November 11<sup>th</sup> was first named a national holiday when president Woodrow Wilson proclaimed it Armistice Day in 1926, commemorating the signing of the Armistice that ended World War I and honoring those who served in that war. Since then, hundreds of thousands of veterans have served their country in the United States Armed Forces. More than 44,000 veterans are residents of Multnomah County.

The Multnomah County Veterans' Service Office works to ensure that veterans in the county and their families receive all state and federal benefits available to them by providing effective and dedicated representation free of charge. Additionally, multiple other county departments serve veterans through their programs, with particular focus this year on ending veteran homelessness.

This item before the board for consideration recognizes the purpose and importance of Veterans Day, provides information on County Veterans' Service Office work on behalf of county residents, and raises awareness about ways that members of the community are helping to support veterans and their families.
