. I can attest that Rob is a man of integrity who fights to ensure others like myself have a seat at the table.

Overall, I respect and admire Rob's work ethic and dedication to public service. Recently I was impressed to learn of Rob's service on the Lake Oswego School Board particularly around addressing the importance of diversity, inclusion and career and college readiness. Rob has wide-ranging intellectual curiosity and a demonstrated ability to be strategic and effective. He is principled, ambitious and civically engaged. I have no doubt he will accomplish whatever he sets out to do and believe District 19 will be a better place as a result.

Rob Wagner is an exemplary leader in the community and I am positive he will make an excellent addition to the Oregon State Senate representing District 19. Based on the nearly ten years I've known him, he has proven to be strategic, dedicated and committed to improving the state for all Oregonians and I give him my sincere recommendation.

If you have any further questions, please contact me.

Sincerely,

Kate Gonsalves

To: Clackamas County Commissioners

Multnomah County Commissioners

Washington County Commissioners

Dear Commissioners,

I am writing in support of Rob Wagner who is running to be appointed State Senator for Senate District 19. I have worked alongside Rob on the Lake Oswego Mayor and City Council elections. I was impressed by his organizational skills and his work ethics and likeability. Additionally when he was running for School Board, I had another opportunity to work with and listen to Rob and his ideas for our Lake Oswego schools, their budgets, class sizes and resources in general. What was really impressive was his knowledge of our district. At that time I thought to myself, that he is someone that needs to run for higher office.

I have had an opportunity as the house district leader in HD38 to interview on a one to one basis each of the three candidates that were selected by our PCPs . I should also let you know that I am an advocate for women. Prior to my retirement, I worked for a Japanese transportation provider for 38 years. I interviewed and hired hundreds of employees. When I started my career there were no women in management positions. As the Vice President for the Western Region, I made it my goal to hire, train and promote women into management but **only if they were the best candidate**. While the other two candidates are good, Rob stands out to me. He has been involved locally in helping get good candidates elected, and as a Neighborhood Leader for the Clackamas County Democrats is intimately and directly involved in putting his beliefs to work. He has great ideas on solving the PER's problem as well as on affordable housing and our environment and education.

I believe we need someone who is well rounded, locally involved and knowledgeable on the problems facing Senate District 19, and not a one issue individual. We need someone who is well educated knowing they do not have all the answers but is willing to listen and learn. Rob is someone who has a family with children in our schools, which makes him a stakeholder in Senate district 19's success. Finally I believe the appointment should be based on who is the best candidate, and Rob Wagner is that person.

Thank you all for your attention to this very important selection.

Kindest regards,

Kathy Gordon

Dear Commissioners,

I wanted to take this opportunity to recommend Rob Wagner for State Senate.

Over the last 30 years, I have both owned and operated Madden Industrial Craftsmen, a staffing company that employs industrial and construction personnel throughout Oregon and Washington. In addition to my responsibility at Madden Industrial Craftsmen I have served as a Board Member and Chair of the Beaverton Chamber of Commerce, Chair of the Oregon Workforce Investment Board(OWIB) and lastly as an elected Board Member for Portland Community College representing Zone 5. It is at PCC that I became familiar with Rob Wagner's passion and drive to address hard issues facing both PCC and our community as a whole. Rob truly understands the workforce issues and the training that is required to tackle those challenges. It is with that understanding that I strongly support Rob to fill that State Senate seat vacated by Senator Devlin.

If you have any questions or would like further clarification you can reach me by phone at 503-690-0641.

Dear Commissioners -

I am writing to support Rob Wagner for appointment to Senate District 19. As a former teacher at Portland Community College and current Trustee at Marylhurst University, Rob innately understands the importance of education in our state. His experience on the Lake Oswego School District Foundation and as the Associate Vice President of College Advancement at PCC will help bring a strong advocate for education to Salem.

As the former Oregon Cultural Trust Manager, and current Executive Artistic Director of a not-for-profit theatre company in Portland, arts and cultural activities are very important to me. The arts not only support and enhance communities economically, but they provide a sense of place. The arts are also the generator of the creative class, instrumental in driving our future job force. Rob understands that many services combined make a greater whole. He advocates for community and recognizes the importance of arts, heritage and the humanities as an economic generator.

It is key to have someone in Salem who can hit the road running and maintain a progressive agenda. Rob is that candidate!

It is my hope that you will consider Rob Wagner for the appointment to Senate District 19!

Dear Commissioners,

I thought it might be important for you to know how much I love and support my husband, and give a little more context about who we are as a couple and a family.

For the last 20 years I've worked for high-tech companies, leading services teams for cloud start-ups, education businesses for software companies, Six Sigma (process efficiency) teams in hardware companies and now worldwide marketing analytics for one of the biggest software companies in the world. I understand business and the good businesses can do for the world. Rob has whole-heartedly championed my career.

I also whole-heartedly support Rob. He represents the heart of this state and this community in so many ways. Rob grew up in the heart of this district and his parents raised him to show great heart through a passion for education, nature, health, and most of all, other people. We very consciously chose to raise our family here and give back to this amazing community.

The thing that amazes me most about Rob is how he connects with and truly cares about every person he meets. He listens intently and wants to understand where each person is coming from, without arguing or jumping to judgment. By asking the right questions and being sincerely curious, he's able to bring people together and diffuse conflict everywhere from the kitchen table to board meetings to neighborhood gatherings.

I was blown away at how Rob approached the appointment process. Rob went to the door of every one of the 245 PCP's (multiple times until they were home!) to talk with each one in person. He worked so hard to get to know every PCP - where they lived and what was most important to them. He heard the voices of both Republicans and Democrats in many of the houses we visited - and was enthusiastically invited back to every single home. Rob respects everyone and everyone's opinion equally.

And most of all, Rob is a wonderful husband and father. We married when my children were only 5 and 7, and he has bigheartedly become their father. Rob wants to get involved now so that he can influence the future of our four children and all Oregon's children as soon as possible. There's so much great work to be done - Rob has the passion and energy to make an enormous difference in our community, our state and our world.

I am 100% behind Rob. He is exactly the kind of person we all need in the Oregon Senate.

Kindly,

Dear Commissioners,
Please vote for Rob Wagner to fill the Senate position for District 19.

I am a two-term elected PCP, Chair of the Dick Celsi Celebration for the Multnomah County Democrats, a member of the Budget Committee for the Democratic Party of Oregon, and an Alternate to the State Central Committee for the DPO.

Rob is the best candidate for this position as he is a proven leader for the ideals of the Democratic Party. It is clear he values his constituents opinions, and will build consensus to ensure success. He is smart, energetic, committed and he listens.

Thank you for your time and consideration.

I am writing to you in support of Rob Wagner for appointment to Senate District 19.

I am a Lake Oswego resident who has known Rob for seven plus years. During that time, Rob has never ceased to amaze and impress me with his level of integrity and his sheer diligence in working toward his goals, whatever they may be. As a parent of a Lake Oswego student, I share his strong commitment to social inclusion, along with all the values that he holds close to heart. I really have not known anyone who believes so strongly in his convictions and works tirelessly to see them through. I am 100% confident in Rob's desire and capability toward implementing positive change.

I truly hope that you will support me in supporting Rob. I could not think of a more capable and deserving person for this position.

Thank you, Lisi McCarthy.

Dear County Commissioners,

I am writing today to encourage your appointment of Rob Wagner to the Oregon State Senate. I am a retired Clinical Social Worker with extensive experience in the juvenile justice system working in both Multnomah and Washington counties as a Juvenile Court Counselor. Additionally, I have spent more than 20 years in private practice as a family therapist. I am currently wearing a different hat, managing a small family owned real estate business.

I have been honored to have been involved in the process of getting to know the candidates interested in the appointment to the Senate and while I believe that we have some very strong candidates, I firmly believe that Rob Wagner is the most qualified candidate and will be a terrific advocate for his constituents. His lifelong commitment to public service, his dedication to listening carefully and working hard with the goal of truly benefiting the entire population are significant to me.

As a social worker for 35 years, I have seen first hand the value of a quality education and the tragic results of a poor education in the life outcomes of the children involved. I am convinced that Rob's dedication and experience in advocating for quality public education will be an invaluable asset to the citizens of Oregon, both young and old. He is positive, optimistic, forward thinking, hardworking and eager to make a difference for all.

In conclusion, I strongly urge you to appoint Rob Wagner to the vacant Senate District 19 position. The citizens of Oregon will benefit from his dedication and service.

Sincerely,

RE: Appointment of Rob Wagner in Senate District 19

Dear Commissioners,

I write to strongly urge you to appoint Rob Wagner to the open seat in Senate District 19.

As an elected Democratic Party Precinct Committeeperson in Senate District 19 in Multnomah County, I had the privilege of attending the nominating convention last weekend. The PCP's from all three counties overwhelmingly selected Rob as their first choice for Senate District 19 in the first round of voting. I trust you will honor our choice as elected officers within the Democratic Party and constituents of your respective counties.

I have personally known Rob Wagner for over ten years. He is a friend, mentor, and former supervisor. As such, I have a unique perspective on his character, skill, passion, and integrity. I can state unequivocally that Rob is one of the most committed, tireless, and dedicated public servants I have ever met. He has boundless energy and drive and he is constantly fighting for equality and opportunity for those who have not received a fair shot to succeed.

I've watched Rob knock on thousands of doors throughout the state of Oregon to talk to families about children's health care, stable educational funding, workers' rights, and corporations paying their fair share in taxes. Rob knows how to listen to Oregonians of all parties and from all communities to help them find solutions to their biggest challenges. He does so with an open heart and an open mind and he genuinely cares about Oregon families.

As an attorney and lobbyist, I can speak to Rob's vast legislative and policy experience. His deep knowledge of issues like education, health care, and the economy, means he can hit the ground running for his constituents during the 2018 legislative session. His established relationships with lawmakers will help him do the same.

The Democratic Party PCP's overwhelmingly recommended Rob Wagner to be our next Senator from District 19. I hope you will honor that choice and appoint the best person for the job. That person is Rob Wagner.

Sincerely,

Marcus Swift, Esq.

Dear Commissioners,

I am writing to support Rob Wagner for appointment to Senate District 19. I've worked for two public higher education institutions in Portland - formerly Portland Community College and currently Portland State University - and I see firsthand the positive impacts that providing access to higher education has on our community. As a professional, I support Rob and his history of championing this type of access. And as a new mom, I also appreciate Rob's deep commitment to making sure these learning environments are not only accessible, but safe and inclusive.

I hope you agree with the PCPs of HD38-MultCo and appoint Rob Wagner to Senate District 19.

Sincerely,

Dear Commissioners,

I am writing to you to support and endorse Rob Wager to be our State Senator. As a PCP, I saw the level of support Rob had among those of us gathered together on January 6; he quickly became the first candidate chosen by the PCP representatives.

I am encouraging your vote for Rob because he has the sure, grounded understanding and experience to directly tackle the issues my area, Portland and the state are facing. He does not deal in empty rhetoric and will be devoting all his time to the work of State Senator.

