General Information

1. What action are you requesting from the Board?

The Department of Community Services recommends approval of an amendment to an Intergovernmental Agreement (IGA) with the City of Portland for providing road and drainage facility maintenance on county roads in unincorporated western Multnomah County during FY2013-2014.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

In 1984, Multnomah County and the City of Portland agreed that the City would maintain, through an IGA, all County roads in unincorporated western Multnomah County that were within the Urban Services Boundary. The City of Portland did not receive compensation for these services since the area was presumed to be annexed to the City. Annexation of the westside unincorporated areas has proceeded at a slower pace than was anticipated in 1984. In 1997, the City informed the County it would no longer maintain these roads. During 1997, representatives of the City and County developed the terms of this IGA. The City and County find the most rational and efficient method for delivery of road and drainage facility maintenance in this Westside area is for the City to continue to provide services. This amendment authorizes the City to provide road and drainage maintenance of the area for an additional year.

3. Explain the fiscal impact (current year and ongoing).

The City of Portland agrees to maintain the roads during fiscal year 2013-14 for an amount not to exceed \$100,000. The amount remains unchanged from the previous agreement amendment which expired at the close of fiscal year 2012-13. The funds necessary for maintenance of these roads are budgeted in the county road fund.

4. Explain any legal and/or policy issues involved.

This IGA is an extension of the County policy set in 1983, 1984, and 1989 concerning the maintenance of county roads within the Urban Services Boundary.

5. Explain any citizen and/or other government participation that has or will take place.

Discussions concerning this amendment were held by staff members from Multnomah County Road Services and the City of Portland Bureau of Transportation. Upon approval by the Board, this amendment will move to Portland's City Council for review and approval.
