General Information

1. What action are you requesting from the Board?

Approval of the renewal of an auto wrecking yard certificate for Orient Auto Parts at 28425 SE Orient Drive. The renewed license would be valid from the date of issuance to July 31, 2015.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Orient Auto Parts is currently operating at 28425 SE Orient Drive. The most recent wrecker certificate expired July 31, 2012. In order to renew the license for August 2012 through July 2015, the wrecking yard must apply for a business certificate through the Department of Motor Vehicles. In order for the business certificate to be approved, the local governing body must authorize the business pursuant to ORS 822.140. Orient Auto Parts has been authorized by Multnomah County since 1977. The current proposal complies with County and State regulations for wrecking yard certificate renewal (Case No. T1-2012-2365). Multnomah County's approval is required on the attached DMV Application for Business Certificate as a Dismantler of Motor Vehicles or Salvage Pool Operator. The original DMV Application for Business Certificate and the enclosed original surety bond must be returned to the business owner after a decision has been rendered.

3. Explain the fiscal impact (current year and ongoing).

None.

4. Explain any legal and/or policy issues involved.

The most recent certificate under which Orient Auto Parts, Inc. operated expired July 31, 2012. In order to lawfully continue operation, the renewal must be approved.

5. Explain any citizen and/or other government participation that has or will take place.

Orient Auto Parts, Inc. has submitted all the materials necessary for the renewal application. Land Use Planning staff has contacted both the Multnomah County Sheriff's Office and the County's Assessment and Taxation Office to obtain information required by MCC 15.202. No other participation by citizens or governments has taken place. To date, no complaints have been received regarding Orient Auto Parts, Inc. in calendar years 2009 through July 2012.
