Staff Report
Determination of Compliance
2004 Wrecker's License Renewal
Loop Hi-Way Towing
28609 SE Orient Drive

Case# T1-05-068

This Staff Report and Determination of Compliance is made pursuant to the requirements specified by Multnomah County Code Section 5.10.010 Wrecker certificate processing fees. An application for renewal of a Wrecker Certificate as required by the State of Oregon Department of Motor Vehicles was submitted by Irma Milne, 28304 SE Orient Drive, Gresham, Oregon on November 10, 2005.

I. Conditions of Approval:

1. The applicant shall obtain a Business Certificate as a wrecker of motor vehicles from the Oregon Department of Transportation. Applications for future wrecker's license renewals shall include a copy of the prior years wreckers certificate issued by the Oregon Department of Transportation.
2. If there are any changes to the property during the year prior to renewal of wrecker certification, applications for future wrecker's license renewals shall include submittal of a site plan, drawn to scale, showing the revisions. Expansion of the dimensions of the wrecking yard shall not occur without prior approval of the County.
3. Taxes shall be kept current prior to approval of future wrecker's license renewals.
4. Any application for a wreckers license or renewal must be reviewed by staff and presented to the Board of County Commissioners as required under MCC 15.200 et. seq.

II. Applicable Zoning Considerations:

The applicable zoning considerations as specified in MCC 15.202(B)(3) and (5) are addressed below:

A. Compliance with the requirements of ORS 822.110:

The Oregon Department of Transportation shall issue a wrecker certificate to any person if the person meets all of the following requirements:

- (1) The person must establish that the area approved under the wrecker certificate for use in a wrecking business meets one of the following:**
 - (a) The area is more than 1,100 feet from the nearest edge of the right of way of any state highway.**
 - (b) The business conducted within the area is hidden or adequately screened by the terrain or other natural objects or by plantings, fences or other natural objects or by plantings, fences or other appropriate means, so as not to be visible from the main traveled way of the highway, in accordance with rules adopted by the director.**
 - (c) The area and the business thereon are located in an area zoned for industrial use under authority of the laws of this state.**
- (2) The person must pay the fee required under ORS 822.700 for issuance of a wreckers certificate.**
- (3) The person must complete the application for a wrecker certificate described under ORS 822.115.**
- (4) The person must deliver to the department any approvals by local governments required under ORS 822.140.**
- (5) The person must deliver to the department a bond or letter of credit that meets the requirements of ORS 822.120.**

Finding: Photos taken of the site by Land Use Planning staff on December 9, 2005 confirm that both natural vegetation and a fence screen vehicles from adjacent roads consistent with ORS 833.110 (1)(b). Compliance with the requirements with ORS 833.110 (2)-(5) are ensured by the Wreckers Certificate issued by the Oregon Department of Transportation. Old Republic Surety Company has provided the bond necessary to comply with ORS 822.120. A Wreckers Certificate for 2005 was submitted to the Land Use Planning Division and is in the case file.

B. Compliance with the business locational provisions of ORS 822.135:

- (1) A person commits the offense of improperly conducting a wrecking business if the person holds a wrecker certificate issued under ORS 822.110 and the person does any of the following:**
 - (b) Expands the dimensions of or moves any of the person's places of business or opens any additional places of business without obtaining**

a supplemental wrecker certificate by the procedure under ORS 822.125.

Finding: Staff has found no evidence or indication that the dimensions of the wrecking yard have been expanded beyond that of the existing Wreckers Certificate. A site plan was submitted that clearly identifies the dimensional boundaries of the wrecking yard (fenced and/or screened areas) in relation to property lines. Expansion of the dimensions of the wrecking yard shall not occur without prior approval of the County.

(g) Fails to keep the premises on the outside of the establishment clear and clean at all times.

Finding: The Land Use Planning Section conducted a field inspection on December 9, 2005 and took photos of the site confirming the area outside the establishment is clear and clean. There has been no indication since that time of the establishment not being kept clear and clean.

(h) Conducts any wrecking, dismantling or altering of vehicles outside the building, enclosure or barrier on the premises of the business.

Finding: Based on staffs' field inspection, no dismantling or altering of vehicles outside the fenced area of the business was evident. Furthermore, there has been no indication since then that the dismantling or altering of vehicles has taken place outside the premises of the business.

C. Compliance with zoning regulations:

The wrecking yard was determined to be a non-conforming use in the 12/16/91 "Report of Site Inspection" contained in the wrecking yard file on the subject property, a copy of which is kept in the Land Use Planning Office. The file contains a record of license renewal requests from 1986 forward. Examination of department land use inventory maps and zoning maps indicates that the business was in existence on the property in 1975, at which time the property was zoned M-1, which allowed the use. The property was re-zoned in 1997 to MUF-20, a district which does not allow the use, therefore it became non-conforming at that time.

III. Notification:

Notice of this application was sent to the Multnomah County Sheriff on December 7, 2005. A recommendation of approval from the County Sheriff's Office was received on December 7, 2005 based upon a clean background check.

The 2005 Wrecker Renewal License was approved with a condition that "Taxes shall be kept current prior to approval of future wrecker's license renewals." No

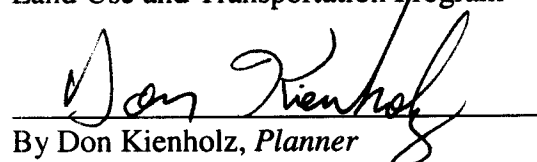

taxes are currently owed on the property according to a representative of the Multnomah County Assessment and Taxation in an email received on December 6, 2005.

IV. Recommendation:

The staff of the Land Use Planning Section respectfully recommends that the above license renewal be approved, based upon findings that the business satisfies the applicable requirements contained in MCC 15.200* and ORS 822.110, ORS 882.135 and continues to retain a non-conforming status.

Dated this 9th day of December 2005.
