ACTING AS THE PUBLIC CONTRACT REVIEW BOARD

In the Matter of Exempting From Public)
Bidding of a License with Software A.G. for)
Super Natural Software through Sole Source)
Procurement)

O R D E R
89-211

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to consider a request from DGS/Information Services Division for an order exempting from the requirement of public bidding a license with Software A.G. for Super Natural, an end user access product with the capability of direct interface with ADABAS data base files currently in use by Information Services Division.

It appearing to the Board that the recommendation for exemption, as it appears in the application, is based upon the fact that inquiries were made to five commonly known vendors of end user access software. Software A.G. was the only vendor with a product, Super Natural, that interfaces with ADABAS data dictionary and reads database files currently in use by the County. This purchase represents the most cost effective use of equipment already within the department, and is not likely to encourage favoritism.

It appearing to the Board that this request for an exemption is in accord with the requirements of the Multnomah County Public Contract Review Board Administrative Rules AR 10.100, 20.030, and 30.010; it is, therefore

ORDERED that the license with Software A.G. be exempted from the requirement of public bidding.

Dated this 14th day of December, 1989.
