Barbara,

I need to get the attached on the Board consent agenda. Kim Peoples mentioned that I should work with you on this. I previously communicated to Ian that this was on the horizon, however I am not sure if it got on your radar. Please advise.

Regards,
Megan

To All:

ODOT is unwilling to make most of the recommended changes to the attached IGA as detailed in my email sent to all of you on October 20, 2015 at 9:06 AM. The most significant of those changes dealt with adding language of indemnity protection for the County and clarity as to applicable standards. My understanding is the County Bridge and Right of Way Staff are willing to accept the risks in leaving the language of the IGA as is.

With that said the attached IGA, subject to all the comments provided in said October 20, 2015 email, has been reviewed and is approved for submission to the BCC for its consideration.

Thanks.

Matt,

See attached for review. ODOT did not accept all of your previous comments because they strictly follow a template.

It's my understanding that you need to approve this document prior to getting any other required signatures.

Good morning Megan,

1. Please present a copy of the attached Agreement (31000) to your signing official and obtain the necessary signature(s).
2. Then, email a PDF of the signed signature page to all parties on this email. If you do not have the capabilities to scan the signature page, you may fax the signature page to my attention. Please let me know if this is the case.
3. Please provide a status update to the Region 1 Agreements mailbox if your signature process exceeds two working weeks.

Once all signatures have been obtained, a final executed 'PDF' of the agreement will be sent to you by email.

Thank you,

We need an Agenda Placement Request form. I attached a blank copy of the form, and a sample of a completed APR for your reference. I will complete the Requested Meeting Date. We usually only request 5 minutes. I/O address is your mail station.
