Good Afternoon,

A 2nd revision has been made to the attached document.

The following was added under the **The Multnomah** County Board **of Commissioners Orders** section:

The Chair or the County Assessor shall have the authority to withdraw any property from the list of properties authorized for this public sale at any time; and the Chair shall be authorized to approve any subsequent disposition of such withdrawn property as otherwise allowed under applicable law.

Will you please confirm date of when this will go before The Board.

Please let me know if you have any questions.

Thank you,
