Attached is a budmod for DCA Facilities to reallocate \$100K of funding from Central Library Lighting Upgrade project to the Central Library John Wilson room HVAC replacement as part of the renovation projected related to the latter. It is my understanding that the Deputy Director of the Library is both aware and supports these actions. Protocol requires that reallocations of capital budget projects be approved by the CFO, Facilities Director, Budget Director and Budget Analyst. Mike Jaspin, acting on behalf of the Budget Director has approved as noted below; Julie Neburka has signed off as the Budget Analyst and Mindy as the CFO. When the budmod was submitted to me, John Lindenthal was acting Facilities Director--his signature is include in the attached PDF.

My apologies for submitting this late; we are still ironing out some of our new internal approval processes in DCA which caused the delay. I am respectfully requesting an exception to add this to the **August 25th board agenda**. Please let me know if you have any questions. thanks--mdw

can you make a signature block out of John Lindenthal's signature? It is included in the third attachment, that starts out: "FPM12-01 John Wilson room HVAC" Thank you!

when you get a chance, I need a clean signature for you to use in these instances. we had to copy in paintbox from the APR, and it doesn't look very good on the final document. You can sign, scan, and send to me, or sign a white piece of paper and mail it to me, or you can stop by when you're in Multco and we'll get you to sign a sheet of paper. Thanks!!!!
