Contact(s): Megan Neill

Phone: (503) 360-6222 **Ext.** **I/O Address:**

Presenter

Name(s) &

Title(s): Ian Cannon, County Engineer

General Information

1. What action are you requesting from the Board?

Approval of Intergovernmental Agreement (IGA) with the Oregon Department of Transportation (ODOT) for Right of Way (ROW) Services.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

As work on the Burnside Maintenance Project gets underway, it may be necessary to acquire temporary easements to perform construction activities. Should this be the case, this IGA outlines the roles and responsibilities between the State and Multnomah County when acquiring the property. The agreement is being executed in advance of knowing the ROW needs so that the schedule is minimally impacted.

3. Explain the fiscal impact (current year and ongoing).

There is no fiscal impact. An allowance for Temporary Construction Easements is included in the project budget. The project is funded using 89.73% federal funds and 10.27% County funds.

4. Explain any legal and/or policy issues involved.

The County will acquire any needed Temporary Construction Easements in accordance with County policies, and State and Federal regulations. ODOT will audit the County's efforts.

5. Explain any citizen and/or other government participation that has or will take place.

The County has a stakeholder and public outreach process in place for this project.

Required Signature

**Elected
Official or
Department
Director:**

Kim Peoples /s/

Date:

November 25, 2015

Note: Please submit electronically. Insert names of your approvers followed by /s/ - we no longer use actual signatures. Please insert date approved.
