Multnomah County Purchasing has been actively involved and recognized for its achievements in public purchasing with the National Institute of Government Purchasing (NIGP) through Columbia Chapter and the Oregon Public Purchasing Association (OPPA). In the last year, we received the Sustainability Award from Multnomah County for our work towards the Sustainability Surplus Property Pilot Project and the Small Business Champion Award from Business Diversity Institute, Inc. (BDI) for our work in supporting minority business firms in the Pacific Northwest region. We have also been recognized by several of our community partners including the Hispanic Metropolitan and the Asian Pacific American Chambers Of Commerce for the impact our collaboration has had in the community. We support growth and development of MWESBs by taking a leadership role in coordinating regional public sector partners to improve policies and efforts and ensure the long-term success of Minority-owned, Women-owned, and Emerging Small Businesses. March is recognized by NIGP as National Purchasing Month, making this a perfect time to acknowledge the value that public purchasing provides to our public organizations in general, and Multnomah County in particular.