I am a retired person who came to Portland 14 years ago. My past experience as a city planner in Eureka and as a labor representative in the CSU system convinces me that Rob Wagner has both the record of accomplishments and the guiding values to make a significant contribution to all of us.

Thank you for your attention.

Re: Appointment for SD 19 – replacing Senator Devlin

Dear Commissioner Humbertson,

Though we do not know each other well, I want to thank you for your leadership and service to the Citizens of Oregon on the Clackamas County Commission. Like you, my son also served in the US Marine Corps. He served during the Desert Storm Conflict and as a mother I am thankful that he was never deployed. Thank you for your service at every level.

I am writing today to ask that you consider supporting Rob Wagner to replace Senator Richard Devlin. As you know, Senator Devlin was an inspiration to all of us who watched his career. He was smart, dedicated and at times a bit rigid when making difficult decisions on budget and funding priorities for the Oregon budget. He has also been kind and understanding about the needs of Oregon's most deserving and underserved citizens. He was thoughtful and smart and we need that kind of person to continue to represent his district and Oregon.

I have known Rob Wagner for many years and I have worked with him at the legislature as a lobbyist and partnered with him as we represented working Oregonians and their families. We have worked on hard issues, hard campaigns and have faced great victories and crushing defeats together. Rob always maintained his footing, humor and commitment while celebrating victories but more important when we were faced with hard defeats. I believe you know a person better in defeats than in victories. Rob always picked up and dusted off the defeat to continue the work.

Rob has many talents and experiences to bring to this position. He is smart, thoughtful, kind and committed to helping families and citizens who often lack the strength, knowledge or resources to advocate for themselves. He understands the system, knows how to influence others to work with him and can find friends where others see only the opposition. We need people like Rob Wagner in Salem now more than ever.

I am sure the candidates in this race will have compelling credentials and experience to show you. I can assure you that only Rob Wagner brings not just knowledge about local governments but also the human compassion, experience in advocating for the underdog and those with no voice. Finally, he also brings some humility and I think we need that in Salem.

I strongly believe, you will find Rob to be your partner in solving the hard issues you face in local government and the challenges of providing services with limited budgets. That is why I am asking you to please join me in supporting my friend and colleague, Rob Wagner, to complete the term of Senator Devlin and to be the new face for Senate District 19.

Sincerely,

Dear Commissioners -

I am writing to support Rob Wagner for appointment to Senate District 19.

I am the school principal of the Lake Oswego French Immersion School. My wife and I have been living in Lake Oswego, where we started the local French-immersion school, for the past 7 years. My two stepsons are graduates of Lakeridge High School.

I am supporting Rob because, not only he is a compassionate man and a family man, but he has great personal integrity and high values of inclusivity; and he has always advocated for the community as a whole.

As an immigrant from Senegal who became an American citizen, recently, I know how it is important to have progressive support. Rob actively supports progressive immigration policy.

As a school principal, education is crucially important to me, and Rob is a champion for investment in education. His work at PCC and the Lake Oswego School District is clear proof of his dedication to education. In this world, the countries that are investing in education will be the leaders. That's why we need Rob to help.

Please, dear commissioners, appoint Rob to Senate District 19.

Dear Commissioners-

I am writing this in support of Rob Wagner for the appointment to Senate District 19.

As a Lake Oswego resident, concerned citizen, and active supporter of our public schools, I have observed first hand the passion Rob brings to his interest in and activity with our public schools and community organizations. I have three daughters in Lake Oswego Public Schools who have attended school with Rob's children for many years. I am strongly devoted to our schools, our teachers, and more specifically, the Arts. I am impressed at the level of commitment I have observed with regard to Rob's support in the community, his volunteerism and enthusiasm, his imagination and energy in school and community affairs.

I believe Rob will speak up. He will help others. We are all in this together. I am asking for your support. I strongly recommend Rob Wagner for this position without reservation.

Sincerely,

Dear County Commissioners,

I'm Michael Rasko. I own a small business that manages Google Grants accounts on behalf of nonprofits. Google donates \$120,000 a year to nonprofits, but the catch is that these organizations have to use the money on the AdWords platform, which isn't very intuitive. So I use AdWords on their behalf for a monthly fee.

I live in Senate District 19 and am a PCP for Clackamas County Precinct 159. I'm writing to tell you that I believe Rob Wagner is the right choice for the State Senate.

More than anything, what impresses me is his dedication. He was the first candidate to decide to pursue this vacancy, and since he decided to do this, he's been going on all cylinders this whole time. He's met with many Senate District constituents already to hear our thoughts on issues. At coffee shops, restaurants, and political meetings of all types, he's taken the effort to listen to so many of us in Senate District 19.

He also has the experience necessary for the job. Of the three candidates for you to choose from, he is the only one who has won elective office, which is his position on the Lake Oswego School Board. However, that is not his only experience working with Government. He has been the Chief of Staff to State Representative Chris Beck, the Director of Political and Legislative Affairs for the American Federation of Teachers - Oregon, and the Government Relations Director for Portland Community College.

And finally, I stand with him on the issues. I believe in his mission to improve public schools, the environment, and our healthcare system.

Rob is the guy I support for the above reasons and more. I want him to represent me in Salem. And I sincerely hope that after speaking with him and reading or listening to his other endorsements, you'll feel the same way about him that I do.

Dear Commissioners:

I am writing to urge you to vote to elect Rob Wagner to the Oregon State Senate. Rob is both a personal friend and a professional colleague and I believe he will bring a unique, vibrant, impassioned voice to the Oregon Senate.

As several of you know, I am a passionate advocate for transforming Oregon's broken addiction recovery system. Creating a new addiction recovery paradigm that recognizes addiction as a chronic disease requiring a comprehensive continuum of care will require sustained, innovative leadership within the Oregon Legislature. Rob's work elevating issues of equity within the Lake Oswego School district, his stewardship of Portland Community College and his personal commitment to marriage equality dating back to the 1990's is proof positive that he will bring the level of insightful leadership we need to transform Oregon into the "recovery state."

We live in an era when more and more of our citizens are automatically disdainful of our elected leaders. I know Rob to be a man of unapproachable integrity, who is grounded by his four children and who has a profound love for his native state of Oregon. I have no doubt that, despite the "part-time" nature of our citizen legislature, Senator Wagner will serve his constituents and the people of Oregon seven days a week, 52 weeks a year. And he will do so with a level integrity that will inspire and not disappoint.

My vote is unequivocally for Rob Wagner. I hope yours will be as well.

Respectfully,

Mike Marshall

Dear Commissioners,

I'm Neil Simon. As a resident of Multnomah County's SW Portland and former resident of Washington County, it has been a pleasure to get to know several of you in the past - and several of you more recently during my candidacy for the recent State Representative appointment.

My wife and I run Bighorn Communications, a local PR firm serving local non-profits like Schoolhouse Supplies and the Jewish Federation of Greater Portland, business like Evanta, a Gartner company, the Portland Seed Fund, and international organizations, including the European Union,

During that appointment process in the summer of 2017, I got to know an excellent community leader who proved to be one of the more inclusive people I've met in politics. I'm writing you today to urge your support for Rob Wagner for State Senator.

From the diverse people he has brought into the process to the progressive values he has stood for on the Lake Oswego School Board and beyond, Rob Wagner is the type of leader we could use more of in our state.

Please join me in casting your nomination vote for Rob Wagner for appointment to Senate District 19. Rob's educational expertise is ripe for the challenge we currently face in Oregon to elevate our educational performance and the efficiency of all our schools.

He believes in expanding the multi-modal transportation options we need throughout our tri-county area - an issue I'm eager to help your counties, Metro and our state achieve to best unify our region and reduce single-car commutes.

SD19 is a unique district with a host of non-affiliated voters, and I trust Rob Wagner has the personal appeal and political experience to best connect with all citizens of this district.

Thanks for your consideration and for your service.

Dear Commissioners,

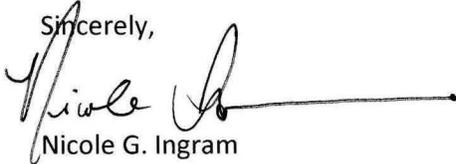

I am writing to support Rob Wagner for appointment to Senate District 19.

I am a family nurse practitioner caring for those who often have high health insurance premiums, high deductibles or sometimes no health insurance. These community members may fall between the gaps as their employer either does not provide health insurance that is affordable or does not offer it at all. Some folks are even stuck in a job that do not like because they need the insurance. I believe healthcare is a human right and in my opinion Rob Wagner is the senate district 19 candidate who will bring change to Oregon. Rob seems to have good ideas to generate revenue to support a single payor system such as supporting corporate tax fairness and his support of measure 101.

Healthcare is one of many issues in which I agree with Rob. I also side with Rob on education, the environment, affordable housing, fighting racism/ discrimination and corporate tax fairness.

Please consider appointing Rob Wagner as the state senator for district 19.

Sincerely,

Dear Commissioners,

I'm writing to you to support Rob Wagner for appointment to Senate District 19. I am a PCP in the district and live in southwest Portland with my wife and three kids. I work in healthcare analytics and my wife is an attorney for a local non-profit advocating for citizens interests in energy policy. Our children attend Portland Public Schools.

Like Rob and many of the other candidates, we believe in a progressive democratic party and support his positions on issues such as education, healthcare and affordable housing. All of the candidates for district 19 have many fine qualities, however we have been particularly impressed by Rob's performance during the nomination process. What set Rob apart for us was his professionalism and long standing commitment to progressive policies combined with the relatability and communication skills that will serve him well as a legislator. I therefore ask you to support Rob Wagner for Senate District 19.

Yours Faithfully,

Dear Commissioners,

I hope very much that Rob Wagner is appointed to represent Senate District 19.

I have known Rob for over thirty years, first when we were students *in* the public school system, then later as advocates for better schools, and now as fathers of school-age children. In our youth, we benefited from a quality public school education and as adults we dedicated ourselves to passing those opportunities on to the next generation. Despite the political and fiscal challenges of the last twenty years, Rob has never wavered in his commitment to the education system here in Oregon.

I am a high school teacher and I have seen firsthand how hard Rob has worked on the issues that most greatly impact my students. I've taught now for 21 years in the state of Oregon, **I know how much our education system depends on the experienced, informed, and active leadership of people like Rob Wagner.** Expertise and experience in this area matters, and Rob has both.

Please give your support to Rob so he can continue to help students here in the state of Oregon.

Dear Commissioners,

I am writing to express my strong support of Rob Wagner for the appointment to Senate District 19.

I am a Lake Oswego business owner, a Lake Oswego parent, and Lake Oswego resident. My children attend Lake Oswego High School and Lake Oswego Junior High.

I believe Rob Wagner clearly understands the needs of the local community and is equipped, through his years of professional and civic experience, with the knowledge and skills required to represent the values of his constituency and to positively affect change.

As a woman of color and co-founder of a growing Lake Oswego advocacy group for diversity and inclusion, my perspective is that Rob Wagner possesses the awareness, tools, and acumen to build a more inclusive and equitable landscape for our diverse community.

