CONTRACT 15814 OF SALE

THIS CONTRACT is made and entered into on _____
by Multnomah County, Oregon, ("the County"), a municipal corporation, and
EDWARD OZERUGA, ("purchaser").

The County agrees to sell, in accordance with the statutes of the State of Oregon and in consideration of the covenants and agreements made on the part of the purchaser, and purchaser agrees to buy the certain real property situated in the City of Portland, Multnomah County, Oregon, described as follows:

LOT 16, BLOCK 23, FAIRPORT

Purchase Price

Purchaser agrees to pay for described real property the sum of \$35,000 which is the true and actual consideration paid for this transfer. A down payment in the amount of \$375 has been paid, with receipt acknowledged by the County. An additional down payment amount of \$6,625, representing 20% of the full sale price is due at the time this contract is executed. At the time this contract is executed, the down payments of \$335 and \$6,625 shall be credited to the purchase price and the purchaser shall pay to the County the remaining \$28,000 with interest charged at a rate of 7% per annum on the dates and in the amounts as follows:

Not less than \$325 on the 15th of January 2005, and a payment on the 15th day of each month for a period of 10 years, until the full amount of both the principal and interest has been paid in full, provided always that the purchaser may pay the full amount of both principal and interest due at any time without penalty for early payment.

If any monthly payment of interest and principal, or part of such payments has not been received by the Tax Title Division on the 26th day of each month, a late-charge of \$25.00 will be assessed to the purchaser.

Application of Payments

All payments on the contract shall be applied first to the interest due on the contract, and then to late charges, if any, then the remaining amount shall be applied to the principal. Payments will be credited as of the due date without adjustment of interest when paid either before or after the due date. Purchaser

may prepay at any time all or part of the principal amount due on this contract without payment of penalties or premiums, provided that purchaser is not under default under this contract and the payment is identified as prepayment of the principal.

If an agreement is reached between the County and the purchaser to accept payments in a smaller amount than the originally agreed upon payments, the County shall not be held to have breached this contract, nor to have waived its right to insist upon strict compliance by the purchaser with the terms of this contract. The County may proceed with its legal remedies at any time, without notice to the purchaser except as stated within the terms of this contract. Such notice, if extended to the purchaser, shall be accepted by the purchaser as a courtesy only.

Default

Time is of the essence in this contract and the County has the discretion to declare a contract in default due to unpaid payments. The purchaser's default can be cured by following the procedures set forth in Oregon Revised Statutes 93.920 and by paying all costs and expenses actually incurred by the County in enforcing the contract, including but not limited to late charges, attorney fees of \$500.00 and costs of the title search.

In addition, the County may declare the contract in default if:

1. Purchaser fails to make any payment within 15 days after it is due;
2. Purchaser fails to perform or comply with any condition and does not commence corrective action within ten days after written notice from the County specifying the nature of the default, or, if the default cannot be cured within that time, fails to commence and pursue curative action with reasonable diligence;
3. Purchaser becomes insolvent; a receiver, trustee or custodian is appointed to take possession of all or a substantial part of purchaser's property or properties; purchaser makes an assignment for the benefit of creditors or files a voluntary petition in bankruptcy; or purchaser is subject to an involuntary bankruptcy which is not dismissed within ninety days; or
4. Purchaser makes or allows to be made a fraudulent transfer under applicable federal or state law, conceals any of his/her property from creditors; makes or allows to be made a preference within the meaning of the federal bankruptcy laws; or allows a lien or distraint upon any of his/her property.

Tax Payments.

In addition to payment of installments as agreed in this contract, purchaser agrees to pay all taxes and fees lawfully assessed and levied against said property during the term of this contract before they become delinquent.

Terms and Conditions.

2. Purchaser will promptly comply with and cause all other persons to comply with all laws, ordinances, regulations, directions, rules and other requirements of all governmental authorities applicable to the use of the property.
3. Purchaser will not use or permit others to use any of the property for any "prohibited conduct" as that term is defined in ORS 475.005 or any "nuisance" as described in ORS 105.555, as those statutes may now or hereafter be amended, supplemented or superseded, or otherwise do or allow any act or omission on or about the property that could subject the property or any interest therein to forfeiture or the risk of forfeiture.
4. In any proceeding to enforce any provision of this contract, the Purchaser shall be liable to the County for any costs, including attorney fees, incurred by the County in the proceeding, provided only that the County is determined to be a prevailing party in the proceeding.

Terms of this contract may be amended by County upon assignment. Subject to the foregoing restriction, the terms of this contract shall be binding upon the heirs, successors-in-interest and assigned of Purchaser.

Indemnity and Hold Harmless Agreement

Purchaser will indemnify, defend, and hold harmless the County, its elected officials, officers, and employees from and against any claims, loss or liability of any kind arising out of or related to any activity on the property occurring while purchaser is entitled to occupy the property under this or any predecessor

agreement, whether or not the property is leased to others. This indemnification of the County by purchaser includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state, or local governmental agency or political subdivision because of hazardous material present in the soil or groundwater or under the property. Without limiting the foregoing, if the presence of any hazardous material on property caused or permitted by Purchaser or purchaser's agents or contractors results in any contamination of the property, Purchaser shall promptly take all actions at Purchaser's sole expense as are necessary to return the property to the condition existing prior to the release of any such hazardous material onto the property, provided that the County's approval of such action shall first be obtained, and approval shall not be unreasonably withheld, as long as such actions would not potentially have any material adverse long-term or short-term effect on the property. This indemnification by Purchaser includes, without limitation, reimbursement for any diminution in the value of the property and reimbursement for sums paid in settlement of claims, attorney fees, consultant fees, and expert fees. The obligations agreed to with regard to the indemnity and hold harmless provisions of this contract shall survive any termination or cancellation of the contract for any reason.

Purchaser will not cause or permit any hazardous material to be brought upon, kept, or used in or about the property by purchaser or purchaser's agents, employees, contractors, or invitees without the prior written consent of the County, which shall not be unreasonably withheld as long as purchaser demonstrates to County's reasonable satisfaction that such hazardous material is necessary to purchaser's business and will be used, kept, and stored in a

manner that complies with all laws regulating any such hazardous materials brought upon or used or kept in or about the property.
