

# COMMUNITY OF CONTRASTS

---

Asian Americans, Native Hawaiians, and  
Pacific Islanders in Oregon

Asian Americans  
and Native  
Hawaiian/Pacific  
Islander  
communities  
have called  
Oregon home  
since the 1800's.

## NHPI and AA are the second and third fastest growing ethnic communities in Oregon

- U.S. Census Bureau, 2000 Census SF1, Tables P8 and P9; 2010 Census SF1, Tables P5 and P6.

# Challenges

- “After years of declining numbers, hate crimes against Asian Americans and Pacific Islanders are rising exponentially.” NPR, February 17, 2017
- On Saturday, April 29<sup>th</sup>, Trump supporters marched through the Jade District, some of whom shouted to API shop owners, “Go back to your country.”
- At a recent APANO community forum, our members overwhelmingly cited hate crimes as being one of the biggest challenges of living in Portland today. Some parents spoke of incidents of anti-Asian bullying within public schools.

# WHAT CAN WE DO TO SUPPORT OUR COMMUNITY?

- Limited English Proficiency
- Gentrification and tenant vulnerability
- Poverty
- Uninsured

- API communities should be given a space of their own to gather, to meet, and to feel safe.
- API communities need affordable housing units to buttress the effects of gentrification.
- API communities need to see that the City of Portland is willing to invest real dollars towards uplifting the API community.