I ask for your support of Rob Wagner for the appointment to Senate District 10.

Thank you,
Paula

Leaders of the Body Politic of Senate District 19;

When I think about the ideal civic leader I think about someone who has the experience and track record Rob Wagner has.

- Beyond the buzzwords of Diversity, Equity and Inclusion Rob Wagner works with a sense of historical context – he knows the disparities that impact our communities did not happen out of chance and that it will take **careful, intentional and meaningful engagement to undo the social, political and economic injustices we face as a State and Nation in this political moment.**
- Rob Wagner has an understanding and analysis of housing issues, public health issues, educational issues, and environmental issues – things that impact so many marginalized communities in every area of life every day; but most importantly **Rob has solutions and the motivation to strive toward better outcomes for, not only his constituents, but EVERY Oregonian. Rob is not about what's good enough, he's about responsibility and accountability.**
- Rob Wagner has the **skills and knowledge to envision, craft and work across social and political difference to pass meaningful policy.**

Join me today and cast your vote for Rob Wagner.

Sincerely,

Dear County Commissioners,

I currently live in Hillsboro Oregon. I am the Coordinator in Veterans Resource Center at the college level. I spent 8 years in the United States Marine Corps and left with an honorable discharge in June of 2011. Since then I have been pursuing my degree and working with veterans in higher education. I am an academic professional that specializes in veteran student transition, reintegration, and retention in higher education. On average I see 75-100 student veterans daily. I earned my degree in Social and Behavioral Studies for George Fox University in 2016. I am currently in a Master's Program for Social Work specializing in Veterans and Military Families. I volunteer with Team Rubicon, Lift for the 22, and I am the founder of The Keaton Coffey Project-K9's for Vets. I have also spoken on behalf of many House and Senate bills in Salem.

I am concerned about the issues that citizens vote on. I would say the issues that speak to my passions will always be those affecting veterans. That does not mean that other issues do not hold importance and do not equally affect me as a citizen.

I am supporting Rob Wagner for State Senate based on my numerous interactions with him throughout his time in higher education. Rob is one of the most upstanding people I have ever had the opportunity to interact with during my military or professional career. He is sincere and engages with people in way that is meaningful to them. I have never been greeted with anything other than a kind and happy smile, even when I took over his office for a meeting and he walked in surprised. He works hard on creating meaningful change on laws and policy for the better of people. He facilitated amazing changes at the governmental level for student veterans without receiving any recognition. He did it time and time again by putting us, the student veterans, in the right place at the right time. Rob is the only person I have ever politically lobbied for because he is the only one that I believe honestly "has the good of others in mind." Rob Wagner deserves to be in the State Senate and I have no reservations about supporting him get there.

Respectfully Sent,

Stephanie R Culbreath

Want to tell you about my family, our connection to Senate District 19.

Origin: Our family moved to Southwest Portland in 1976 with Rob was 3, we used to hike in Marshall Park...

LO: In 1981 moved to Lake Oswego – house we're still in. Rob – Uplands to High school. 4 kids through the public schools. Two teachers, a park ranger, and community relations person for PCC.

Nature - **Tryon Creek** – special place for our family...Rob hiking on Mother's Day...wedding...kids at the Friends...

Values - Rob learned environmental ethic –

HB 2633: Public Safety Supervisors HB 2633 would have required that an employee have the ability to impose economic discipline on other employees in order to be designated a “supervisor” for the purpose of collective bargaining. The legislation was opposed by the League, as the language in the bill would have likely placed senior managers in the same union as those they supervise, creating workplace conflicts. The bill passed the House but failed to reach the full Senate for a vote. HB 2831: Public Employee Collective Bargaining Act Revisions

HB 2831 would have allowed temporary workers into a bargaining unit, redefined which employees are supervisors, and prohibited the hiring of permanent strike replacements. The League opposed the legislation on the grounds that extending contract benefits to temporary workers would have been costly and altering the definition of “supervisory employee” would have created conflicts in the workforce. Compromise amendments were offered to bill proponents, but were rejected. HB 2831 passed out of the House but failed on the Senate floor. It is anticipated that similar legislation will be introduced in future legislative sessions.

Dear Commissioners,

I am writing to support Rob Wagner for appointment to Senate District 19.

My family and I have lived in Clackamas County since 1997 and are keenly aware of the importance of selecting the right candidate for the Senate District 19 position in the legislature.

We are small business owners and I spent 13 years in local government and the last 25 working for the Port of Portland. I understand the role of the legislature to provide the foundation for small businesses to thrive in this state. Further, I also appreciate the fiscal challenges facing local and state institutions and Oregonians.

I have worked with Rob Wagner on the Portland Community College Foundation and most recently as President. He is bright, dedicated and an excellent problem solver with attention to outcomes. His leadership was instrumental in positioning the college for the recent successful bond renewal for Portland Community College programs and capital construction. His strategic approach to the Foundation has created an excellent Board of Trustees to serve the community college well into the future. I believe his values, experience and approach to the issues that concern our community make him the right candidate for Senate District 19 appointment.

I urge your endorsement of Rob Wagner for the appointment to the Senate District 19 position.

Sincerely,

I am proud to endorse Rob Wagner to be the next Oregon Senator to represent SD 19. I am a registered nurse and long-time nurse educator. I am a proud member of the Oregon Nurses Association and also the American Federation of Teachers-Oregon. Additionally, and more importantly, I have lived in Tualatin since 1979, raising our two sons who attended public school in this district.

I have known Rob for nearly a decade, beginning with his employment at AFT Oregon and culminating with his work at Portland Community College. Rob is fair minded and makes decisions only after hearing from all sides of an issue. He is most concerned with meeting the needs of the greater good, rather than a special interest group. Rob has an excellent understanding of the legislative process and with only a few days between January 29th when the decision is made as to who will represent SD 19 and the first day of the legislative session, February 5th, he is well suited to begin the task of legislating immediately without the need of a lengthy orientation.

Rob is honest, he is trustworthy, he is dependable, and you can count on his word. He is also an excellent listener! Strong people stand up for themselves, but stronger people stand up for others. Rob is a team player, and he understands that it is not about being right, it is about doing what is right.

Rob understands the importance of providing a quality public education. Our public schools give us reason for hope and Rob understands that public education is essential to ensuring we have an educated electorate who can protect our democracy. He has proven his abilities through his participation on the Lake Oswego School Board and through his work and advocacy for community college students. Rob will do everything he can to help stabilize school funding from K-12 to community college and higher education.

I believe Rob is the best qualified candidate for SD 19 and ask that the county commissioners choose him to be the next Senator for this district.

I first met Rob Wagner in 2002 while I was serving on the Executive Board of the American Federation of Teachers-Oregon. We interviewed, and ultimately hired, Rob as the Director of Legislative Affairs for the State Federation, a position he held until 2012.

As a member of that Board, and the President of Local 111, Portland Federation of Teachers and Classified Employees (now Portland Federation of School Professionals), I worked with Rob on issues that affected school employees. Personable and energetic, Rob had the ability to gently and politely nudge and teach me how to approach School Board members, as well as state and national legislators on behalf of my members.

I have no doubt that as a State Senator Rob Wagner would use that easy, but powerful approach in the Legislature. I believe he would make a very strong Senator and work for all Oregonians. I am proud to endorse Rob Wagner for State Senator.

Dear Commissioners;

I am writing you today in support of appointing Rob Wagner to the senate seat for Senate District 19. I had the good fortune to spend a good part of 2016 and 2017 with Rob and 18 other leaders throughout the State of Oregon as part of the Oregon American Leadership Forum. Through our many interactions and long car drives, I came to know Rob as a thoughtful, articulate and conscientious leader focused on diversity and equality throughout the state.

In my position as Vice President for a commercial real estate firm, owning, managing and developing real estate across the west coast, I have come to recognize the value of individuals who have a larger vision for our state's future and who can share that vision with people across all sectors of the population; Rob has such a talent. I spent six years in the 1990's managing the State Capitol for the Legislative Administration Committee, and in that time, I became aware of what made a successful legislator. A legislator not focused on one pet issue; but a legislator able to connect the dots of many dissimilar issues to arrive at a more nuanced approach to legislation always seemed the more successful. I see Rob as such a legislator and it truly excites me to think of a person of Rob's caliber as member of the senate.

Rob certainly has my enthusiastic support and I sincerely hope you will take the time to fully understand and appreciate all Rob has to offer not only Senate District 19 or the Oregon State Senate, but to our entire State.

Most Sincerely,

Dear County Commissioners,

I'm writing you to ask for your support of Rob Wagner as the next State Senator for District 19. As a former member of the Lake Oswego City Council, I have known Rob in the community for many years. Rob doesn't just talk about issues – he rolls up his sleeves and gets involved. Locally, he has served on the Lake Grove Business Redevelopment Task Force, the Foothills Citizens Advisory Committee – looking at development along Highway 43; and he was appointed by our mayor to the city's first ever Housing Affordability Task Force.

With our local schools, he served on the Forest Hills School Advisory Committee, the School Foundation Board -talking to businesses about philanthropic support to support students; and won a seat on the Lake Oswego School Board where he has worked throughout the community building support for career technical education and addressing diversity, equity and inclusion.

Rob has over 20 years of experience in the state legislature on issues from Pre-K through Postsecondary Education, Revenue, Land Use, and Workforce Development. He is passionate about leveraging public education and internships for students to find good careers and pathways out of poverty.

With a fresh perspective and a focus on the future, Rob Wagner is the right person at the right time for our community.

Please support Rob Wagner for Senate District 19.

Sincerely,

Dear County Commissioners:

I write to enthusiastically recommend the appointment of Rob Wagner to fill the vacancy in Oregon Senate District 19. Rob is an effective, conscientious, engaging and intellectually curious public servant who will work cooperatively with his colleagues in the Senate and with leaders and residents of the community he serves, in order to significantly improve the lives and circumstances of residents throughout the State of Oregon.

Over the last few years it has been my distinct honor and privilege to serve as a citizen volunteer on the City of Lake Oswego Planning Commission and Commission for Citizen Involvement. Also, I had the opportunity to serve as Chair of the Commission for two terms (before "terming out" in the Chair position). Following a screening and interview process, I was first nominated to the Commission by Lake Oswego Mayor Jack Hoffman and "confirmed" by the Lake Oswego City Council in 2012. Thereafter, following a screening and interview process, I was again nominated to the Commission, this time by Lake Oswego Mayor Kent Studebaker, and then "confirmed" to continue to serve on the Commission by the Lake Oswego City Council in 2014. I continue to serve on the Commission and my current term expires in 2018. I write this letter in my personal capacity; my opinions are my own and do not necessarily represent the opinions of the Commission.

As a result of my service on the Commission, I know the importance to citizens of having a representative in public office who is approachable, interested in learning from constituents, and who is available to listen as well as to lead. In my opinion, Rob is that person. He is the embodiment of a model public servant.

