WHEREAS, the Board of County Commissioners (the "Board") of Multnomah County, Oregon (the "County"), has received a request as set forth in a Letter of Intent, attached hereto as Exhibit "A", from the University of Portland, a qualified 501(c)(3) organization and an Oregon nonprofit corporation (the "University") wherein the University requests the County to issue Education Facilities Revenue Bonds, Series 1997 (the "Bonds") for the following purposes:

- (1) construction and equipping of a new science building;
- (2) construction and equipping of a new residence hall;
- (3) remodeling and equipping the Mehling Hall residence;

(4) the acquisition, construction and equipping of other facilities for the University to fund a debt service reserve fund and the costs of any bond insurance or surety bond premium; and

(5) to advance refund the County's Education Facilities Revenue Bonds, Series 1994, dated June 1, 1994 and issued in the original aggregate principal amount of \$20,765,000 (the "Prior Bonds"), if such refunding is in the best interest of the University and in compliance with Oregon Revised Statutes Sections 288.605 to 288.695.

The above purposes, including the costs of issuance of the Bonds, are collectively referred to as the "Project".

WHEREAS, the County is authorized as a municipality defined in Oregon Revised Statutes 352.790 to 352.820 to issue education facilities revenue bonds for the benefit of non-profit educational institutions within the State of Oregon. The Bonds shall be issued pursuant to Oregon Revised Statutes Sections 352.790 to 352.820, 288.605 to 288.695 and 288.805 to 288.945 (collectively, the "Act").

WHEREAS, Section 145 of the Internal Revenue Code of 1986, as amended, authorizes a governmental unit to issue its tax-exempt bonds for qualified Section 501(c)(3) organizations.

WHEREAS, the County is advised that upon issuance of the Bonds, the County shall enter into a loan agreement whereby the proceeds of the Bonds will be loaned to the University for the purpose of financing the acquisition of qualified education facilities. The Bonds will be secured solely by the covenant of the University to provide sufficient funds for the repayment of the maturing principal, interest and premium, if any, as they respectively become due. The County does not assume any liability for the payment of the Bonds nor are any assets or funds of the County pledged therefor. The Bonds shall not be a charge upon the tax revenues of the County and shall be secured solely by the education facilities revenues pledged by the University.

WHEREAS, the Act requires that the County publish a Notice of Intent to Issue Revenue Bonds, attached hereto as Exhibit "B", in one issue of a newspaper of general circulation within the County and that no Bonds may be sold nor a bond purchase agreement executed for at least sixty (60) days following such publication. The notice shall advise the electors of the County that they may file a petition with the County asking to have the question of whether to issue such Bonds referred to a vote. If the County receives petitions totalling not less than five percent (5%) of the County's electors, no Bonds may be sold until the issuance of the Bonds is approved by a majority of the electors of the County.

WHEREAS, the University requests that the County proceed with the issuance of the Bonds and to negotiate the sale of the Bonds as expeditiously as possible in order that the University may proceed with the construction and equipping of the educational facilities and the advance refunding of the Prior Bonds.

NOW, THEREFORE, BE IT RESOLVED,

Section 1. Letter of Intent. The Board has received the Letter of Intent, attached hereto at Exhibit "C", between the County and the University wherein the University proposes that the County issue the Bonds pursuant to the Act to provide funds for the construction and equipping of education facilities within the meaning of the Act and to advance refund the Prior Bonds and loan the proceeds of the Bonds to the University for such purposes. To induce the County to undertake the issuance of the Bonds, the University has agreed to cooperate with the County for the approval by the County of all the terms and conditions of the issuance of the Bonds and the sale thereof in an aggregate principal amount not to exceed \$53,000,000. The University shall pay to the County from the revenue bond proceeds and other available University funds an issuer's fee as more fully set forth in paragraph 3(b) of the Letter of Intent. The County approves of the Letter of Intent and authorizes the Chair to execute and deliver the Letter of Intent for and on behalf of the County.

Section 2. Public Notice. Pursuant to the requirements of the Act, no Bonds may be sold, and in the case of a private negotiated sale, no purchase agreement can be executed for sixty (60) days following the publication of the notice, as set forth in Oregon Revised Statutes Section 288.815(6). The County directs that a notice shall be published in *The Oregonian*, a newspaper of general circulation within the County in the same manner as are other public notices of the County and that such notice shall contain the information required in Oregon Revised Statutes Section 288.815(6). If electors of the County file the appropriate petition with the County within sixty (60) days following publication of the notice, then the Bonds shall not be issued by the County until this Resolution is approved by a majority of the electors of the City.

