Approval of the proposed settlement to acquire the property interests of Fred W. Smith and Catherine D. Smith for the NE Halsey Street Project.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

On September 13, 2012, the Board of County Commissioners approved Resolution No. 2012-149 directing the Department of Community Services to begin negotiations to acquire property for the constructing, maintaining, repairing, replacing, and reconstructing slopes, sidewalks, driveways, and road facilities on a portion of NE Halsey Street in the city of Wood Village. Since then, the County has contacted and conducted negotiations with Fred W. Smith and Catherine D. Smith for the acquisition of a portion of real property at 23901 NE Halsey Street. The final proposed amount is for \$1,500.00.

### 3. Explain the fiscal impact (current year and ongoing).

The estimated project cost is \$467,000.00. Sufficient funds have been secured to proceed with final design and right-of-way acquisitions.

### 4. Explain any legal and/or policy issues involved.

The County will strictly follow the rules, policies, and procedures of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, ORS Chapter 35, and the "State Right of Way Manual."

**5. Explain any citizen and/or other government participation that has or will take place.**

The County initially contacted Fred W. Smith and Catherine D. Smith in September 2012 concerning the potential acquisition of a portion of said property, located at 23901 NE Halsey Street. The County has been in continuous contact with Fred W. Smith and Catherine D. Smith since then to ensure that all parties were aware of the project's schedule and the impacts to their real property. An administrative settlement for the acquisition was negotiated on October 22, 2012.