I had the distinct pleasure to meet and work with Rob during the 2016 campaign for Lake Oswego City Council, when Rob and I mutually supported the same candidates for local office. Later, I was delighted to support Rob in his successful campaign for election to the Lake Oswego School Board, where Rob has already distinguished himself in leading the work on diversity, equity and inclusion in the Lake Oswego public schools. Rob is willing to reach out to members of the public, to request input from his neighbors to identify issues of importance, to explore potential interim and permanent solutions, and to provide his own sound ideas for group discussion and vetting before implementation.

Rob has earned a widely-acknowledged reputation of indefatigable service making better the place where he works and lives. I urge you to appoint Rob Wagner to fill the vacant seat for Senate District 19.

Sincerely,

To the Commissioners:

I am writing to convey my support for Rob Wagner for Senate.

Rob Wagner has shown that he is open to public discussion about the issues that are important to our community members – no matter how uncomfortable those issues may be to discuss. In order to move forward and address the root causes of school failure/dropouts, poverty, crime, and mental health difficulties – we need leaders who are willing to engage directly with community members and bring these difficult discussions out in the open. It may mean having the strength to admit that things are not always right the way they are now in many of our public organizations. Rather than rationalizing or ignoring, we need leaders who are willing to engage and openly consider the issues, and work directly with those who are in the community.

Consistent with the latest data nationally, 33% of 4th grade students in Oregon are reading below Basic and 66% are reading below Proficient, and 64% of 8th graders are reading below Proficient. Reading proficiently means a student has the ability to read challenging material, which is a necessity for academic success. Real discussion, and real action, is required to address this. Reading failure can often be prevented, and the information ranging from genetic influences, neurological functioning, information processing, identification and intervention procedures to teach reading acquisition is all readily available.

We can thank our 2015 state legislature for passing Oregon state laws to require dyslexia screening and improved teacher training. And we need to go further than that to really solve the problem. Rob Wagner has demonstrated that he is willing to bring this discussion to light in our school district, by supporting the first-ever Dyslexia Awareness Month in Lake Oswego in 2017. For the first time ever, school administrators began openly communicating about dyslexia. Until now, it was as if it were a forbidden conversation.

This is important. We need leaders who are not afraid to talk about the real issues.

Sincerely,

Michele Barnett

Dear Commissioners,

I am writing in support of the appointment of Rob Wagner for the Senate District 19 vacancy. As a PCP I was at the meeting that narrowed down the candidate for the appointment.

I am a rather new comer to the area, but I am involved in a number of community groups including on the Board of W2D, active in West Linn politics and Homeowners Association, member of the Washington Public Forum and various volunteer activities.

As I am sure you know at the Democratic Party convention Rob received the first name for submission of your consideration with double the votes gained by his next opponents. This supports the degree of which I request your favorable appointment of Rob to this important legislative position.

Rob's previous involvement, commitment and concern in the community has obviously earned him great support which will end in voter support when he does seek the permanent term for the Senate 19 position. It is a joy to see him as he works with community members and engages in seeking solutions to problems which require needed consensus and positive action. His family values, early involvement in a multitude of essential community matters solidifies my strong endorsement of his appointment.

I am asking for your support and positive vote in favor of Rob Wagner as our Senate District 19 representative.

Dear County Commissioners,

My name is Michael Murray and I am a Sophomore at Lake Oswego High School. I am a member of the Lake Oswego Youth Council, City of Lake Oswego Transportation Advisory Board, Clackamas County Committee for Community Involvement, and State Representative Salinas' Student Leadership Council. I am also the Executive Director of Hunger Fighters Oregon, a nonprofit 501(c)(3) organization that operates food pantries in the Portland area.

I am writing this letter in support of Rob Wagner for State Senate. Mr. Wagner has spent his professional career tirelessly fighting to provide quality education to students of all age levels. Mr Wagner's decade experience as director of legislative affairs for the American Federation of Teachers of Oregon has given him the skills needed to repair and strengthen our state's education system.

Oregon's education system is in shambles. In 2016, only 75% of high schoolers in Oregon earned a diploma within four years. Oregon's graduation rate was ranked third worst in the nation in 2015. This is embarrassing, unacceptable, and fixable.

Mr. Wagner has served as an elected school board member for the Lake Oswego School District since 2017. Under his leadership, the Lake Oswego School District has continued to grow and prosper. I am proud that my school district has been in such capable hands, and I am confident that Mr. Wagner will continue to strive to improve and bolster our education system in the Oregon State Senate.

Please join me and support Rob Wagner for State Senate.

Sincerely,
Michael Murray

Dear County Commissioners,

I am a citizen of Lake Oswego and I'm writing in support of Rob Wagner's appointment to State Senate District 19. When I made the decision to run for the Lake Oswego School Board, a friend suggested that I meet Rob for coffee, as he was also considering running. From our very first meeting, I was beyond impressed with Rob's energy, passion and depth of experience in public education and hoped to have the opportunity to serve alongside him. Now a year later, Rob and I are serving together as fellow board members and I am continually blown away by his ability to bring people together, to ask hard questions in a collaborative way, and to develop ideas and solutions that meet multiple objectives.

There is no doubt that this is a critical time to ensure that we are sending our best and our brightest to lead our state. As a Finance executive at Nike, with four kids in our public K-12 school system, it is imperative to me that our legislators are driving forward thinking solutions for funding education throughout our state, while also ensuring that we retain a strong economy and fiscal responsibility. There is no doubt in my mind that Rob Wagner is the best candidate to represent our district in these efforts.

I am supporting Rob Wagner because I know first hand that he believes in the importance of public education, that he has the experience and determination to move our state forward, and that his stamina and resilience cannot be matched. Please support Rob Wagner for State Senate.

Sincerely,

Letter in Support of Rob Wagner for SD 19 State Senator

January 23, 2018

Dear Commissioners:

I would like to voice my support for Rob Wagner for Senator.

I am a resident of this District and I have been involved in the nomination process as a Precinct Committee Person from Precinct 3802. I speak as one long involved in environmental issues as a biologist and resource planner.

I believe Rob should be appointed because of his tremendous energy, interpersonal skills, and dedication to education funding and equity for ordinary working people.

Also, at the nominating convention, he was clearly the best supported candidate from the beginning. The other two candidates forwarded to you are very well qualified, but Rob stands out as the one with the best combination of energy and political skill.

Please appoint Ron Wagner to SD 19.

Philip Quarterman

Dear County Commissioners

While I have always scrutinized candidates and issues thoroughly before voting, I am new to the involvement in the political process. Having taken on the role of a PCP, I determined to learn as much as I could about the candidates for the upcoming appointment of State Senator. I met personally with or discussed by phone concerns that I had on various issues, including the current polarized political atmosphere that is hampering legislation in DC and around the nation.

The election of Donald Trump has brought to the forefront, the strong feelings of disenfranchisement of a large segment of the American electorate. My question to the candidates was, "How would you reach out to those who feel disenfranchised, and what would you do to alleviate their concerns and pull them back into the Democratic Party and the democratic process?"

The only candidate who gave an answer that satisfied me was Rob Wagner. He said that if appointed, he would make a concerted effort to listen with an open mind to the concerns of all the constituents. That while his views would differ from those of the more conservative voter, he would try to find areas where they could meet to accomplish a common goal; thereby, making those voters feel that they are no longer left out.

I am thoroughly discussed with what I am witnessing in American politics today. We no longer have Statesmen in our legislatures. We are left with politicians who believe that only their points of view are worthy of consideration. The "my way or the high way" philosophy is harming both political parties and the nation. America needs people like Rob Wagner who will work with legislators across the isle to pass legislation that will benefit all. For that reason, I ask that you appoint Rob Wagner to positions of State Senator.

Dear Commissioners -

I am reaching out to you to urge you to support Rob Wagner for appointment to Senate District 19. I have known Rob for over a decade, first through AFT-Oregon, and, more recently, as staff with PCC.

As a resident of Southwest Portland for more than forty years, I recognize the necessity for strong advocacy in the District 19 region, and I believe that Rob would best serve that need. Rob's values in regard to education, jobs with living wages, housing for all, healthcare, and equity fall directly in line with the tenets of most District 19 residents.

I believe that Rob's past experience working in Salem, his dedicated volunteerism in this community, and his positive contributions to causes of importance to District 19 make him the premier choice for State Senator.

Thank you.

Sincerely,

Hey! My name is Nathan Fischer and am the son of commissioner Sonya Fischer. I met Rob Wagner at his campaign kick off and my first thought was that we need more people like him involved in social justice. He is an extremely personable and happy person and his ability to connect and engage with whomever he meets is outstanding. His primary focus on education is what really appeals to me. So many I know limit themselves because they do not have the financial means to pursue an education. They stagnate themselves because they do not see available options. Rob explained to me that he is fighting for free community college tuition, affordable higher education, career training and environmental protections. If those options were readily available, so many I know would be on a faster path to success. I personally believe in corporate tax fairness to pay for essential public services, and Rob is right there with me. And looking at the state of our planet, we need to direct our focus on protecting our environment for future generations. He also has demonstrated the ability to work across party lines and I think that is the most important skill Rob has attained. I feel as though Rob is working for the holistic benefit of humanity and that is why he should be our state senator.

County Commissioners:

I'm writing to ask you to appoint Rob Wagner to the state senate.

I have lived in Lake Oswego for over 20 years, and I'm retired.

Before I retired, I was a Deputy Legislative Counsel for the Oregon Legislature. Over many years, I got to know Rob professionally in his role as the director of legislative affairs for the American Federation of Teachers of Oregon.

Here in Lake Oswego, I've followed Rob's activities in the community, and especially on the LO School Board.

From my observations of his work professionally at the Oregon Legislature and in the community, I believe he'd be an excellent fit to represent this community in the state senate.

Please appoint Rob Wagner to the state senate.

Thank you,

Dear Commissioner:

I am writing on behalf of the Oregon Trial Lawyers Association to register our support for Claudia Black and Rob Wagner for State Senate. As you can see from the two letters in the attachment, we feel they have different skill sets and approaches, both of which will serve our state well.

On a personal note, over my 18 years in Oregon politics, I have been through really difficult, high-stakes fights working alongside both Rob and Claudia. I have tremendous confidence in both of them to do a great job.

Regardless of how you decide, Oregonians in Senate District 19 will be represented by one of the most talented, energetic, and principled legislators in our state. We cannot wait to work with your selection in the February session and for many years to come. Thank you in advance for considering our thoughts. Thank you also for all you do for our communities. We feel completely blessed and fortunate that we do not have to be the ones making this difficult choice. Best of luck next week!!

Commissioners,

With regards to the appointment for Senate District 19 to fill Richard Devlin's seat, I would like to add my endorsement of Claudia Black. I have worked with Claudia for nearly two decades and have always found her to be approachable and willing to listen on any subject. Few individuals have her experience and knowledge of Oregon government and of the Oregon Capitol in particular. Her professionalism has made her effective in working across the aisle and with a wide variety of stakeholders. As a local elected official I have always found Claudia to be a collaborator with local governments who understands our needs and works to find practical and principled solutions.

