3. Explain the fiscal impact (current year and ongoing).

This budget modification has no fiscal impact in the current year. Budgeted personnel costs are within the pay scales of the new classifications or other budgeted line items have been adjusted so that the changes are budget neutral.

The reclassification of position 703201 to an Office Assistant Senior increased budgeted personnel cost by \$6,889, because the step at which the Office Assistant Senior is budgeted is higher than the step at which the Office Assistant 2 is budgeted. The increase in cost is offset by a decrease in Temporary, Non Base Fringe, and Non Base Insurance, for no net fiscal impact this fiscal year.

The reclassification of position 714621 to a Human Resources Technician decreased budgeted personnel cost by \$13,776, because the step at which the Human Resources Technician is budgeted is lower than the step at which the Nursing Development Consultant is budgeted. The decrease in cost is offset by an increase in Temporary, Non Base Fringe, and Non Base Insurance, for no net fiscal impact this fiscal year.

The reclassification of position 716183 to a Research Evaluation Analyst Senior increased budgeted personnel cost by \$17,380, because the step at which the Research Evaluation Analyst Senior is budgeted is higher than the step at which the Research Evaluation Analyst 2 is budgeted. The increase in cost is offset by a decrease in Pass-Thru & Program Support, for no net fiscal impact this fiscal year.

In subsequent fiscal years, the reclassified positions will be subject to approved cost of living adjustments (COLA) and step and merit pay increases in accordance with collective bargaining agreements and county personnel rules. Increased costs will be funded within the department's budget.
