General Information

1. What action are you requesting from the Board?

Approval to apply for Child Abuse Multidisciplinary Intervention (CAMI) grant.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Oregon law requires that every county utilize a multidisciplinary approach to child abuse intervention. In 1989, the law specified that every county create a multidisciplinary team (MDT) that is coordinated by each county's District Attorney. The legislature recognized then, as it does still today, that identifying and responding to child abuse is complicated and thus requires complex collaboration and consistent team work to address child abuse situations adequately.

In 1993, the Oregon Legislature established the Child Abuse Multidisciplinary Intervention (CAMI) Program. The CAMI Program provides funding to counties for the development and ongoing support of community child abuse intervention centers and for the development and maintenance of child abuse multidisciplinary teams. CAMI grant funds come primarily from the Criminal Fines Account (CFA). CFA funds include fines assessed by justice, municipal, district, circuit and juvenile courts on persons convicted of a crime, violation or infraction.

3. Explain the fiscal impact (current year and ongoing).

This notice of intent is for funding available July 1, 2013 through June 30, 2015 and does not affect the current budget.

4. Explain any legal and/or policy issues involved.

None.

5. Explain any citizen and/or other government participation that has or will take place.
