Position Information:

☒ Filled & position not reclassified with position See New/Vacant Section

New/Vacant Position Information:

If the position is vacant or position not reclassified with position, position must be filled in accordance with the normal appointment procedures. If position is reclassified due to reorganization, a limited recruitment process may be conducted. Please consult with the Department Human Resources Unit for assistance.

Reason for Classification Decision:

The work of this position is being redesigned under the reorganization rule to more appropriately meet the needs of the Multnomah County Medical Director. As reorganized, the position will provide support by exercising a high degree of initiative, independent judgment and discretion. In addition to a variety of responsible and difficult administrative work, the reorganized position has broad latitude in scheduling/ rearranging the Medical Director's time in terms of scheduling appointments, events, and planning activities. The position has authority to review the director's schedule and set, change or accept appointments on the director's behalf. The position independently prioritizes appointments based on knowledge of primary stakeholders, contacting the director as appropriate. This position will triage requests, understand who or what should be addressed based on business or political needs. Email responsibilities include confidentially reading, prioritizing and responding to communications on the director's behalf with/without prior approval; determining when to bring an email message to the director's attention; and who to include when responding or forwarding emails. The position provides support for provider level recruitments; and may coordinate or oversee the work of students, on-call or temporary staff. The position is the point person for budget information and makes budget recommendations to the director based on input from multiple parties. This position tracks, coordinates and processes all facets of credentialing and re-credentialing of Health Department providers. The position tracks projects on behalf of the director, represents the director to internal and external customers, and manages information flow between the director and other Health Department senior leaders, staff, and external agencies. The overall scope and responsibility of this position best fits the criteria for the Administrative Specialist (6005) classification.