I am writing on behalf of Rob Wagner for State Senate. I have had the pleasure of knowing Rob since 8th grade! He has been a dedicated learner all of his life. I can even remember how encouraging he was in my youth to help me develop my skills to be a learner as well.

Now as a teacher, I am looking for conscientious leaders to guide the State of Oregon. I believe Rob is that leader. Having taught in Mollala, Forest Grove, Hillsboro, and Beaverton, I have seen the needs in Oregon first hand. I believe that Rob will fight for the needs of educators and the rights of students.

I fully support and back the vote for Rob Wagner.

Subject: Why you should select Rob Wagner

I've known Rob since he was born! His father and I were third-grade classmates, and his mother introduced my bride to me.

As he grew up, I saw him become valedictorian of his class at Lake Oswego High School, while involving himself in many activities. Even then, I could see that his personal outreach and ability to listen would serve him well in a future career, though at the time I might have guessed business, instead of teaching and government. It's good to be intelligent, which he is, but it's even more important to be able to reach and support other people.

My wife is a PCP, and she's commented on how thorough Rob has been in addressing this campaign, contacting the great majority of PCP's in person, and enlisting the support of important groups of stakeholders involving many of the issues he will face if he's selected, and then wins the election this fall. This hard work led to a comfortable first-place finish in the preliminary selection ballot.

When you get Rob, you get intelligence, empathy, and dedication. It's hard to ask for more.

Subject: Rob Wagner for State Senate,

I'm writing on behalf of Rob Wagner's campaign for State Senate.

I've known Rob since high school. We ran Cross Country together, and despite him being a year older and much faster, we formed a good bond.

We went to college on opposite coasts, but we continued training together during the summers and corresponded throughout the school year, keeping tabs on each other's seasons.

After college, we communicated sporadically, as is often the case. A few years ago, Rob asked for my home address. Having no idea what to expect, I was quite surprised when he sent me a letter looking back at our friendship, and it included all those college letters I had written him. It never occurred to me that he would have kept all that stuff. It was quite a journey down memory lane!

More importantly, it reflected how genuine of a person Rob is. I think he and I share pretty similar political views, but even if we didn't, I would always trust him to make the right choice for the right reasons.

Dear Commissioners,

I am writing in support of Rob Wager's appointment to the State Senate. As a resident of Multnomah County, I recognize that I am not a constituent. However, I have had a chance to interact with Rob in several professional settings, and am convinced Rob would do a terrific job serving his constituents and Oregon as a whole.

As both the former executive director of the public interest group OSPIRG and campaign manager of the Measure 98 campaign to improve our struggling high schools, I found Rob to be a decisive, get-things-done actor with a strong public interest orientation. He is a courteous listener, makes the case for his position with integrity and a command of the issues, and is willing to adjust his position as new facts arise. I know he will make a positive difference for the public.

I am speaking solely for myself as a private citizen, not on behalf of my former employers. Thank you for considering my letter.

Sincerely,

I believe Rob reflects the values of this district and has a lifelong interest in the advancement of Oregon and the area he will represent. I believe he will bring a much-needed commitment to education to represent Oregon's best resource - its students. I believe he will be able to look at issues from the benefit of the state, the impact to counties, the importance to cities, and how decisions affect individual Oregonians. Thank you for the opportunity to weigh in and good luck with Monday's vote to represent District 19 Oregonians.

Thank you for all you do for Clackamas County citizens.

Dear County Commissioners,

I live in Lake Oswego and am a new resident. We live here with our three children who attend elementary school in the LOSD. I am an entrepreneur and a sustainability and green building consultant. I have become very active in the community since our move to LO; a member of the City of LO Sustainability Action Board, an active member in the LO Sustainability Network, on the Hallinan Elementary School Advisory Council (school board appointed) and am hoping to participate on the design committee for Lakeridge Junior High School.

I care deeply about the quality of education at LOSD, sustainability and inclusion/diversity.

We highly recommend and are supporting Rob Wagner for his deep commitment to this community and to these issues. He would be an exceptional choice for this seat.

Please support Rob Wagner for State Senate!

County Commissioners:

Please accept this endorsement of Rob Wagner for the Oregon Senate.

Rob has a naturally positive attitude, which makes it easy for people to want to work with him. He has an excellent network among business, education, and legislative leaders, earned by working tirelessly for workforce development and education. He also listens. He then takes into account the real concerns he hears and brings people together to solve problems.

I worked professionally with Rob at Portland Community College. After I retired as Workforce Development Manager for Intel in 2004, I was recruited as Director for the start up of PCC's new Center for Business and Industry 2006-2007. That has evolved into PCC's current CLIMB Center. After retiring from the Director's job, I served on PCC's Foundation Board for several years. I am currently on the new PCC Emeritus Board.

Business, industry, and education would all be well served with Rob in the Senate. He understands that a well-educated population brings business and industry to our state. Good jobs mean good wages and a tax base to support the progressive things that make our state a desirable place to live.

Sincerely,

Cheryl Ann Hinerman

Subject: candidates for SD19 appointment

Dear Commissioners,

As a precinct committee person, I had the honor of participating in the selection of a slate for the interim appointment to SD19 position vacated by Richard Devlin.

To be honest, I was pleased with every candidate that made it to the list, and think that each one of them would do a fine job.

In the first round I split my votes into 75-75 for Rob Wagner and Claudia Black, with 60 for Daphne Wysham. Since Rob was ahead, I was all in for Claudia, then all in for Daphne in the subsequent rounds.

This reflects my views still. Daphne was the strong favorite among progressives, of which I count myself as a member. Her environmental credentials are impeccable, she has a long career in policy, and has won drawn out battles with major institutions. The World Bank's recent withdrawal from fossil fuel investments is an outcome of her past efforts. In the Fall, there will be an election for the seat, and this is where my confidence in Daphne weakens. We don't know who she will have to go up against, and the candidate will have to connect with SD19 residents from a variety of backgrounds and levels of political awareness. That means the candidate must be able to communicate warmly and with broad appeal.

Once elected, he or she must be able to be influential in the legislature. That means raising key issues, proposing legislation, negotiating within our own party and across the aisle, and at the same time not caving to committee pressures when it isn't in the best interests of Oregon to let proposed legislation die without a vote.

The questions of electability and effectively navigating the legislature are why I favor both Rob Wagner and Claudia Black.

I have communicated extensively with both of them.

Rob visited with me at my house; we had an hour's conversation covering many topics; he took detailed notes and followed up with a communication tailored to our conversation. Rob is extremely personable, connects very well with whoever he is speaking to, listens, and is broadly knowledgeable. He has a sophisticated understanding of issues, experience in state politics, does the work required of a candidate in terms of door-to-door, and appears to leave no stone unturned. His energy is outstanding. He has committed to represent values

and issues I care about, and specifically said that he will not allow potential legislation to die in committee rather than be taken to a floor vote.

Claudia has made that same commitment. I was impressed with her roots in Central Oregon, her law enforcement background which will likely appeal to a broader base, and her experience working within the legislature to negotiate and make things happen. She also has strong environmental roots through her upbringing and family. I would certainly like to see more women in the Senate.

I think the choice between Rob and Claudia is a hard one. It depends on what the commissioners want from the candidate. If it is political longevity and personal charisma, Rob is the obvious choice. It is not hard to picture him as a US Senator in time.

If it is broad appeal to all types of constituents and proven ability to deal with legislators, then Claudia fits that profile. There is no doubt that she will work hard and build on her existing relationships to get legislation passed.

I realize this note may not make the choice easier, but I did want to share my assessments.

Eleanor Wynn

Dear County Commissioners,

The Oregon League of Conservation Voters (OLCV) is pleased to announce our endorsement of Rob Wagner for State Senate in District 19. Rob's experience and strong values make him the right choice for senate district 19. He is committed to environmental protection, balancing transportation priorities of local communities, including supporting much-needed funding for multi-modal transportation, and increasing the number of good-paying, local jobs by transitioning to a cleaner energy economy.

Given his passion for parks, Rob will be a champion for local communities with open space protections; and he will be an ally at the state and local level to protect our irreplaceable farmland in the Portland Metro region.

Rob Wagner's experience and leadership on conservation education at all levels will be an asset in the State Senate. He has been on the front lines fighting to protect Oregon's natural legacy for his kids as well as future generations.

Finally, with residents of the Portland Metro region spending more time and money commuting to work and burning gasoline while stuck in traffic, Rob will be a strong voice for linking affordable housing with local economic development and transportation options to spur more opportunity and more thriving economies. His dedication and local leadership for healthy communities with healthy environments set him apart in this race.

The Oregon League of Conservation Voters encourages your vote for Rob Wagner for State Senate on January 29th.

Dear County Commissioners

January 24th, 2018.

This letter is to recommend that Rob Wagner be appointed to fill the Oregon State Senate District 19 vacancy made open by the resignation of Richard Devlin. I have come to know Rob very well over the last 7 years as he and I worked together in several capacities during his employment at Portland Community College (PCC).

When Rob was Director of Government Relations at PCC, I teamed up with him and Amy Beth Stevens (then a PCC student leader who now works for Speaker Tina Kotek) to create the first Oregon Legislative Student Internships ever established at a community college in this state. Due to his extensive knowledge of (and friendly personal relationships with) legislators in Salem, we were able to place a dozen students in offices held by Republicans as well as Democrats – providing an amazing learning opportunities in a program continuing to this day. His capacity to work well with others and while respecting differences of opinion in a respectful manner impressed me greatly. As a member of the Pacific Green Party, myself, it was clear to me that he has a very pragmatic capacity to find common ground and build good policies that are in the public interest.

I retired from 27 years of teach Political Science courses full-time at PCC in 2015 after becoming the first employee ever to win elective office to the PCC Board of Directors. For nearly three years now, as one of seven PCC Trustees, I have helped oversee policies relating to the largest institution of higher education in the state of Oregon (currently serving 75,000 students on four campuses a six centers throughout a district the size of Rhode Island). During this time Rob has been employed as a Vice President at PCC with many responsibilities including working with the PCC Foundation (the primary fund-raising arm of the college raising money for student scholarships). It is not at all surprising to me that Rob was able to function in this role with the same non-partisan and collaborative disposition which I had seen him display when I was a classroom instructor.

Here is a person who treats everyone he meets with professionalism and a personal respect which can often border on genuine affection. He combines an exceptional knowledge of political systems and personalities with an endearing humor and a pragmatic desire to make public policies which reflect the common good. An exceptionally bright and skilled individual, Rob is a leader whose humility also helps him work with a wide range of people to successfully collaborate and make progress towards decisions that nurture the evolution of a better world for us all.

I recommend Rob Wagner to you whole-heartedly and without any reservations. His appointment to the Oregon State Senate will be looked upon in the future as a decision very well made. Very well indeed.

County Commissioners,

I hope you will support Rob Wagner for State Senate. He has been an active member of the Lake Oswego community. Working in

the past for political candidates, he is especially well-known and highly thought of in the politically active community. I think he would

make an excellent candidate for the state senate. Besides his knowledge of issues, he is personable, a good speaker and works hard

on behalf of the issues he cares about.