Section 3. Public Hearing. Pursuant to the provisions of Section 147(f) of the Internal Revenue code of 1986, as amended, the Bonds may not be issued as tax-exempt qualified bonds until the elected legislative body of the County, as the unit of government issuing the Bonds and as the unit of government having jurisdiction over the area in which the University is located, holds a public hearing, following reasonable public notice, in order that the residents of the County may have a reasonable opportunity to be heard by the County relating to the issuance of the Bonds. The County is the governmental unit issuing the Bonds and the governmental unit having jurisdiction over the area in which the educational facilities are to be located. The County directs that such public hearing be conducted following reasonable public notice and that the Finance

Director is designated as the hearing official for the County to conduct such hearing. The Finance Director shall report to the Board the results of the public hearing, whereupon the County may approve of the issuance of the Bonds for the benefit of the University.

Section 4. Authorized Representative. The County authorizes the Finance Director, or any other person designated by the Chair of the Board, as the "Authorized Representative" to take such action for and on behalf of the County as is reasonably necessary to carry out the provisions of this Resolution. The formal authorization for the issuance and sale of the Bonds shall be subject to the approval of the Board.

Section 5. Designation of Special Counsel. The Board designates Ater Wynne Hewitt Dodson & Skerritt, LLP, as the County's special counsel to advise the County on matters relating to the issuance of the Bonds and compliance with federal and state law and to serve as special counsel to the County in the negotiation, issuance and private negotiated sale of the Bonds.

Section 6. Issuance of Bonds. The Board agrees to use its best efforts to issue and privately negotiate the sale of the Bonds for and on behalf of the University.

ADOPTED this 3rd day of April, 1997.

EXHIBIT "A"

LETTER OF INTENT

between

MULTNOMAH COUNTY, OREGON

and

UNIVERSITY OF PORTLAND

THIS LETTER OF INTENT is between MULTNOMAH COUNTY, OREGON, a political subdivision of the State of Oregon (the "County"), and the University of Portland, an Oregon nonprofit corporation (the "University").

1. Preliminary Statement. Among the matters of mutual inducement, which have resulted in the execution of this Letter of Intent are the following:

a. The County is a political subdivision of the State of Oregon, authorized and empowered by ORS 352.790 to ORS 352.820, by ORS 288.605 to ORS 288.695 and by ORS 288.815 to ORS 288.945 (collectively, the "Act") to issue revenue bonds for the purposes specified therein upon such terms and conditions as the County may deem advisable.

b. The County proposes to issue revenue bonds pursuant to the Act to provide funds for the construction and equipping of certain education facilities within the meaning of the Act (the "Bond Project") and to advance refund the County's Education Facilities Revenue Bonds, Series 1994, dated June 1, 1994 and issued in the original aggregate principal amount of \$20,765,000 (the "Prior Bonds"), if such refunding is in the best interest of the University and in compliance with Oregon Revised Statutes Sections 288.205 to 288.695 and to loan the proceeds of such revenue bonds to the University for such purposes. Revenue bonds for the new facilities and to advance refund the Prior Bonds are referred to herein as the "revenue bonds."

c. The County deems it necessary and advisable that it take such action as may be required under the Act to authorize and issue revenue bonds to finance the cost

of the Bond Project and to advance refund the Prior Bonds in a total amount not to exceed \$53,000,000.

d. The County finds that the issuance of revenue bonds to finance the cost of the Bond Project and to advance refund the Prior Bonds, and the loaning of the proceeds thereof to the University for the Project purposes constitutes a valid public purpose.

e. The University wishes to proceed with the preparation of necessary plans and specifications, and to incur expenses in connection with the Bond Project. The University does not wish to incur the costs and expenses and proceed with its plans for the Bond Project without reasonable assurances from the County that proceeds of the sale of revenue bonds of the County may be made available to finance the Bond Project. The parties consider it appropriate that the action contemplated hereunder be the subject of this Letter of Intent.

f. All references in this Letter of Intent to the County shall be deemed to include where appropriate its elected and appointed officials, employees and agents.

2. Undertakings on the Part of the County. Subject to the conditions stated herein, including the preparation and approval of the various financing documents and review and approval by Special Counsel to the County, the County agrees and represents as follows:

a. The County will use its best efforts, subject to the satisfaction by the University of all conditions stated herein and all other conditions imposed on the University by the County prior to issuance of the revenue bonds, to authorize and cause the issuance of its revenue bonds to be payable solely out of the loan payments payable by the University to the County pursuant to a loan agreement or other financing agreement between the University and the County, which revenue bonds will be in an aggregate principal amount not to exceed \$53,000,000.

b. The County will adopt such proceedings and authorize the execution of such documents as may be necessary and advisable for the authorization, issuance, sale and delivery of the revenue bonds, and the loan of the proceeds of the revenue bonds to the University to finance the Bond Project, all as authorized by law and as mutually satisfactory to the University and the County.

