Testimony for the July 31, 2012 Meeting

Subject: Proposed Multnomah County Library District

Agenda Topic: PUBLIC TESTIMONY AT PUBLIC HEARING

FOR

I believe that the Board should submit the proposed Multnomah County Library District along with a tax rate that allows the library to provide the services all Multnomah County residents expect. We have one of the best library systems in the country and we should continue to be recognized for our excellent library system.

I am aware of the arguments opposing the district made by Portland's mayor and others. However, the City has hurt every taxing district with its Urban Renewal program so I don't really feel sorry for it.

I urge all Commissioners to support the district and submit it for the November ballot.
