General Information

1. What action are you requesting from the Board?

Convene as the governing body of the Dunthorpe-Riverdale Service District to:

- Open Public Hearing to hear and consider any testimony from persons present and respond to questions about the approved budget and fiscal policies;
- Approve resolution adopting the fiscal year 2010 – 2011 budget for the Dunthorpe-Riverdale Sanitary Service District No. 1 and make appropriations.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The FY 2010-11 Approved Budget sustains current service levels for maintenance and operations for the District. The District's \$200,000 capital program for FY 2010-11 is programmed to address pipe rehabilitation, completion of the Elk Rock bypass pipe, building improvements at the Elk Rock pump station and starting preliminary design on the Riverview Force Main Replacement project.

3. Explain the fiscal impact (current year and ongoing).

The District's budget was approved at \$1,227,750 for FY 2011. System maintenance and disposal charges from the City of Portland have been calculated at a 7.7% increase above the current fiscal year. The District capital budget continues to target identified projects in the District's capital facility plan.

To meet the anticipated treatment, maintenance, and capital requirements for FY 2011, the District's monthly rate was approved to move to \$119.00 (\$5.00 increase over current year). The new monthly rate provides the necessary operating resources to meet the District's operational requirements.

4. Explain any legal and/or policy issues involved.

The District is a separate legal entity. Because of its size, it requires a budget committee. On April 22, 2010 in the Board Room of the Multnomah Building, the District budget committee was convened to hear and discuss the budget. Tom Hansell from the Department of Community Services serves as the District budget officer.

Because the District covers a population of less than 100,000, it is not legally necessary to request a Tax Supervising and Conservation Commission (TSCC) hearing for the budget. The approved budget for the District has been submitted to TSCC and they have certified the budget. TSCC identified no recommendations or objections.

Today's public hearing fulfills the requirement of Oregon's Budget Law. The District's financial summary was published in the Oregonian showing changes between the current adopted and the approved FY 2011 budget.

The Board of County Commissioners convened as the governing body of the District can adopt the budget only after the budget hearing.

5. Explain any citizen and/or other government participation that has or will take place.

At the April 22nd budget committee meeting a public hearing was opened, to hear and consider any testimony by the public about the budget. No testimony was received. At today's meeting a second public hearing will be held to hear and consider any testimony from persons present and respond to questions about the budget and fiscal policy decisions reflected in the approved budget.
