| <p>Southeast Health Center (Kafoury)</p> | <p>Re-opening the Southeast Health Center in FY 2013 is a priority of the Board of County Commissioners. This budget sets aside \$802,015 in General Fund Contingency for the capital construction necessary to open the clinic. The Health Department is working to reduce and finalize the construction budget, right now estimated at \$1.7 million and to reach out to partners to help close the capital funding gap. The goal is to open the SE Health Center by April 2013 to ensure the successful transfer of Westside clients. The Health Department will return to the Board when budget, financing and construction plans are finalized through the FAC-I process to request release of these funds.</p> |
| <p>Couch Street Houses (Kafoury)</p> | <p>The Couch Street Transitional Houses are an asset to the County and the community, as they provide affordable transitional housing options for women under the supervision of the Department of Community Justice. With the understanding that there are fiscal challenges to the continued ownership of these houses, the Board requests DCJ form a workgroup, including members of Board staff, to look at similar County disposition processes and return to the Board by August with recommendations. The Board also requests that the recommendations include how we maintain transitional housing options for this population.</p> |

| <p>High Priority Building Projects (Smith)</p> | <p>The Board of County Commissioners directs the Department of County Assets to identify a list of high priority building upgrades, deferred maintenance, or lifecycle replacement that would maximize energy savings and efficiencies. DCA should work with the Chief Financial Officer to identify potential funding options and timelines, and return to the Board with recommendations for further action by September 30, 2012. In considering funding options, the CFO should recommend the appropriate size and scope for the relevant funding tool.</p> |
| <p>Commission on Children, Families and Communities (Shiprack)</p> | <p>In 2012, the Oregon Legislature passed HB 4165 abolishing the State Commission on Children, Families and Communities (CCFC) and established a new model for delivering early childhood services. The new model calls for the creation of Community Based Coordinators of Early Learning Services, which will replace the work of local Commissions on Children Families and Communities. Multnomah County's Government Relations Office is leading an internal Early Learning Council (ELC) workgroup to look at this new system and review the county's roles and responsibilities.</p> <p>The Government Relations Office will work with this work group and the Budget Office to develop a transition plan from our existing local commission model to the new Early Learning Council model. The Government Relations Office should report to the Board by September 1, 2012 with recommendations for a transition plan.</p> |
| <p>PERS Funding (Shiprack)</p> | <p>The Chief Finance Officer will prepare a briefing and identify opportunities for the County to mitigate the impact of PERS rate increments on direct services and offer specific recommendations as to how to manage PERS liability.
