This looks fine to me and I can sign off on it.

Lindsay,

Each year the county makes application to the State Dept of Revenue for participation in the County Assessment Function Funding Account (CAFFA) Grant.

DART has prepared an Agenda Placement request for board approval of the associated County Resolution.

Please find attached the County Resolution for review and approval by the county attorney. I have included the APR for reference only. The Resolution will need to have added the name of the county attorney who reviews the resolution. I wasn't sure who that would be, so left it blank.

Please review for approval as soon as possible, as this will need to be routed to Julie Neburka for signatures and routing to the Board Clerk by Wed at noon, along with other documents that will need to be added. If you have questions please give me a call.

Thanks for your assistance.

Debra
