**2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.**

The HRSA Division of Nursing has awarded the Multnomah County Health Department (MCHD) a cooperative agreement funding innovations in Interprofessional Collaborative Practice (IPCP). IPCP environments are comprised of high-functioning diverse professionals with a collective identity who collaborate and communicate effectively to increase access to care and achieve high quality patient and population-centered outcomes. The overarching goal of the NEPQR-IPCP program is to support the development of collaborative practice environments that deliver patient and population-centered quality health care that is safe, efficient, effective, and equitable. In addition, the NEPQR-IPCP program aims to promote interprofessional team work and coordinated team-based care by increasing the number of nurses skilled in interprofessional

collaborative practice.

The MCHD project will provide interprofessional care and transition planning for people in Multnomah County jail facilities who have co-occurring chronic physical and mental health conditions and also have a high number of bookings. In addition, field support will be provided by community health workers to connect participants to community-based services, providing continuity between jail and community-based care. This will fill an existing gap for this vulnerable population who cycle in and out of Corrections and often experience fragmented care. In addition to developing nurse-led innovations in IPCP, the project objectives include improving care, better health outcomes, and reducing costs.

This budget modification supports Program Offers 40030: Medical Directors (Physician, Nurse Practitioner, and Nursing) and 40050A: Corrections Health Multnomah County Detention Center (MCDC).

**3. Explain the fiscal impact (current year and ongoing)**

Approval of this budget modification will increase Multnomah County's federal/state FY 2015 budget by \$496,112. There is no increase to County General Fund expenses.

**4. Explain any legal and/or policy issues involved.**

None.

**5. Explain any citizen and/or other government participation that has or will take place.**

MCHD will collaborate with the Multnomah County Sherriff's Office, the Department of Community Justice, and community based organizations.