He is a Lake Oswego School Board member and is highly thought of by my friends that are active in the Lake Oswego school system.

Thank you for your consideration,

Dear County Commissioners,

I am writing to express my support of Rob Wagner to be appointed to the State Senate. I am a resident of West Linn, and attended the debate between the candidates at River Grove Elementary on January 6th. From listening to the candidates and reading about their experiences in local government, I believe Rob is the candidate best positioned to make a difference in Salem. He understands the issues, the relationships that need to be forged to make progress on the issues, and the energy to push through the challenges he will undoubtedly face.

Thank you.

Dear Commissioners –

I urge you to select Rob Wagner for the Oregon Senate. As a long time government affairs representative for many organizations I have seen Rob's successful work in the capitol firsthand. He knows the process, has a good reputation as someone who can forge consensus on difficult issues, and is well respected. Filling Sen. Devlin's shoes is no easy task, but I believe Rob has the vision, relationships and energy to do great things for his district, the region and the state.

Subject: Support for Senate candidate

Dear Commissioners,

We are blessed with an excess of riches in our candidates. However, there are two candidates who I support over all others. I will give you brief reasons for this support and hope that it is useful as you make this important decision:

Rob Wagner - you have seen all of his endorsements and know his intimate involvement with education at both the k-12 and community college level. He has proven tireless not only in reaching out to possible supporters, but in framing his campaign around important policy issues. This demonstration of involving citizens in the process of thinking about policy is valuable. A demographic that brings me to support Ron is his age. I have worked for and watched good legislators who serve a term or two and then quit because they cannot afford to serve. These are relatively young people, leaving us with legislators who are older. By Rob's account, his family has committed to his involvement in this process over a long time and he may be able to find ways to serve in spite of the low pay. This is important to me. I look forward to being represented by him for a long time if that occurs.

Claudia Black - The other demographic that I find important is the shortage of women in the Senate. While Oregon in general does a good job of placing women in high positions, this is one area where we are still lacking. Claudia has proven she is adept at understanding a range of problems that will come before the legislature. She has worked in many areas and this breadth of experience should serve her well. During this appointment process, she has also reached out authentically to PCP's and others and solicited their opinions and concerns. I see her emerging as a leader for our legislature and district if appointed.

Both of these candidates have worked broadly with issues that affect Oregonians, have worked closely with the legislature, and have good contact with their future constituents. I see either one able to walk into a session and immediately begin the process of governing. I see both of them able to work collaboratively without giving up passion. I would be proud to be served by either candidate.

Thank you for your consideration,

Carol Greenough

I would like to add my voice to the many supporting Rob Wagner's candidacy to the Oregon Senate. I've known Rob for over 20 years and worked closely with him for several years at the Legislature when we were both lobbyists. Rob always had a unique and uncanny way of communicating complicated issues in an easy-to-understand manner, that skill will serve him well on the other side of the dais.

I have been a locally-elected official for over 25 years (Chehalem Park & Recreation District Board of Directors), so I have a good feel for what it's like to be in a decision-making role that reports to the citizens/taxpayers. I have no doubt that Rob will be an excellent Oregon State Senator.

Subject: Your selection for Senate District 19

Dear Commissioners;

I am writing to offer my enthusiastic endorsement of Rob Wagner to replace (the hard to replace) Richard Devlin and represent the people of District 19. I've known Rob for over 15 years, in a multiple capacities, and believe him to be ethical, well-informed, hard-working, consensus-seeking, and a true champion of working families, especially around issues of education and employment.

Certainly few have the extensive experience Rob has working with the Legislature--which would allow him to "hit the ground running." I worked with Rob for over a decade while I was with Portland Community College and he was with AFT-Oregon, and found him to be bright, articulate, well-organized, insightful, and passionate in his support for working people.

As a retiree from Portland Community College--which, like Dist. 19--straddles Clackamas, Multnomah and Washington Counties--I've appreciated Rob's time at the college, and was pleased that I strongly supported his application to become the college's "point person" with the Oregon Legislature. One thing I appreciate about Rob's time at PCC is that he didn't simply work as a legislative liaison, but spent countless hours finding out exactly what goes on at PCC, in both academic and technical (workforce) areas, providing him an excellent breadth of knowledge about how high school/community college/four-year institutions do--or could--interact.

I believe that his being in that position also provided him the opportunity to learn about setting boundaries, and while he absorbed much while working for AFT-Oregon I know from personal experience that he was able to utilize that background while still understanding that he represented the college in his work with the Legislature. I am fully confident that, as a State Senator, Rob will work hard to represent all his constituents in District 19. Yes, he worked for a union, and for a college, but I believe he can still take a broader view and work with any and all constituencies to make real, positive change happen in Oregon.

My wife, a retired Lake Oswego School District teacher (over 25 years), knows Rob as a father of children attending those public schools. We supported Rob's desire to become a school board member, both to learn more about education in Oregon as well as to be an advocate for children, bringing his active mind to bear on the myriad of thorny problems facing education, especially in Oregon today--from the trenches.

My wife is an Oregon native, and while I've only been here 40 years (I also taught in Southern California), I've watched the deterioration of education in Oregon, and been distressed by it. Rob's breadth of background in education, K through graduate school, brings an important voice to the Legislative "table" as 90 people try to alter the path of Oregon's education, and restore us to the "better than average" standing we had when I arrived here in 1978; rather than the distressing near-the-bottom position we hold now. It will take a consensus-builder to do that, and I can see Rob in that role.

Oregon--and our Legislature--needs people like Rob if we're to again become a state cited as a positive example for our education, rather than an example of what other states want to avoid. I trust and respect Rob, and believe there is no better choice to represent District 19, Clackamas County, and all Oregonians.

Sincerely,
Michael Morrow

Subject: Please Elect Rob Wagner to State Senate

Dear Clackamas County Commissioners,

Please support Rob Wagner for State Senate. I truly believe **Rob is the choice who will succeed in the reelection campaign in November, and is well positioned for higher office in the future.**

Rob's family and mine have known each other for 5+ years as our sons have played baseball together. Through our personal interactions, I have appreciated:

- **Rob's sense of humor and fun, which is always useful in getting things done,**
- **His warm manner with friends and family, and**
- **His competitiveness with honor.**

As I became active with **diversity and inclusion** issues in Lake Oswego, I found that Rob shares this passion. As a school board member, Rob has made great headway here with the LOHS school board and with the City of Lake Oswego. In the Trump era, there is a groundswell of activism in this area that brings support for Rob.

I attended the recent Democratic convention to replace our State Senate seat, as a Precinct Committee Person, For 8 hours, I listened to Q&A with all the candidates, and found Rob to be:

- **The most polished, engaging, youthful, charismatic---and ELECTABLE candidate.** We need new fresh voices!
- **Passionate with education and conservation issues.** Rob's comes from a family of teachers and environmentalists.
- **Experienced in policy making and advocacy from his career in legislative affairs and advancement.**

When it was announced that Rob had the vast majority of votes at the recent Democratic convention, Rob was emotional as the crowd cheered for him. Public service is his dream. I envision Rob progressing on to roles as Oregon's Governor or U.S. Congressman, with the support of like-minded Oregonians.

Thank you for supporting Rob Wagner for State Senate.

Best Regards,

My name is Isaac Wilkenfeld and I am a PCP in West Linn. I have followed Rob Wagner throughout his campaign and am very impressed with his work ethic and his commitment to Oregon. I would like to urge the commissioners to appoint Mr. Wagner to the State Senate replacing Senator Devlin. I, and many residents of Clackamas County feel he will be the best choice.

Thank You for Your consideration.

I was a student at PCC, participated in and then the next year was in charge of the legislative internship. I worked closely with Rob. Not only do I think he's incredibly impressive and supportive, he truly had our needs and best interests at heart. I know he will support education and the needs of the people he will represent if he had the opportunity to become a state senator.

I live in sw Portland and am currently a student at PSU studying psychology. I also work full time.

Thank you,

Dear County Commissioners,

I am writing you to support Rob Wagner for the appointment to Senate District 19. As a local Park Ranger I am passionate about the protection of natural areas for the next generation and believe that Rob will be a strong voice in the State Senate to support preservation. Also, I have known Rob my entire life, as he is my brother, so I speak personally that in a political climate where we need leaders to bring back positive role models in our communities, as a new father myself there is no better role model to aspire to than my brother. Please support Rob Wagner for State Senate!

Hello County Commissioners,

I am writing to encourage you to choose Rob Wagner for Senate.

Rob obviously has many important endorsements and accomplishments.

Having said that, I want to emphasize the personal qualities Rob provides; he embodies the important qualities of enthusiasm, friendliness, approachability (keen listening skills), sincerity, and the ability to compromise that we so importantly need in a candidate for the inevitable run against a Republican (or other opponent) in the next election. Rob is the complete package, and I believe he would be more than competitive with whomever the Republicans (or others) throw our way.

Thank you for your consideration of Rob Wagner for Senate.

Subject: Endorsement for Rob Wagner for State Senate District 19

Dear County Commissioners,

I am writing to urge you to vote for Rob Wagner as our appointee to Richard Delvin's Senate District 19 seat.

I support Rob because for several reasons:

These are difficult times for our country and for our state. We need representatives who are respectful, can work well with others, and can effectively communicate with citizens across the state.

We need a bold leader who is well-organized and persuasive. I appreciate Rob's work in the areas of education and climate disruption.

Rob is passionate about education for Oregon students--all of them, at all levels, in all corners of our state, and at all economic levels. Our democracy functions best with a well-educated population.

The climate matters urgently to all of us. We have seen the effects of drought, forest fires, and mudslides. We cannot afford to wait for a miracle. And waiting until 2030, which once seemed like a forward-thinking deadline, is no longer prudent.

I know Rob and his family for a long time; my son went to school with his younger brother thirty years ago.

I trust Rob's commitment to issues and values that matter to all of us. He is an effective leader and will serve us well.

Thank you for all that you do.

Greetings Commissioners:

I write to express my fervent hope you'll select Robert Wagner as the next Senator for District 19. Neither each of you, nor the voters of District 19 will be disappointed in his knowledge, energy and deep willingness to serve and represent the interest of the district.

I have known Rob for well more than a decade, since, as Executive Director, I hired him as Director of Political and Legislative Affairs for AFT-Oregon. He is well-versed in Oregon government and it's Legislature. Having the experience of many difficult and trying special and regular sessions is a proving ground for anyone willing to undertake governing responsibilities. He quickly gained and maintained a strong reputation as an earnest listener and advocate in processing the myriad interests faced in law-making.

His appointment will be a wise choice and a boon to the district.

I live in Portland, and would not be able to vote for him. But, I am committed to seeing a strong functional legislature and I believe Rob is the choice to fulfill that vision.

Thank you for considering this message of support.