c. The amounts payable to the County under the loan agreement or other financing agreement shall be sufficient to pay the principal of and the interest on, and

redemption premium, if any, of the revenue bonds as and when the same become due and payable.

d. The County has appointed Ater Wynne Hewitt Dodson & Skerritt, LLP, as special counsel to the County ("Special Counsel") to participate in the proceedings, to prepare any resolutions of the Board of County Commissioners, and to approve the legality of the actions of the County and the revenue bonds and to review the preliminary and final official statements of the revenue bonds.

e. The University has appointed The Courson Law Firm to act as Bond Counsel for the revenue bonds.

f. Neither the revenue bonds nor the interest thereon shall be an obligation of Multnomah County, nor of the State of Oregon, nor the personal obligations of the elected or appointed officials, employees or agents of the County within the meaning of any constitutional or statutory provisions whatsoever, but shall be payable solely from amounts received by the County from the loan agreement and other monies pledged therefor. The revenue bonds shall not be a general obligation of the County nor a pledge of the faith and credit of the County or its elected or appointed officials, employees or agents nor a debt or pledge of the faith and credit of the State of Oregon.

g. No assets of the County shall be given to secure the revenue bonds and the nonrecourse bonds shall be repayable out of and, only out of, the University's assets and income and a municipal bond insurance policy, if any.

3. Undertakings on the Part of the University. Subject to the conditions above stated, the University agrees as follows:

a. The University will cooperate with the County for the approval of all of the terms and conditions of the issuance of the revenue bonds, and the sale of the revenue bonds in an aggregate principal amount not to exceed \$53,000,000, to finance the Bond Project.

b. At the time of closing of the revenue bond sale, the University will pay to the County, from revenue bond proceeds or other available University funds, an issuers fee equal to one dollar (\$1.00) per one thousand dollars (\$1,000) of the principal amount of the revenue bonds, but not less than \$10,000 and the University will pay, from revenue bond proceeds or other available University funds, to Ater Wynne Hewitt Dodson & Skerritt, LLP,

Attorneys, as Special Counsel to the County, fees based on the time incurred with respect to the revenue bonds and the Project and based on its standard hourly rates and in an amount not to exceed one dollar (\$1.00) per one thousand dollars (\$1,000) of the principal amount of the revenue bonds, plus actual expenses incurred, not to exceed \$1,000.

c. Concurrently with the closing of the revenue bonds, the University will execute and deliver an loan agreement or other financing agreement with the County, under which terms the University will agree to pay the County loan payments sufficient in the aggregate to pay the principal of and interest on, and redemption premium, if any, of the revenue bonds as and when the same shall become due and payable.

d. The loan agreement or other financing agreement shall contain a provision that the University shall indemnify and hold the County harmless from all liabilities incurred in connection with the offer, sale or issuance of the revenue bonds or the Bond Project.

e. The University will cause University counsel to provide the County with a legal opinion substantially in form and substance to the legal opinion provided by University counsel to the underwriters with respect to the revenue bonds.

f. The loan agreement shall also contain such other provisions as may be required or permitted by law and as are mutually acceptable to the parties.

g. The University will take such further action and adopt such further proceedings as may be required to implement these understandings.

4. General Provisions.

a. Except as provided in Section 4(b) and Section 5(a) hereof or as otherwise provided herein, all obligations arising under this Letter of Intent are conditioned upon the parties agreeing to mutually acceptable terms for the sale of the revenue bonds and mutually acceptable terms and conditions for the contracts and agreements contemplated herein.

b. The County will not charge any periodic administrative fee in connection with the on-going administration of the revenue bonds. However, the University will pay, or cause to be paid, whether the revenue bonds are actually issued or not, any fees and expenses incurred in connection with the issuance, sale and on-going administration of the revenue bonds, including without limitation, the fees and expenses of Special Counsel, Bond Counsel, financial advisor, the trustee, registrar, and paying agent. The University will also pay

the cost of its counsel, its financial advisor, municipal bond insurance or reserve fund or surety bond premiums or fees, if any, rating agency fees and underwriters costs with respect to the revenue bonds.

c. The University shall obtain, at its expense, all necessary governmental approvals and opinions of Bond Counsel to ensure the legality and tax exempt status of the revenue bonds. In addition, the University shall make no use of the revenue bond proceeds so as to cause the revenue bonds to be classified as arbitrage bonds as that term is defined in the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (the "Code"). The University also agrees to maintain its status as a qualified 501(c)(3) organization under the Code.

