## General Information

### 1. What action are you requesting from the Board?

Informational Board briefing including design, construction, field work and diversity update. This briefing will also include a presentation from the Sellwood Bridge Schools Program given by Lois Cohen and two teachers who participated in the program.

As we come to the close of the Schools Program, the commissioners will hear from two teachers (Sarah Long from Alder School in the Reynolds School District, and Teri Griffin, Faubion School, PPS ) who have experienced the classroom lessons and field studies. The teachers will share their experiences with the program and discuss the impact of the school program on their work and their students

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This briefing will provide information about current project status, upcoming activities and decisions, and the project schedule.

### 3. Explain the fiscal impact (current year and ongoing).

No fiscal impact, briefing only.

### 4. Explain any legal and/or policy issues involved.

No legal or policy issues, briefing only.

**5. Explain any citizen and/or other government participation that has or will take place.**

The Sellwood Project had an extensive public outreach program. There have been public meetings, open houses, and online surveys. In addition, there have been numerous meetings of the project Community Advisory Committee, a group of 17 community members representing various interests in the project. The project had a Public Stakeholder Committee (PSC) consisting of elected officials from Multnomah County, Clackamas County, Metro, Portland, Milwaukie, the Oregon House of Representatives, and Oregon Senate. In addition, the PSC included representatives from the offices of Representative Blumenauer and Senator Merkley. Officials from the Oregon Department of Transportation, TriMet, and the Federal Highway Administration were also included on the PSC. The Sellwood Project has involved numerous local, state, and federal regulatory agencies. The public and agency involvement will continue throughout the design and construction phases of the project.
