Dear Multnomah County Library Board

I am excited to send you my application for one of your four vacant positions today. I grew up a low-income kid in Tucson, Arizona where my local branch of the Pima County Library played a pivotal role in my life. From the time I could read, I devoured books as fast as I could. (I was one of those kids who would resort to reading the back of the cereal box at breakfast if I had to.)

I can still remember getting my first library card, and how proud I was to have an "official" document with my name on it. The library was where I discovered *Matilda*, *The Witches*, and the *Babysitter's Club*. Later, it's where I met Holden Caulfield and Frodo Baggins for the first time.

Our weekly trips to the library were a special thing my mom and I did together. Without them, I think my childhood would have been less full, and less magic. I grew up to become a journalist, and then an education advocate. I am not sure I would have developed the skills to walk down either of those paths without the knowledge I gained as I consumed book after book – fiction and nonfiction – from our local library.

As an adult, I am building a career around ensuring that all kids have access to the same kind of education and resources that I believe set me on a path to success, and allowed me to grow into the middle class. In my volunteer life, I am looking for an opportunity to do the same in a way that is personally meaningful and – hopefully – beneficial for the community.

I would be honored to talk with you further about joining your board as a way to combine my passion for reading, with my passion for ensuring all members of our community – regardless of financial background – have access to important resources the county library system has to offer.

I look forward to hearing from you.

Warm regards,