5. Miscellaneous Provisions.

a. The University shall and hereby agrees to indemnify and save the County harmless against and from all claims by or on behalf of any person, firm, corporation or other legal entity arising from the approval of and execution of this Letter of Intent and any other actions to be taken by the County relating to the Bond Project or the offer, sale or issuance of the revenue bonds, including, without limitation, the conduct or management of, or from any work or thing done related to the Bond Project, including without limitation, (i) any condition related to the Bond Project, (ii) any breach or default on the part of the University in the performance of any of its obligations under this Letter of Intent and any of the bond documents, (iii) any act or negligence of the University or of any of its agents, contractors, servants, employees or licensees or (iv) any act or negligence of any assignee or lessee of the University, or of any agents, contractors, servants, employees or licensees of any assignee or lessee of the University. The University shall indemnify and save the County and its elected or appointed officials, employees or agents harmless from any such claim arising as aforesaid, or in connection with any action or proceeding or costs or fees incurred in any action or proceedings brought thereon whether at trial, on appeal, in bankruptcy proceedings or otherwise, and upon notice from the County or its elected or appointed officials, employees or agents, the University shall defend them or either of them in any such action or proceeding at the University's expense.

Notwithstanding the fact that is the intention of the parties hereto that the County and its elected or appointed officials, employees or agents shall not incur any pecuniary liability

by reason of the terms of this Letter of Intent or the undertakings required of the County or its elected or appointed officials, employees or agents hereunder, by reason of the issuance of the revenue bonds or by reason of the execution of any financing documents relating thereto, or by reason of the performance of any act requested of the County, its elected or appointed officials, employees or agents by the University, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulation pertaining to the foregoing; nevertheless, if the County or its elected or appointed officials, employees or agents should incur any such pecuniary liability, then in such event the University shall indemnify and hold the County and its elected or appointed officials, employees or agents harmless against all claims, demands or causes of action whatsoever, by or on behalf of any person, firm or corporation or other legal entity arising out of the same or out of any Offering Statement, preliminary or final official statement or lack of Offering Statement or preliminary or final official statement in connection with the offer, sale or resale of the revenue bonds and all costs, fees and expenses, including without limitation, legal fees and expenses whether incurred at trial, on appeal, in bankruptcy proceedings or otherwise incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice from the County or its elected or appointed officials, employees or agents, the University, at its expense, shall defend the County and its elected or appointed officials, employees or agents in any such action or proceeding.

Notwithstanding anything to the contrary contained herein, the University shall have no liability to indemnify the County, or its elected or appointed officials, employees or agents, against claims or damages resulting from the County's or its elected or appointed officials, employees or agents own gross negligence, willful misconduct or information specifically provided by the County and included in any Offering Statement, preliminary or final.

In the event any claim is made against the County, its elected or appointed officials, employees or agents (collectively, the "Indemnified Parties") for which indemnification may be sought from the University under the foregoing provisions, the Indemnified Parties shall promptly give written notice thereof to the University; *provided that* any failure to give or delay in giving such written notice shall not relieve the University's indemnification obligations as set forth above except to the extent such failure or delay prejudices the University's ability to defend

or settle such claim. Upon receipt of such notice, the University shall assume the defense thereof in all respects and may settle such claim in such manner as it deems appropriate so long as there is no liability, cost or expense to the Indemnified Party. The University shall select legal counsel to represent the Indemnified Party and shall not be responsible for the legal fees and expenses of any legal counsel retained by any Indemnified Party without the written consent of the University, unless the County shall have reasonably concluded that there may be a conflict of interest between the County and the University in the conduct of the defense of such action (in which case the University shall not have the right to direct the defense of such act on behalf of the County and shall be responsible for the legal fees and expenses of the counsel retained by the Indemnified Party whether incurred at trial, on appeal, in bankruptcy proceedings or otherwise).

b. If the revenue bond proceeds are not sufficient to complete the Bond Project, the University agrees to pay, or cause to be paid, the deficiency.

The County and the University have caused this Letter of Intent to be authorized by their respective governing body or board of directors, and executed by their duly authorized officers as of this 3rd day of April, 1997.

The Board may establish by subsequent resolution all terms, conditions and covenants regarding the Bonds and the pledge of revenues to pay the principal of and interest on the Bonds.

The Bonds are being issued to finance capital improvements to the University of Portland (the "University"), including construction and equipping of a new science building, a new residence hall and remodeling and equipping of the Mehling Hall residence and the acquisition, construction and equipping of other facilities for the University. Proceeds of the Bonds may be used to pay certain costs of issuance, bond and surety bond premiums and to fund a debt service reserve fund.

The electors residing within the County may file a petition with the County asking to have the question of whether to issue such Bonds referred to a vote.