Sincerely,

Rob is a former colleague of mine at Portland Community College, and during my time working alongside him, I can tell you without hesitation that if he shows half as much dedication, compassion, and responsiveness to his constituents as he did for the students of PCC, you could not find a better state Senator. Subject: Appointment of Rob Wagner to the Oregon State Senate

Dear Clackamas County, Multnomah County, and Washington County Commissioners:

I write to you to enthusiastically endorse the appointment of Lake Oswego School Board member Rob Wagner to the Oregon State Senate. Rob is a dedicated leader and public servant who has all of the skills, energy, and intelligence to positively shape public policy outcomes for years to come.

My family and I live in Clackamas County and my kids attend Lake Oswego Schools, where Rob serves as a board member. He ran for school board because he cares deeply about public education and because he wanted to take a stand against bigotry and racism in Lake Oswego. Serving on the school board has been a good fit for him, because he does his homework. Rob puts the time in, studies the issues, and listens to citizens. These same habits and skills will serve him and his constituents well in Salem. He has a sharp mind and a heart for equity. He is exactly the kind of person we need in the state senate.

I recently became a Democratic precinct committee person, and attended the nominating convention on January 6th. The energy and support for Rob in the room was palpable. In my mind, there was never a question whether Rob would be nominated, but it was incredible to see how quickly most voters settled on him as their first choice. Rob commanded respect for almost everyone in the room. If he is chosen to replace Senator Richard Devlin, and runs for election, this support will be very important, given the makeup of Senate District 19. I know voters will support your decision if you nominate him. Like many other PCPs, I will be knocking on doors for him when the time comes.

Please select Rob Wagner for the open Senate District 19 seat. He is simply the best person for the job. Thank you for your consideration.

Dear County Commissioners:

It might be strange to get communication from Klamath Falls regarding a candidate that doesn't represent this constituency. I, however, want to let you know that Rob's reach is more than local... he has touched lives in other areas of the state. I have known Rob Wagner for a couple of years and engaged with him in a leadership role. He is passionate about his community and loves the work that involved making lives better for others. He has an infectious dynamic energy that serves to bring people together in the spirit of doing what is right. I also have never met anyone so intelligent and informed about political issues that isn't already in office and feel confident that his understanding of serving others through political systems is perfectly suited for this next chapter in his career.

I encourage you to endorse Rob Wagner as a candidate and look forward to hearing an extremely positive outcome with such a great leader.

Please accept this letter as my personal support and endorsement of Rob Wagner's appointment to the open seat for Senate District 19.

Rob is passionate about all the great things that make Oregon an amazing place to live. His values are perfectly aligned with our district. He has always been an advocate for education, children's health and welfare, working families, creating a fair and stable revenue system, and has lead the march for civil rights and social justice. Having worked with Rob I know firsthand that he is level headed, fair minded, and takes listening to concerns from all aspects of an issue to heart.

As a current resident of the Mountain Park area of Lake Oswego, I am excited by the possibility of Rob following in the incredibly capable shoes of Senator Richard Devlin.

It is my hope that the Commissioners will agree on Monday that Rob Wagner is indeed the ideal candidate to complete Senator Devlin's term in office. I look forward to helping him secure the seat for the upcoming full term during the primary and general elections during this coming year.

Dear Commissioners,

My name is Dave Johnson and I live in SW Portland. Rob Wagner is my brother-in-law. I am convinced Rob is THE best choice for the Oregon State senate district 19, because of his tireless work for people.

I've known him since the spring of 2011. When I married into the Wagner clan, I soon learned Rob is genuine and easy to talk with. I've sat across from him at awkward and not so awkward family meals, graciously discussed politics, cheered with him on the sidelines of children's sporting events and cried with him at family tragedy. Over the last seven years, I can say with confidence that Rob Wagner is present. He listens to understand. He rolls up his sleeves, and with little fanfare, gets the job done.

Rob will make District 19 and the State of Oregon proud.

I was lucky enough to meet Rob Wagner when I worked on Jon Gustafson's campaign for mayor. Rob worked with my mom and was the one who told her about Jon and his campaign, suggesting that I talk to Jon about a job. Rob did an amazing job with the campaign and was great to work with. Since then I have watched his campaign for school board and then state legislature. I support Rob's campaign because he is truly a good man. He understands politics and listens to what the people want and need. He would represent Clackamas county well and make the people proud to have him fighting for them. I live in Salem but I wish I lived in Rob's district. I would feel honored to have Rob in the legislature and helping to make Oregon better for all Oregonians. I hope that you consider him for the position.

I am sending this email in support of Rob Wagner for State Senate. I feel strongly that Rob Wagner is an excellent candidate for this position as he has demonstrated strong leadership skills in both our local and broader communities.

I am a resident of Clackamas County that has lived in Lake Oswego for 12 years. I am the proud parent of 2 children and I am an educator. As an organizer for the Respond to Racism in Lake Oswego Group, I recognize Rob's mission to make our community a better place for all citizens as a great fit for our state's legislature. Rob has demonstrated a strong commitment to improving educational outcomes that are equitable and attainable for underrepresented youth and their families. I am in support of a State Senator that is focused on building relationships and isn't afraid to have the difficult conversations that lead to change.

I've personally witnessed Rob take action by being present at local community meetings and gatherings where he's come to the table in an active role by addressing the issues and challenges faced by organizations, civic groups and members of the community.

I am pleased to support Rob Wagner for State Senate. I believe his leadership experience combined with his strong commitment to the interests of his community make him a qualified candidate for representing District 19.

Good morning Commissioners,

I am writing in support of my friend Rob Wagner's candidacy for Oregon's State Senate and hope that you will vote to support his appointment.

I met Rob when both of us were a lot younger, back in the hey day of XPAC, the XGeneration Political Action Committee. We were progressive young professionals who sought to be engaged in the political life of our community. Rob and I became fast friends and I was so very honored to have his support when I ran for the Multnomah County Commission in 1998 and he was a close adviser in my race to serve on the Portland City Council.

I could count on Rob for astute political advice. Having grown up in Oregon and having developed his professional career and raising his family here, he understands Oregon, the issues our families are facing and how to best work toward solutions that will work.

As a former Multnomah County Commissioner I remember voting for these sorts of appointments. The votes were never easy, there are usually good people to choose among. I'm sure that's been true for you too. You shouldn't hesitate to support Rob, however, he's smart, a hard worker, knows how to build coalitions and cares deeply about all Oregonians.

Please support his appointment, thank you for all you do!

I am writing to ask that you support Rob Wagner for State Senate. I have known Rob for nearly 10 years and he has always been a strong voice for Oregon teachers, students, and families. He supported me numerous times when I was president of my faculty union at PSU and I have seen him stand up for community colleges, graduate teaching assistants, primary and secondary schools, and quality education standards for students throughout Oregon. He is a father and I know he cares about his kids and the kids of our state. He has a deep understanding of the many different perspectives of people across Oregon and I think he will represent them fairly on a wide range of issues. I urge you to support Rob Wagner for State Senate.

Hello, I am writing in support of Rob Wagner's campaign. I have known Rob since college at Portland State University and he has ALWAYS been the same energetic proponent of social justice that he is now. I recall one conversation where I told him to be patient and the differences in opportunity for all races will equalize and he gave me a passionate speech about "If not now, when?!" He explained that is a stalling technique and that he would not wait. He was my biggest fan when I joined the USMC as a young officer. I am proud to call him a friend and I know he will do great things when elected. Good luck and thank you for considering my input.

Subject: Please support Rob Wagner for SD 19

Hello Commissioners,

Having gone through the process you're going through as a County Commissioner myself, I know how difficult an appointment process can be. There is a lot to balance and weigh, and the stakes are high.

As a former legislator and commissioner, and as a voter and PCP in SD19, I'd like to offer my perspective:

Rob has what it takes to be an effective Senator, and I want him as my Senator. The Senate is a challenging environment. It takes someone who is willing to listen, to understand policy, and who can craft unusual alliances. It takes someone who puts outcomes above politics, and can be a clear, independent thinker who can evaluate tradeoffs. We have too little of that in government right now. But Rob, uniquely in this race, is that person. He's also one of the hardest workers I know.

I know the other candidates in this race, and have worked with one in particularly very closely. I have also worked with Rob for years. Rob is the best choice for SD 19. No matter your issues or perspectives, you won't be disappointed.

Feel free to contact me if you have any questions.

Best,

Commissioners,

It is with great hope and pleasure that I lend my full support to Rob Wagner for SD19 appointment. I have known Rob since 2006, and have seen that his tireless work ethic for all causes Oregon, and for Oregonians, has been exemplary. His sensitivity to men and women alike, in addition to knowledge of the big picture while still never losing sight of the impact on individuals, classes of individuals, and families has been excellent.

Without hesitation, I give my full recommendation to you for Rob Wagner for SD19.

Dear Clackamas County Commissioners,

I urge you to appoint Ms. Daphne Wysham as State Senator for District 19. Ms. Wysham, with her long and distinguished record of public service and leadership in respect to environmental and social justice issues is the right person at the right time for Oregon.

"Few have worked harder or more effectively than Daphne Wysham to help solve the climate crisis – and in the true Northwest spirit of creativity and collaboration." – Bill McKibben

"She is at once highly principled and intensely practical, able to win concrete policy victories while staying true to her vision for a better world." – Naomi Klein

Good morning my friends and respected colleagues,

I've been meaning to reach out and speak to each of you on this issue but my insane schedule has meant that we would be talking at 10 at night. ☺

You have an important vote coming up. The state senate is somewhat dysfunctional right now. We need more people with focus and determination in office. All three of your potential choices for SD 19 are good people, people who will vote the right way on most issues if given the chance to vote on it. The senate has a lot of people like that.

What it needs are fearless, driven people who will champion critical causes, who will relentless push on leadership to do the right thing and who will call leadership out when they fail.

The single most critical issue facing mankind is climate change. It is also an issue that the Senate has failed to act on repeatedly. I have known Daphne Wysham for a number of years now. I find that she is fearless, relentless and wicked smart. She has devoted her life to addressing climate change in powerful ways and against all odds - has had some significant successes.

All three of the people you are considering are smart, have good hearts and are electable, they will understand all of the issues facing this state and be on the right side of those arguments. What sets Daphne ahead of the other two in my opinion, is that she will be a climate champion, something the Senate sorely needs, particularly if the rumors are true that Senator Dembrow is considering retirement.

Please vote for Daphne for the open senate seat.

Feel free to reach out if you have questions.

Sincerely,
Mark Gamba

Why do you support Daphne?	Daphne Wysham has the spine to stand up to special interests in Salem. She goes the distance when she fights for causes she believes in--whether it's addressing climate change and income inequality or making sure we have high quality public schools and affordable health care. All Oregonians would be fortunate to have such a committed, smart woman serving in SD 19!

Why do you support Daphne?	I feel she has invaluable experience and the depth of knowledge to really pursue the agenda that she, and the other three candidates, support: championing the environment and gender equality. I am particularly passionate about having a woman elected to this position as the representation of women in our government is so disproportionate to the population. If Justin Trudeau can have half of his cabinet be women, surely we can do better. If you do not elect Daphne Wysham, please elect Claudia Black. Thank you!

