Phone: 503-988-3043 **Ext.** x80213 **Email:** katie.skakel@multco.us

Presenters: Consent Calendar

General Information

1. What action are you requesting from the Board?

Recommend approval of the renewal of a Wrecker (Dismantler) Certificate for Loop Hi-Way Towing for the dismantling of motor vehicles. The renewal license will be valid from the date of issuance to December 31, 2020.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer(s) this action affects and how it impacts the results.

Loop Hi-Way Towing is currently operating at 28609 SE Orient Drive. The most recent Wrecker (Dismantler) Certificate will expire December 31, 2017. In order to renew the license for the years 2018, 2019, and 2020, the wrecking yard must apply for a business certificate through the Department of Motor Vehicles. In order for the state certificate to be approved, the local governing body must authorize pursuant to ORS 822.140. Loop Hi-Way Towing has been authorized by Multnomah County since 1977. A staff report is available at Multnomah County Land Use Planning detailing how the current proposal complies with County and State regulations for wrecking certificate renewals (Case T1-2017-9778). Multnomah County's approval is required for the DMV Application for a Business Certificate. The original DMV Application and the surety bond must be returned to the business owner by County Planning after the decisions has been rendered.

3. Explain the fiscal impact (current year and ongoing).

None

4. Explain any legal and/or policy issues involved.

The most recent certificate under which Loop Hi-Way Towing operates expires on December 31, 2017. In order to continue operation, the renewal must be approved.

5. Explain any citizen and/or other government participation that has or will take place.

Loop Hi-Way Towing has submitted all of the materials necessary for the renewal application. County Land Use Planning staff has contacted both Multnomah County Sheriff's Office and Assessment and Taxation Office to obtain information required by MCC 15.202. No other participation by citizens or governments has taken place. To date, no complaints have been received regarding Loop Hi-Way Towing. Both, Land Use Planning and the Sherriff's Department recommend approval of Wrecker Renewal for Look Hi-Way Towing.
