General Information

1. What action are you requesting from the Board?

The Department of County Assets is requesting Board Approval of budget modification DCA-03-17 reclassifying a vacant Engineering Services Manager 2 (Job Class #9672) to Facilities Strategic Planning & Projects Manager (Job Class # 9149). Position # 716283 in Program Offer 78211-17

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This request stems from a need that cannot be provided by the current classification, which resulted in Class/Comp creating a new classification in July 2016. The reclassification of this position will strengthen the natural progression and transition from strategic planning to new commercial building construction development and will align with the division's core competencies.

The position will provide countywide leadership in the implementation of the Strategic Planning, Design, and Construction Program and will be responsible for updating the Facilities Asset Strategic Plan (FASP); providing leadership and oversight of the project management teams responsible for new construction; coordinating with the State of Oregon for matching project funds, the City of Portland for permitting, and the neighborhood associations for addressing construction impacts to the area; preparing and presenting reports to the Board, state elected officials,

members of the Legislature, community stakeholders, and other stakeholders.

Presenting timely updates to the Board of County Commissioners; working with project teams to review potential options and reviewing the risks and rewards for each option; clarifying the scope of work; identifying potential funding sources; executing work as directed by the Board.

An analysis of the Engineering Services Manager 2 and the Facilities Strategic Planning & Projects Manager classifications was performed before making an allocation decision: The duties, responsibilities and qualifications support this position is allocated to Facilities Strategic Planning & Projects Manager (9149).

3. Explain the fiscal impact (current year and ongoing).

Personnel expenses are expected to remain budget neutral for FY17. The top of the range of the new classification is 10.8% higher than the old classification. In subsequent fiscal years, the reclassified position will be subject to approved cost of living adjustments and merit increase. The financial impact of the new classification will be funded within the ongoing department's budget.

4. Explain any legal and/or policy issues involved.

N/A

5. Explain any citizen or other government participation.
