General Information

1. What action are you requesting from the Board?

The department is requesting board approval of budget modification DCA-04 to convert a budgeted limited duration position to a permanent, ongoing IT Project Manager 2 position.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This modification reflects a Class/Comp decision initiated by management. The position will provide continuous long-term IT project management support to the library to ensure the professional rollout of current and future technology. This position will concurrently manage multiple projects within the Library's comprehensive IT infrastructure ensuring that staff and other resources are deployed based on Library and County priorities. Given the Library's need to continually update technology and related services, an ongoing dedicated project management position is required. To retain skilled project management staff in the Portland IT market, a non-LDA position is needed. Class/Comp reviewed the submitted job duties and description and concluded a permanent IT Project Manager 2 was the best fit for the position. The change impacts program offer 78025 IT Planning, Projects & Portfolio Management.

3. Explain the fiscal impact (current year and ongoing)

There is no financial impact for FY13, as this position was approved in the FY13 budget as a limited duration assignment. Since this position will be in direct support of the Library, any future fiscal impact beyond the planned timeframe of the LDA assignment will be borne by the library via

internal service rates.

4. Explain any legal and/or policy issues involved.

N/A

5. Explain any citizen and/or other government participation that has or will take place.

- What budgets are increased/decreased?

None. The fiscal year 13 budget included funding for this position in a limited duration capacity.

- What do the changes accomplish?

Adds an additional FTE position to program offer 78025 and provides approval of a classification decision from the Human Resources Classification Compensation unit that best reflects the duties of the position.

- Do any personnel actions result from this budget modification? Explain.

The addition of a permanent IT Project Manager 2, while reducing one LDA position from the FY13 budget.

- If a grant, is 100% of the central and department indirect recovered? If not, please explain why.

N/A

- Is the revenue one-time-only in nature? Will the function be ongoing? What plans are in place to identify a sufficient ongoing funding stream?

N/A

How are functional areas assigned to cost objects?

For the most part, functional area is related to what department has recorded the revenue or expenditure (i.e. the District Attorney is reported in Public Safety and Justice). There are some exceptions to this rule that require certain funds to be assigned to a particular functional area, regardless of what department the revenues or expenditures are recorded in.

Functional Area Assignments ~ Based on Fund		
1501 – Road Fund	Roads and Bridges	0080
1502 – Emergency Communications Fund	Community Services	0060
1503 – Bike Path Fund	Community Services	0060
1504 – Recreation Fund	Community Services	0060
1506 – County School Fund	Community Services	0060
1509 – Willamette River Bridges Fund	Roads and Bridges	0080
1510 – Library Fund	Library	0070
1512 – Land Corner Preservation Fund	Roads and Bridges	0080
2504 – Building Project Fund	Community Services	0060
2507 – Capital Improvement Fund	Community Services	0060
2509 – Asset Preservation Fund	Community Services	0060
2511 – Sellwood Bridge Fund	Roads and Bridges	0080
3000 – Dunthorpe-Riverdale Service Dist #14 Fund	Dunthorpe-Riverdale Service Dist #14	0500
3001 – Mid County Service District #1 Fund	Mid County Service District #1	0510
3002 – Behavioral Health Managed Care Fund	Behavioral Health Managed Care	0520

If a cost object is not in one of the funds listed above, then the functional area should be assigned based on the department that the cost object is in.
