

Dear Multnomah County Commissioners,

My name is Mariel & I'm a senior in high school. I have worked for SVN for almost two years. I started off volunteering in September 2013 & became officially employed in January 2014. My position is being SVN classroom assistant & instructor. Some awesome classes I got the privilege of helping are cooking, GRIT, Spanish, homework & AKA science. My favorite thing about SVN is how students get a chance to practice their talents that aren't appreciated like drawing, science, or cooking. It's lovely how diverse the students are in Ken Russell Middle School. Please continue to support the SVN program because it's simply amazing & I owe so much to the program.

Thank you for your time.

Sincerely,

Mariel Veech
