TEMPORARY EASEMENT

Jennifer O'Brien and Jacob Dahlenburg, "**Grantor**", grants to **MULTNOMAH COUNTY**, a Political Subdivision of the State of Oregon, "**Grantee**", a temporary easement (Beginning on March 1, 2016 and expiring on August 31, 2018) for the purpose of accessing, laying down, installing, constructing, reconstructing, operating, inspecting, monitoring, and maintaining a driveway, installations and appurtenances (hereinafter "the Work") through, under, across, over and along the following described real property:

See the attached Exhibit A.

Grantor represents and warrants that Grantor has the authority to grant this temporary easement of the property described in Exhibit A (the "Property"). During the easement term, Grantor shall not grant or allow any uses or activities in the Property, which would interfere with the Grantee's use of the Property and the temporary easement as provided herein.

Grantor represents that to the best of Grantor's knowledge, after appropriate inquiry under the circumstances:

1. The Property is in compliance with all local, State and Federal environmental laws and regulations.
2. Grantor has disclosed all information relating to any release of hazardous substances onto or from the Property, and disclosed any known report, investigation, survey or environmental assessment regarding Property; "release" and "hazardous substance" shall have the meaning as defined under Oregon law.
3. That there are no underground storage tanks, as defined under Oregon law, presently on or under the Property.
4. This grant is free of encumbrances except Conditions, Restrictions, Restrictive Covenants, and Easements of Record if any.

Grantee, by accepting this easement, is not accepting liability for any preexisting release of hazardous substances onto or from the Property, and Grantor is not attempting to convey any such liability.

During the easement term, Grantee or Grantee's contractor shall not be responsible for the repair or replacement of any damage to the driveway, installations and appurtenances on the Property, (collectively referred to herein as "the Improvements").

All Work performed or caused to be performed by Grantee in the easement area shall be constructed and installed in compliance with the Oregon Department of Transportation's "Oregon Standard Specifications for Construction", 2015 edition ("ODOT Specifications"); specifically the Work shall be performed in compliance with the applicable sections within Parts 00300, 00400, 00600 and 00700 of said ODOT Specifications or as said applicable sections have been modified or supplemented by Grantee by contract for the purposes of the Road Project, including the Work in said easement area.

EASEMENTS

Western Mobile Home Park Development Corp., an Oregon corporation, "**Grantor**", grants to **MULTNOMAH COUNTY**, a Political Subdivision of the State of Oregon, "**Grantee**", the following easements:

1. A perpetual easement for slope and drainage facilities including but not limited to the construction or installation of said facilities as determined by grantee for the maintenance and operation of the public right-of-way under, on, over and across the real property: "Parcel 1" as more particularly described in the attached Exhibit A; and
2. Temporary easements (**Beginning on August 1, 2016 and expiring on August 31, 2018**) for the purpose of accessing, laying down, installing, constructing, reconstructing, operating, inspecting, monitoring, and maintaining a driveway, installations and appurtenances (hereinafter "the Work") through, under, across, over and along the following described real property: "Parcel 2" and "Parcel 3" as more particularly described in the attached Exhibit A.

Grantor represents and warrants that Grantor has the authority to grant said easements described in Exhibit A ("Parcel 1" or "Parcel 2" or "Parcel 3", collectively the "Property"). During the temporary easement term, Grantor shall not grant or allow any uses or activities in Parcel 2 or Parcel 3, which would interfere with the Grantee's use of the Property and the temporary easement as provided herein.

Grantor represents that to the best of Grantor's knowledge, after appropriate inquiry under the circumstances:

1. The Property is in compliance with all local, State and Federal environmental laws and regulations.
2. Grantor has disclosed all information relating to any release of hazardous substances onto or from the Property, and disclosed any known report, investigation, survey or environmental assessment regarding Property; "release" and "hazardous substance" shall have the meaning as defined under Oregon law.
3. That there are no underground storage tanks, as defined under Oregon law, presently on or under the Property.
4. This grant is free of encumbrances except Conditions, Restrictions, Restrictive Covenants, and Easements of Record if any.