Subject: State Senator for District 19 - Nominee Daphne Wysham

Dear Clackamas County Commissioners

At this unprecedented time of costly and dangerous climate change, when Oregon's Legislature must take action to do what we can in the face of Federal inaction, your selection of District 19 Senator is crucial. Daphne Wysham is the only one of our three nominees who has the knowledge and experience to make Oregon a leader instead of a follower in this policy area. By appointing her Senator you could help create the effective solutions that our Counties need, including increasing the potential jobs we could have here working on renewable energy.

All three nominees are capable, motivated, knowledgeable about the political process, and agree on many issues such as health care and public education. Daphne Wysham, though, has more to offer. She has accomplished so much already that she is endorsed by Bill McKibben, Naomi Klein, and others. She understands that the current "cap and invest" proposals many consider adequate need more work to be effective. As written, they omit deforestation as a major greenhouse gas contributor. With Daphne in the Senate, Oregon can make these proposals more fair as well as more effective.

I strongly believe we need Daphne in our Legislature now, as it is ready to consider major climate change and other legislation. She is a proven climate leader and we are lucky she is willing to work for us as a Senator. Please help Oregon take advantage of this opportunity by appointing her.

Thank you very much,

Beth Woodward

Why do you support Daphne?	I support Daphne as a candidate for the Oregon State Senate because I have been very impressed in the way she has performed as Director of the Climate and Energy Program for the Center For A Sustainable Economy, which is based in Lake Oswego. Daphne is very deeply committed to helping Oregon reach its greenhouse gas emission reduction goals in 2020, 2030, 2040, and 2050. Daphne is bright, articulate, knowledgeable, and forceful. She would be a great addition to the State Senate.

Why do you support Daphne?	If Winona Laduke, Bill McKibben, and Naomi Klein endorse Daphne Wysham, it's an honor for me to do so. She will bring her expertise and passion for fighting climate change to the Oregon senate. As a union member, she will work to deepen our commitment to creating clean energy jobs - good family-wage, union jobs, weatherizing our homes and buildings, installing sustainable, renewable energy, expanding our public transportation options, and building the next generation of seismic-safe modern infrastructure that will make our community economically strong and resilient.

Why do you support Daphne?	Daphne is a brilliant, passionate leader who has years of working in Washington DC along side Bill McKibbin and Naomi Klein as a change agent for the environment and against corporate greed. She single handedly brought mayors of west coast cities to sign on the no new fossil fuel infrastructure like the plan we now have in portland Oregon. Climate chaos is the largest problem we have in the world today for our children's future. Daphne will knowledgeably be our change agent for a better future for our children,our diverse communities, our forests and our air and water. What could be more important.

Why do you support Daphne?	Daphne is a brilliant and dedicated community organizer and policy maker. She deeply understands the root causes of much of the problems we are facing as a state, as a nation and on this planet. Her research on and advocacy for climate justice and her commitment to a just transition to a green economy is unwavering. Daphne has extensive experience working with people from diverse economic, cultural and political backgrounds and is gifted in finding solutions that benefit everyone. As a teacher, mother and climate activist, I believe that Daphne will push for education in our schools that addresses climate justice and equips our youth to creatively and wisely prepare for the reality of climate change in a compassionate and just manner. Daphne listens, learns and acts. Right now, more than ever, we need her leadership, her spirit of collaboration and her determination to work on difficult issues in difficult times.

Why do you support Daphne?	I am writing in support of the election of Daphne Wysham for state senator, District 19. Daphne is an energetic, active and well-informed woman who has devoted many years to working for the very best quality of life in Oregon. She communicates well with her colleagues and the public. I believe she will be an outstanding addition to Oregon's legislature because she has the background and credentials to help build a stronger, thriving Oregon. Daphne knows there is an urgency for the senate to be working effectively on the issue of climate change. I urge you to look to the future and select Daphne for Senate District 19. She is the right choice.

Dear Commissioner *Bernard,*

I'm writing to ask for your support in endorsing Daphne Wysham for the Senate District 19 appointment. Although we have three amazing candidates, I support Daphne due to the match between her skill set and current circumstances. Daphne is an expert on sustainable development as well as being one of Oregon's top climate champions, making her the best fit under current conditions. Daphne is the right person at the right time.

The facts are clear:

- Oregon is presently facing epoch-making environmental challenges, from Trump's federal government and fossil fuel interests, the likes of which we have never faced. Kate Brown may or may not be re-elected this year.
 - Our state legislators in Salem have a long track record of being ineffective and indifferent when dealing with the simplest environmental legislation under the best circumstances, such as basic oil train safety. Just ask Arlene Burns, mayor of Mosier.
 - It is widely rumored that Senator Dembrow, Chair of the Senate Committee on Environment and Natural Resources will be retiring. If true, it could have a bearing on this appointment and we should to be aware--in order to get an idea of the bigger picture going on.
 - Alan Olsen, the simpleton climate denier from Clackamas County, who receives large campaign \$\$\$ from fossil fuel interests, was appointed to Vice Chair the Senate Committee on Environment and Natural Resources by Senator Peter Courtney.
 - EMERGING RISKS FOR LOCAL AND STATE GOVERNMENTS IN 2025
(according to AXA- a huge player in the Global Insurance Industry)
- 1) Climate Change- For the third year in a row, environmental risk has claimed the top spot in the ranking of emerging risks in the INSURANCE INDUSTRY. Mainly affecting coastal regions. Construction expertise along with regulations in flood zones is one of the best examples of how public authorities can work together for change and better outcomes. We must be working with other coastal states and governments to reverse the effects of climate change, as well as taking into account the seismic and volcanic activity in our region..
 - 2) Cyber Risk- Cyber risks can affect hundreds of thousands of people across hundreds of countries in a matter of minutes.

3) Artificial Intelligence and Robotization- As implementation of these systems will continue to be more common practice, we must be concerned that these automated systems can be hacked by others to cause physical destruction as well as data destruction and network destruction. We are at a significant juncture and we need to determine appropriate policies going into the future.

4) Financial Risk- Linked with financial risks in China, that will have to be sorted out in the medium term. Ultra-low interest rates have supported valuation for most real assets, while current policies have not succeeded in lifting the growth. A withdrawal of central banking easing policies, without appropriate fiscal and structural policies in place may lead to financial markets unraveling.

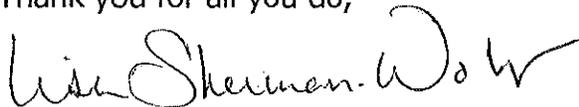

5) Natural Resources Management- The fifth risk factor, according to global insurance authorities, is the realization that the world economy is reaching a sustainability limit. As a result, they are anticipating global water shortages and more wildfires. Recommendation of the INSURANCE INDUSTRY: "Push on multiple fronts to remove perverse incentives that encourage exploitation of natural resources such as fossil fuel subsidies and develop regulations that are aligned with sustainable development."

6) Emerging Risks- Revolve around concern about pandemics, resistance to antibiotics and recent fears concerning endocrine disruptors.

My question: Is our current state legislature up to these challenges? 2025 is only 7 years away, yet our state legislators are focusing their attention on bicycle helmet laws? Making marionberry pie our state dessert? Hagglng with AFT over pensions for decades? How do we improve our state government without appointing or electing a game-changer into office and electing others who will do the same? Do the other 2 candidates presently possess the bandwidth to take on these challenges?

Daphne has the pedigree, the education, the credentials and a full body of work experience behind her that have me convinced that she is the game changer of our time and she needs to be in Salem. Please Google Daphne Wysham. Look at her C-SPAN videos. Read her publications. Daphne has big names behind her, but what she needs is your name behind her.

Thank you for all you do,

Lisa Sherman-Wolf

Dear Sharon,

Thank you for contacting Multnomah County Commissioner Jessica Vega Pederson. Your comments have been shared with the Commissioner and will be included in the deliberation materials for the Multnomah, Clackamas, and Washington County Commissioners.

Commissioner Vega Pederson appreciates your input on this matter. As a former state legislator, she understands how important this nomination is to helping solve many of our statewide issues around education funding, services for seniors and other vulnerable populations, clean air, our state's climate goals, and many other pressing and important issues.

If you have further questions or testimony please don't hesitate to reach out again.

The Multnomah, Clackamas, and Washington County boards of commissioners will meet in joint session on Monday, January 29, 2018 at 1:30 pm at Marylhurst University in Flavia Hall, 17600 Pacific Highway, Marylhurst, Oregon 97036.

Hello Commissioners of Clackamas, Washington, and Multnomah counties,

My name is Sharon Selvaggio and I live in Senate District 19 at 6615 Lowry Dr., West Linn.

I am writing to ask for your vote to appoint Daphne Wysham to the Senate seat recently vacated by Sen. Richard Devlin.

I would like to see Daphne appointed to the seat because I feel she will best represent District 19 and the State of Oregon. In particular, Daphne is active in many civic causes, and is a leader on environmental and climate change issues. She has been engaged on issues of policy for many years, as is evident from her resume, and would make for an accomplished addition to the Senate. Daphne has also shown her commitment to social justice through her work on the West Linn Alliance for Inclusive Community.

She represents my views and I hope that you will support her for this Senate seat.

Thank you,

Sharon Selvaggio

Why do you support Daphne?	I believe Daphne will be a fantastic County Commissioner for Clackamas. I've been fortunate to have met her and create a friendly relationship thus getting to know her and what she stands for. I believe in her and trust that she will be a great addition to the team specifically because of her activism regarding climate issues. She is smart, bright, dedicated and willing to stand up for Clackamas County residents.

Hello commissioners,

I want to take time to reach out to you and express my support for these ladies. I know only one person can be chosen; I sincerely hope it's either Ms. Wysham or Ms. Black.

Both of these women have impressed me with the depth and breadth of their knowledge on the issues facing Oregon, each bringing their own unique perspective, thus making it difficult for me to choose to support one over the other. I can say that I feel strongly that either would be an excellent choice. I also feel strongly that we need more women in these positions, so I am urging you to consider choosing one of these extraordinarily qualified and strong women for the Senate District 19 position.

Thank you for your time,

Subject: Please Select Daphne Wysham for Senate 19

Hello Commissioners,

I am a resident of Senate district 19, 97219 near Tryon State Natural Area. I urge you to select Daphne Wysham to represent us in Senate District 19.

She is strikingly qualified to make Oregon a leader in green house gas emissions. This is the big issue and question that faces us as a state and as a nation in this moment, despite the distractions at the federal level. How we act now will decide for generations how we are remembered. What did we do when we knew?

While Claudia Black and Rob Wagner are competent and progressive individuals, no doubt, they are not the cutting edge and visionary statespeople we need in this dire hour. We need a senator who can contribute to making Oregon move forward with climate policy commensurate with the imperatives communicated by the scientific community. Daphne Wysham is that individual.

Making Oregon a leader in Climate change action will have many rippling positive effects. Oregon's depends in large part on our perception as a leader in environmental issues. This is for immigration, recreation, tourism, branding, political clout etc. In recent years we have not been walking the walk and people are starting to notice.

thank you for your consideration,
Byron Harmon
