## General Information

### 1. What action are you requesting from the Board?

Public Hearing and adopt resolution to update sign permit inspection fees in the area served by the City of Portland under intergovernmental agreement for MCC Chapter 37, Administration and Procedures, and repealing Resolution No. 2014-009 effective July 1, 2014.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The City of Portland provides sign permit inspection services in certain areas of unincorporated Multnomah County under an IGA. The City of Portland is proposing clarification of fees and the addition of a Sign & Awning Plan Review section in the fee schedule. This section specifies the maximum number of allowable checksheets and adds a fee for additional checksheets. These changes will make the Sign, Awning Permit and Registration Fee Schedule consistent with other BDS fee schedules.

### 3. Explain the fiscal impact (current year and ongoing).

The fee changes cover actual costs of services as required by the IGA.

### 4. Explain any legal and/or policy issues involved.

Complies with ORS 294.160.

### 5. Explain any citizen and/or other government participation that has or will take place.

The County is holding the public hearing as required under ORS 294.160.