Grantee, by accepting this easement, is not accepting liability for any preexisting release of hazardous substances onto or from the Property, and Grantor is not attempting to convey any such liability.

During the temporary easement term, Grantee or Grantee's contractor shall not be responsible for the repair or replacement of any damage to the driveway, installations and appurtenances on the Property, (collectively referred to herein as "the Improvements").

All Work performed or caused to be performed by Grantee in Parcel 2 and Parcel 3 shall be constructed and installed in compliance with the Oregon Department of Transportation's "Oregon Standard Specifications for Construction", 2015 edition ("ODOT Specifications"); specifically the Work shall be performed in compliance with the applicable sections within Parts 00300, 00400, 00600 and 00700 of said ODOT Specifications or as said applicable sections have been modified or supplemented by Grantee by contract for the purposes of the Road Project, including the Work in said Parcel 2 or Parcel 3.

TEMPORARY EASEMENT

Latha Pogula, "**Grantor**", grants to **MULTNOMAH COUNTY**, a Political Subdivision of the State of Oregon, "**Grantee**", a temporary easement (Beginning on August 1, 2016 and expiring on August 31, 2018) for the purpose of accessing, laying down, installing, constructing, reconstructing, operating, inspecting, monitoring, and maintaining a driveway, installations and appurtenances (hereinafter "the Work") through, under, across, over and along the following described real property:

See the attached Exhibit A.

Grantor represents and warrants that Grantor has the authority to grant this temporary easement of the property described in Exhibit A (the "Property"). During the easement term, Grantor shall not grant or allow any uses or activities in the Property, which would interfere with the Grantee's use of the Property and the temporary easement as provided herein.

Grantor represents that to the best of Grantor's knowledge, after appropriate inquiry under the circumstances:

1. The Property is in compliance with all local, State and Federal environmental laws and regulations.
2. Grantor has disclosed all information relating to any release of hazardous substances onto or from the Property, and disclosed any known report, investigation, survey or environmental assessment regarding Property; "release" and "hazardous substance" shall have the meaning as defined under Oregon law.
3. That there are no underground storage tanks, as defined under Oregon law, presently on or under the Property.
4. This grant is free of encumbrances except Conditions, Restrictions, Restrictive Covenants, and Easements of Record if any.

Grantee, by accepting this easement, is not accepting liability for any preexisting release of hazardous substances onto or from the Property, and Grantor is not attempting to convey any such liability.

During the easement term, Grantee or Grantee's contractor shall not be responsible for the repair or replacement of any damage to the driveway, installations and appurtenances on the Property, (collectively referred to herein as "the Improvements").

All Work performed or caused to be performed by Grantee in the easement area shall be constructed and installed in compliance with the Oregon Department of Transportation's "Oregon Standard Specifications for Construction", 2015 edition ("ODOT Specifications"); specifically the Work shall be performed in compliance with the applicable sections within Parts 00300, 00400, 00600 and 00700 of said ODOT Specifications or as said applicable sections have been modified or supplemented by Grantee by contract for the purposes of the Road Project, including the Work in said easement area.

On August 31, 2018 at 12 AM, this temporary easement shall expire and Grantors shall take full possession and ownership of the Improvements; and shall be responsible for the repair, maintenance and replacement of said Improvements from that expiration date forward; and Grantee shall be relieved of any further responsibility or liability arising from or relating to said Improvements or the Work.

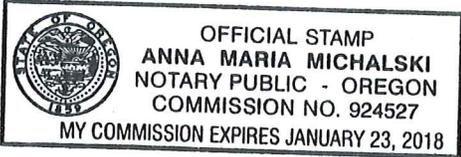

The true consideration paid for this grant stated in terms of dollars is \$900.00.
