

# **Climate Action Plan Progress Report**

**John Wasiutnski, MPA  
Office of Sustainability Director**

**Jae P. Douglas, Ph.D., MSW  
Environmental Health Services Director**

**May 23rd, 2017**

# Climate Action Plan // Disturbing trends

# Climate Action Plan // Cause for hope?

# Climate Action Plan // A multilayer strategy

**Carbon reduction and climate adaptation plan, but also a focus on:**

- Public health
- Ecological restoration
- Social equity
- Economic development

# Climate Action Plan // A multilayer strategy

# Climate Action Plan // We're on the right path

Carbon Emission Trend in Multnomah County

# Climate Action Plan // We're on the right path

# Climate Action Plan // But we still have work to do

# Climate Action Plan // Financing energy efficiency

# Climate Action Plan // Healthy, affordable housing

# Climate Action Plan // Low carbon economy

---

# Climate Action Plan // Planning for equity and sustainability

# Climate Action Plan // Healthy, just food system

# Climate Action Plan // Wood smoke and black carbon

---

# Climate Action Plan // Monitoring and outreach

**Oregon's population passes 4 million, new estimates show**
