ACTING AS THE PUBLIC CONTRACT REVIEW BOARD

In the Matter of a Sole Source

Re-Engineering Software.

)
) O R D E R 91-53
)

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to review, pursuant to ORS 279.015 and AR 10.100 and 20.030, a sole source exemption, requested by the DGS, Information Services Division, to purchase Bachman Re-Engineering software, at an estimated cost of \$41,500.

It appearing to the Board that the declaration of emergency, as it appears in this order, is based upon the fact that the Bachman Re-Engineering software is the only product of its kind on the market today. The Bachman Re-Engineering software has capabilities to greatly increase the efficiency of certain operations and is compatible with existing DB2 environment; therefore,

It appearing to the Board that the declaration of emergency is in accord with the requirements of the Multnomah County Public Contract Review Board Administrative Rules AR 10.100 and 20.030, and ORS 279.015; therefore,

IT IS ORDERED that the purchase of the Bachman Re-Engineering software be exempted from the requirement of public bidding.

Dated this 18th day of April, 1991.
